Gig Harbor Living

Gated Home in an intimate neighborhood w/ dead-end street, right in Gig Harbor. Behind the gates of the Millbrooke neighborhood sits this craftsman-style home with an incredible curb-appealing sense of arrival; from hidden garage to mature landscaping, you will feel a true sense of arrival. Inside, you will find a great room concept with soaring ceilings and site-finished real hardwood flooring. The GREAT ROOM is inviting with its beamed ceilings; built-ins, gas fireplace w/ custom tile work by Cupboard and Clay. The kitchen is updated w/ crisp cabinetry, quartz counters, and high-end appliances like Viking. All this flows to a covered rear porch; grill or relax while overlooking the massive yard and greenbelt. DEN/OFFICE on main and even a full bath on the main floor for guests, or Upstairs Primary is a retreat itself w/ sitting/desk area; covered DECK, ensuite bath and generous walk-ins. Upstairs, you find more bedrooms and even a large BONUS/REC room; perfect spot for that upper-level living space. Outdoors - a new fire pit and sitting area w/ stamped concrete; right next to the 35' greenbelt buffer. Pride in ownership w/ new A/C, new hot water tank, updates to the baths, and kitchen, all allow for a move-in ready with no project house. Combine the pride in ownership, setting, and location, and this home is a rarity in the market.
