

# THE 1000 MILLION DOLLAR MAN

## Congratulations ...

... to Roger Pettungell, luxury real estate specialist at Coldwell Banker Previews International on Longboat Key.

Roger broke the \$100 million barrier in total sales in 2017, reaching a record \$103.9 million in one year, and a record for individual sales associates in Sarasota County.

We are proud and grateful to have worked with Roger for 27 years.
