As used in this Article, the following words and terms have the following definitions, unless the context in which they are used clearly indicates otherwise (when any of these and other defined words or terms in this Article have an initial capital letter, however, it is not required that their use have initial capital letters in order to have the defined meaning). Some or all of the following words and terms may have the same definitions in other portions of this Declaration; if so, they are being repeated here for convenience; if not, as used in this Article, they have the definitions contained in this Article. Words and terms defined in other portions of this Declaration and not defined in this Article but used in this Article have the

definition defined for them in such other portions of this Declaration, unless those definitions are superseded or modified as a result of the conflict rules set forth in Section 3 of this Part A (for example, words and terms defined by the Code and used in this Declaration have the definitions contained in the Code, notwithstanding that they may be defined differently in this Article or other portions of this Declaration; however, to the extent that a word or term is defined in this Article or other portions of this Declaration differently from how it is defined in the Code, and the definitions do not conflict, then both definitions are applicable). With respect to words and terms used herein, the singular shall include the plural, the plural shall include the singular, and one gender shall include all.

(a) "Act" is defined as the North Carolina Planned Community Act, as contained in Chapter 47F of the North Carolina General Statutes (or as contained in any successor portion of the North Carolina General Statutes), as the same exists from time to time. Words and terms used in this Article that are defined in the Act but not defined in the Code (for example, the term special declarant rights), have the definition contained in the Act.

(b) "Annexation Declaration" is defined as a document, by whatever name denominated, that is recorded for the purposes of annexing Annexed Property to this Declaration and causing such Annexed Property to be subject to the scheme of covenants, charges, conditions and restrictions contained in this Declaration and including any additional covenants, charges, conditions and restrictions contained in the Annexation Declaration.

There may be one or more Sub-Associations (if applicable) with respect to the Properties. An example of a Sub-Association is a property Owners association for a townhouse development that is part of a cluster unit development which has an Association for the cluster unit development. All references herein to an Association that is, in fact, a Sub-Association, are deemed corrected accordingly.

ARTICLE II

ASSESSMENTS

Section 1. Obligation for Assessments. Each Owner, by execution of this Declaration or by acceptance of a deed or other instrument conveying title to a Lot, whether or not it shall be so expressed therein, is deemed to consent and agree to pay to the Association (or to any Person who may be designated by the Association to collect such monies) all assessments and other charges required by this Declaration, including the following: (1) annual assessments; (2) working capital assessments; (3) stormwater assessments created and established pursuant to this Article; (4) special assessments; (5) fines for violations of the provisions of this Declaration or other Governing Documents or assessments levied against Owners for misuse and damage to the Common Areas by the Owners or their family members, tenants, agents, contractors and guests; (6) individual assessments for any expense under the Code or this Declaration which the Association becomes obligated to pay and pays on behalf of an Owner; (7) late payment charges, interest on unpaid assessments, costs of collection, including without limitation, court costs, service charges, and attorney's fees as provided in the Act, and charges for dishonored checks; all as established by the Board from time to time; and (8) all other assessments and charges imposed or allowed to be imposed by this Declaration.

The Association at all times has the right to include as part of the assessments or other charges applicable to the Properties and the Owners thereof such amounts as are required to pay all Common Expenses and all financial obligations of the Association imposed by the Code either (i) directly on the Association, or (ii)

indirectly on the Association by imposition of the financial obligation on some or all of the Owners, with the Association having responsibility for collection and payment to the County.

Section 2. Purpose of Assessments. The annual assessment primarily is for the purpose of funding the Common Expenses of the Association, including monies allocated for reserve funds, for the Fiscal Year to which it applies and in accordance with the budget for that Fiscal Year adopted by the Association, although such assessments may be used for payment of any Common Expenses as determined by the Board. All budgets of the Association shall be proposed in good faith and with the intent to cover all reasonably necessary Common Expenses for the applicable Fiscal Year of the Association, including monies allocated for reserve funds.

Section 3. Budgets; Amount of Assessments. The Association is at all times empowered to levy assessments against the Lots and Living Units and the Owners of Lots and Living Units within the Properties for the payment of Common Expenses.

For calendar year 2006, the annual assessment per Lot is Seventy-Five Dollars (\$75.00), and the annual assessment per Living Unit is Three Hundred Dollars (\$300.00). The "Maximum Annual Assessment" for each subsequent Fiscal Year for purposes of voting percentages to ratify the budget is 110% of the amount of the annual assessment for the immediately preceding Fiscal Year. Both annual and special assessments must be fixed at a uniform rate for all Lots and Living Units, on a per Lot and per Living Unit basis, and may be collected on a monthly basis or other periodic basis.

Notwithstanding the foregoing, once the amenities planned for the recreational area are completed and the recreation area as designated on the plat or map of the Properties is conveyed to the Association, the Maximum Annual Assessment per Living Unit shall be Six Hundred Dollars (\$600.00) for the first Fiscal Year following said conveyance.

