

What we love about our house.

6611 84th St Ct NW, Gig Harbor, WA 98332

1. Our floors. They are site finished, first-grade maple, stained a golden brown.
2. Our Viking Range, purchased in DEC 2025.
3. Our backyard & fire pit. Lots of great memories cooking over the fire in the summertime. Love our mature landscaping & privacy.
4. Our street. The school bus picks up right at our gate, and the kids have free rein with bikes and scooters on our street.
5. Our Quartz counters in the kitchen, baths and laundry room!
6. Our new kitchen cabinet fronts (just completed in April 2026).
7. Our Living room: we love our ceiling beams & our Carrara Marble tile fireplace surround.
8. Our large bonus room.
9. Our AC! We put in a new furnace and AC in 2020.
10. We installed a new hot water heater in 2025.
11. Our covered back porch, which you can enjoy year round.
12. Our claw foot tub in our downstairs bath.
