Community Features

EXTERIOR DESIGN

Enjoy a stunning, low-maintenance exterior featuring composite or stucco siding, a 25-year architectural roof, and energy-efficient Anderson windows. A modern front door, decorative garage doors, and sleek outdoor lighting create a polished and welcoming first impression.

STRUCTURE & EFFICIENCY

Live sustainably in an Energy Star approved, fossil-fuel-free home designed for comfort and low energy costs. Superior spray foam insulation, an ultra-high-efficiency heat pump system, and a fresh air HRV system ensure year-round comfort and a healthy living environment.

INTERIOR DESIGN

Step inside to an airy and luxurious space with soaring 9-foot ceilings and stunning white oak hardwood floors. Chic, modern details like brushed nickel hardware and high-efficiency LED lighting are found throughout, while a walkout basement and expansive sliding doors offer flexibility and a seamless connection to the outdoors.

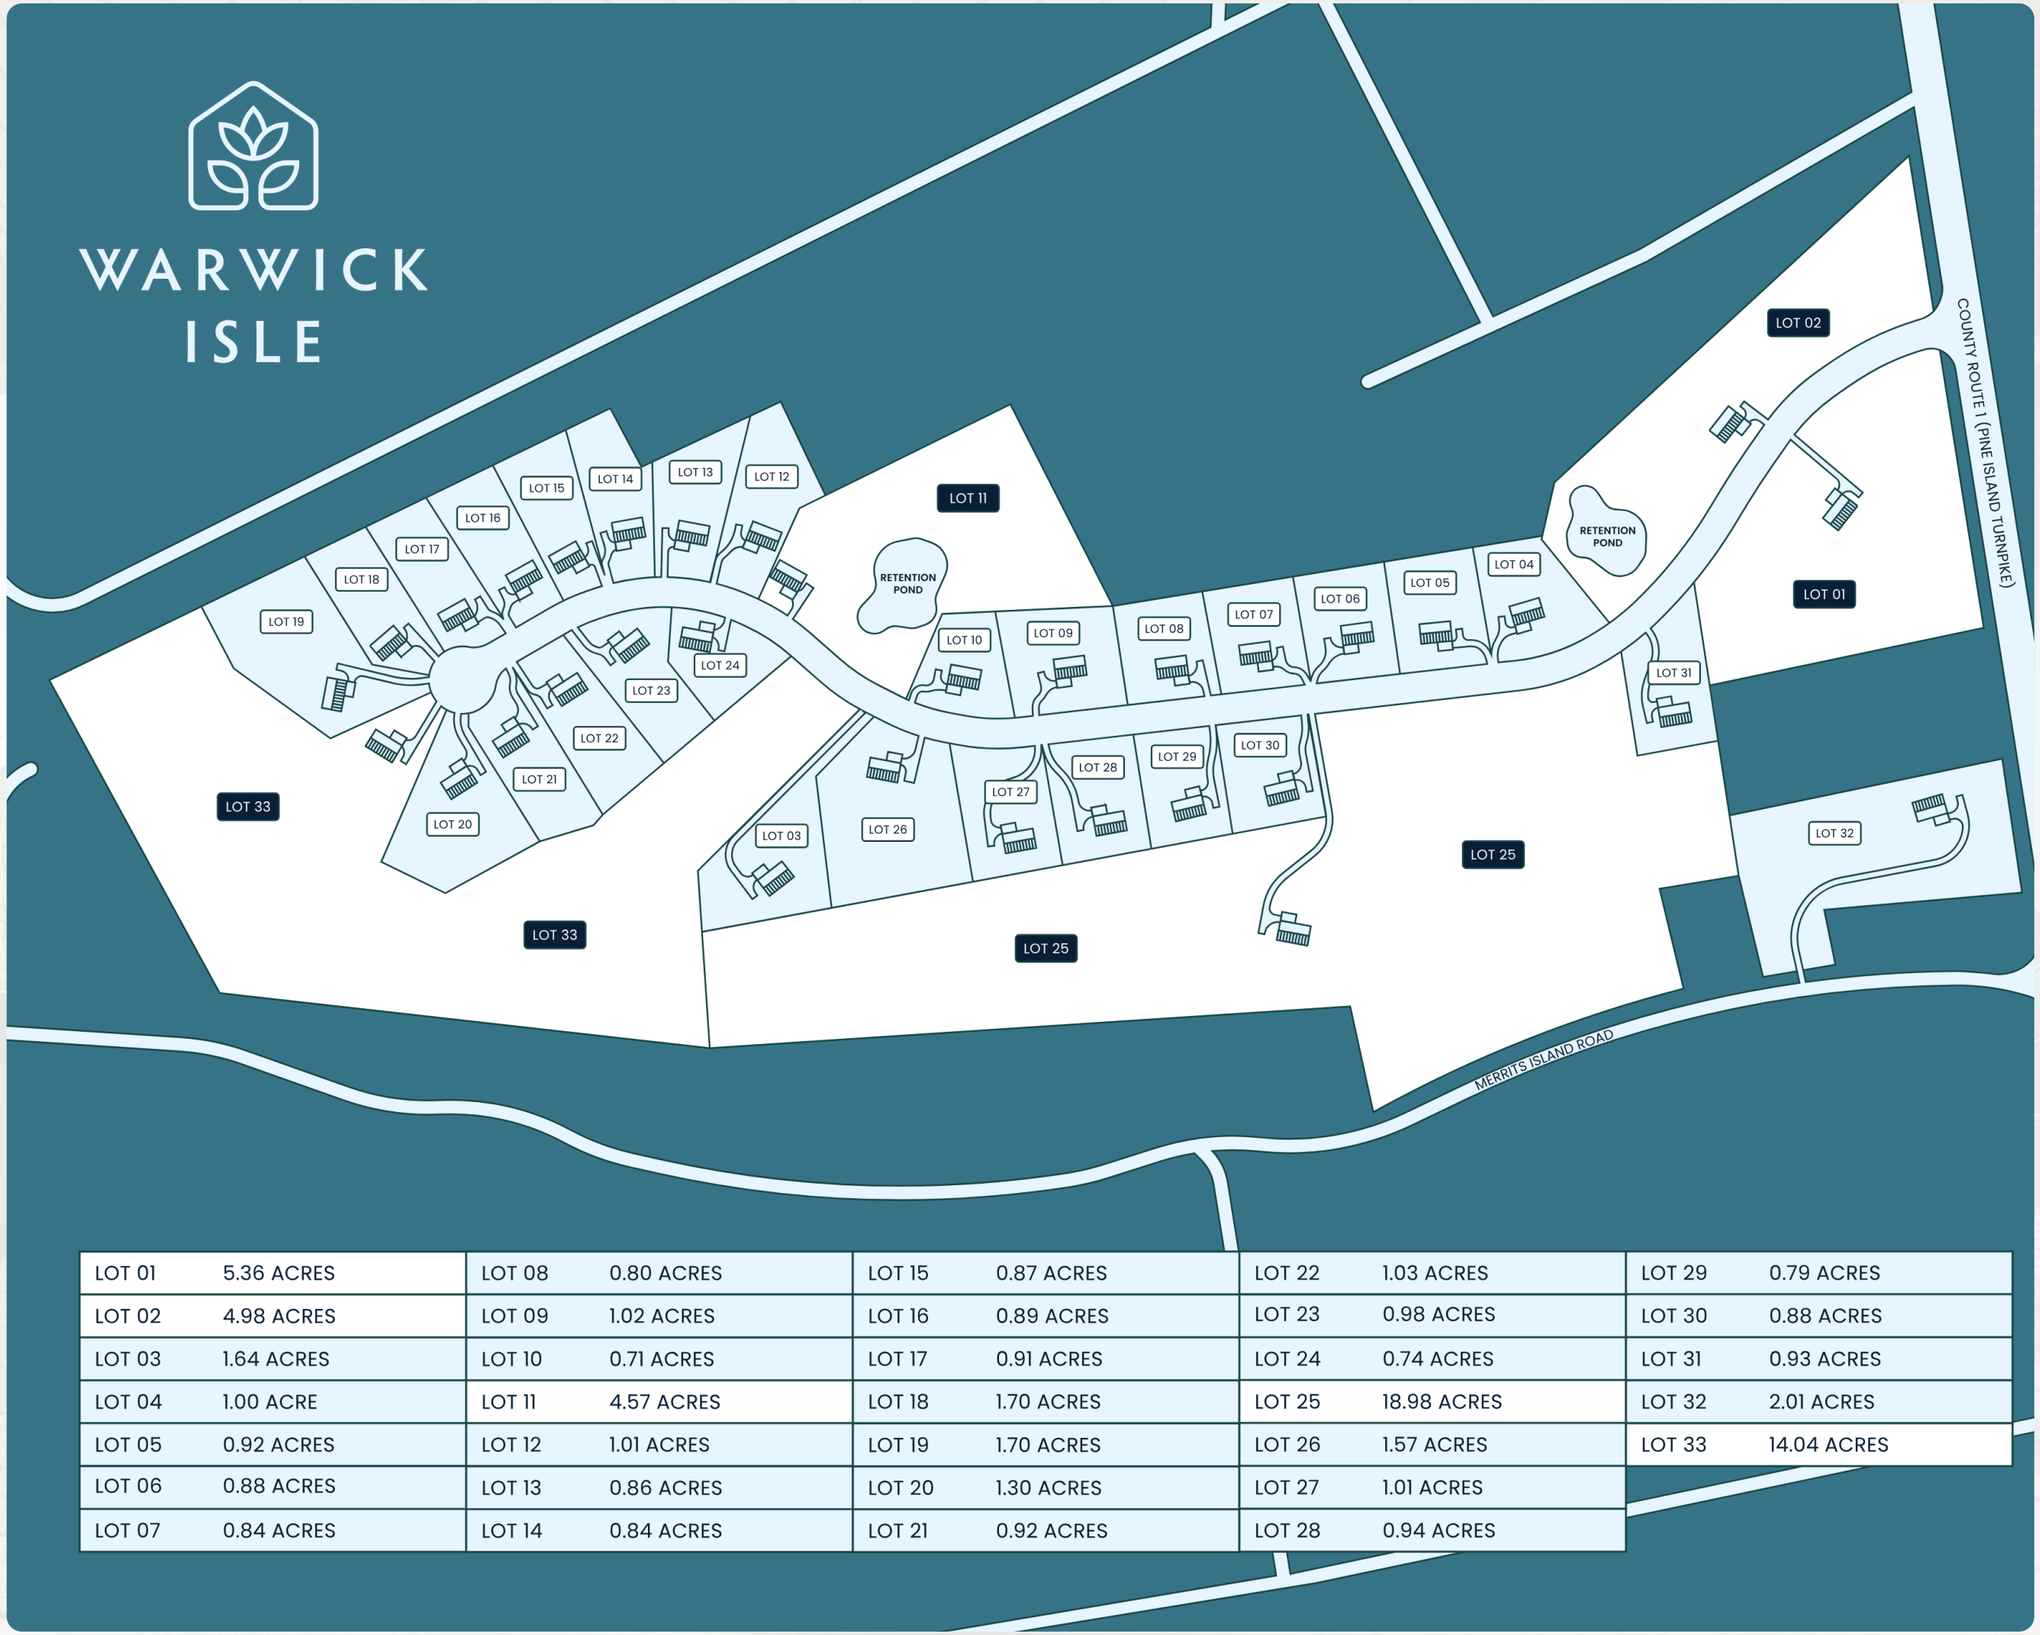

KITCHEN DESIGN

The gourmet kitchen is the heart of the home, featuring your choice of quality cabinetry, elegant stone countertops, and a large center island. A generous appliance allowance allows you to personalize the space with your preferred high-end, stainless steel appliances.

BEDROOMS & BATHROOMS

Unwind in your private, spa-inspired primary bathroom, featuring a luxurious freestanding tub and a double vanity with stone countertops. All bathrooms can be personalized with a generous tile budget, and ample storage is provided with generous closets, including walk-in closets in many models.