The Board of Directors shall adopt a proposed budget for the Association at least annually. Within thirty (30) days after the adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget to the Members and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than ten (10) days nor more than sixty (60) days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. There shall be no requirement that a quorum be present to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget; provided, however, if the budget provides for an annual assessment per Lot not in excess of the Maximum Annual Assessment in effect for that Fiscal Year of the Association, such budget shall be deemed ratified unless Members having at least eighty percent (80%) of the votes of the entire membership vote to reject the budget. If any proposed budget is rejected by the Members, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

The provisions of this subsection shall not apply to, nor shall they be a limitation upon, any change in the annual assessment or the Maximum Annual Assessment incident to a merger or consolidation as provided in §47F-2-121 of the Act.

Section 4. Effect of Non-Payment; Remedies. No Owner shall be exempt from liability for any assessment provided for herein for reason of non-use of the Common Area or such Owner's Lot or Living Unit, or abandonment or leasing of such Owner's Lot or Living Unit, or unavailability of the use or enjoyment of the Common Area.

All assessments and other charges shall be established and collected as provided in this Declaration. All assessments and other charges remaining unpaid for thirty days (30) days or longer, together with late charges, interest, and the costs of collection thereof, including attorney's fees, shall be charge on the Owner's Lot as provided in G.S.47F-3-116 of the Act and, upon filing of a claim of lien in the office of the clerk of superior court of the county in which the Lot is located in the manner provided in G.S.47F-3-116(g), shall be a continuing lien upon the Lot against which such assessment is made until paid in full. The lien may be foreclosed by the Association in any manner permitted under the Act or by law. When the holder of a first mortgage or first deed of trust of record or other purchaser of a Lot who obtains title to the Lot as a result of a foreclosure of a first mortgage or first deed of trust, such purchaser and its heirs, successors, and assigns shall not be liable for the assessments and other charges against such Lot which became due prior to the acquisition of title to such Lot by such purchaser. Each assessment and other charges due hereunder, together with late charges, interest, the costs of collection thereof, including attorney's fees, shall also be the personal obligation or corporate obligation of each Person who was Owner of the Lot at the time when the assessment or other charge first became due and payable and may be collected by appropriate action at law. If more than one

Person held an ownership interest in the Lot at the time the assessment or other charge first became due, then each Person shall be both jointly and severally liable. An Owner's personal obligation for payment of such assessments and other charges shall not become the personal obligation of a subsequent Owner unless expressly assumed by the subsequent Owner, although the lien shall continue against the Lot until the amounts due are paid.

Section 5. Classes of Membership. This Declaration may allow different classes of membership in the Association and may allow different levels of annual assessments and other assessments to be imposed for different classes of membership.

Section 6. Declarant's Obligation to Fund Deficits; Assessment Credit. During the Declarant Control Period, Declarant shall be obligated to fund any Operating Deficit. Declarant, at its option, may fund the Operating Deficit by any one or more of the following means: (i) payment to the Association; (ii) payment directly to a person or entity providing the services or materials to the Association, or (iii) providing, directly or indirectly, to or for the Association, services or materials related to Common Expenses (the value of which shall be determined by the Board in its reasonable discretion, giving due consideration to what the fair market value of such services or materials would be if they had been furnished by a Person other than Declarant).

Declarant's obligation to fund Operating Deficits may be enforced against the Declarant and collected by the Association in the same manner as enforcement and collection of assessments applicable to other Owners.

After the end of the Declarant Control Period, the Declarant, at its sole option, may receive an assessment credit toward payment of annual assessments due and payable by Declarant thereafter for Lots owned by Declarant, in an amount equal to aggregate of the Operating Deficits paid by Declarant as provided herein. Declarant may not charge or collect interest or any other charge or fee on any monies paid by the Declarant, for Operating Deficits. As determined by Declarant, the assessment credit may be applied to payment of all annual assessments due from Declarant after the end of the Declarant Control Period until it has been credited in full.

Section 7. Working Capital Fund. At the time of closing of the sale of each Living Unit from the builder to the Owner, a sum equal to at least two (2) months assessment for each Living Unit (based on the monthly portion of the maximum annual assessment in effect at the time of the sale) shall be collected from the Owner and transferred to the Association to be held as a working capital fund. The purpose of said fund is to insure that the Board of Directors of the Association will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund shall not be considered advance payment of regular assessments.

Section 8. Date of Commencement of Annual Assessment; Due Dates. The annual assessments provided for herein shall commence on the first day of the first month following the recording by Declarant of a deed to the Association or the County for the Common Areas. Provided, however, that Lots owned by any Owner or builder shall be assessed at the rate of twenty-five percent (25%) of the amount of the assessments due for a Living Unit until such time as the first certificate of occupancy is issued in the applicable phase of the Properties where the Lot is located. From and after the date of the issuance of the first such certificate of occupancy until the completion of the recreational amenities and conveyance thereof to the Association, as described above, Lots owned by any Owner or builder shall be assessed at the rate of fifty percent (50%) of the amount of the assessments due for a Living Unit. From and after the date of the completion of the recreational amenities and conveyance thereof to the Association, Lots owned by any Owner or builder shall be assessed at the reduced rate of twenty-five percent of the assessments due for a Living Unit. Provided, furthermore, that the annual assessments on Lots owned by a builder shall be allowed to accrue for each month that the builder owns the Lot and shall not be required to be paid by the builder until the date of closing of the sale of a Living Unit or the date of rental of a Living Unit to the tenant of an Owner or builder. The annual assessments for any Living Unit shall commence on the day of the conveyance of the Lot from the builder to any Owner other than the Declarant.

Section 9. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, restoration, repair or replacement of a capital improvement upon the Common Areas, any extraordinary maintenance, including fixtures and personal property related thereto and any property for which the Association is responsible, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. Provided, however, that the Board of Directors, in its sole discretion, may declare that a special assessment be levied

against all Lots or Living Units, unless ninety percent (90%) of the total vote of each class of Members vote to reject it. Any such special assessment shall be in an amount not to exceed Five Hundred and No/100 Dollars (\$500.00) per Lot or Living Unit and may be levied no more than once every five (5) years from the date of recording by Declarant of a deed to the Association or the County for the Common Areas.

Section 10. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage and ad valorem taxes on said Lot. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, but shall not abate the personal obligation of the prior owner. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. Any portion of the Property dedicated to, and accepted by, a local public authority and any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 12. Certificate of Payment. The Association shall, within ten (10) business days after receipt of a written request from an Owner or the Owner's authorized agent, and for such reasonable charge as the Board may determine, furnish a certificate signed by an officer of the Association, or by a Person or employee of any Person employed by the Association and to whom the Association has delegated the authority to issue such certificates, setting forth whether the assessments and other charges against a specified Lot or Living Unit have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment and is binding on the Association, the Board, and every Owner.

ARTICLE III

MEMBERSHIP AND GOVERNANCE

Section 1. Membership. The Declarant and every Owner within the Properties shall be a Member of the Association, and by execution of this Declaration or by acceptance of a deed conveying to such Owner title to any Lot, each Owner consents to be a Member of the Association, subject to the terms of the Governing Documents. Membership shall be appurtenant to and may not be separated from ownership of the Member's Lot. The foregoing is not intended to include any Person that holds an interest merely as security for the performance of an obligation. Upon termination of ownership, an Owner's membership with respect to the transferred Lot shall automatically terminate and be automatically transferred to the new Owner of the Lot.

Section 2. Members' Rights of Use. Each Member and lawful occupant in the Properties shall have a non-exclusive right of use and enjoyment and easement in the Common Areas, including the rights of ingress and egress to and from all Common Areas throughout the Properties, subject to such rules and regulations as are allowed under the Governing Documents to be imposed by the Association and subject to suspension of use rights allowed in the Governing Documents; provided that no suspension of rights shall occur without first providing notice of the charge, opportunity to be heard and to present evidence, and notice of the decision as required by G.S. 47F-3-107.1 of the Act. But, the right of access and support, the right to drain stormwater and the right to use stormwater control measures, private streets, private utility services provided to the Lot through easements in Common Area, and any assigned parking areas shall not be suspended for violation of the Association's rules and regulations.

Section 3. Voting Rights. Each Member shall have those voting rights established in this Declaration, which may be different for different classes of membership. If a Lot is owned by multiple Owners, the votes allocated to that Lot shall be cast only in accordance with the agreement of a majority in interest of the multiple Owners unless otherwise provided in the Governing Documents. A majority agreement is conclusively presumed if only one of the multiple Owners casts the votes allocated to that Lot, unless any of the other Owners of the Lot protest such co-Owner's vote promptly to the Person presiding at the meeting.

Section 4. Proxies. Votes may be cast in person or by proxy. All proxies must be dated, duly executed by the Owner, and delivered to the Secretary of the Association or to the property management company authorized by the Board to receive proxies prior to the opening of the meeting for which it is first intended to be used. No proxy shall exceed a term of eleven (11) months from its date except as otherwise provided in the

Act. Revocation of a proxy shall be made by actual notice to the Person presiding over the Association meeting.

Section 5. Quorum. Except as otherwise provided in the Governing Documents, a quorum is present throughout any meeting of the Association whenever Persons entitled to cast ten percent (10%) of the votes are present in person or by proxy at the beginning of the meeting. In the event business cannot be conducted at any meeting because a quorum is not present, that meeting may be adjourned to a later date by the affirmative vote of a majority of those present in person or by proxy. Notwithstanding any provision to the contrary in the Governing Documents, the quorum requirements at the next meeting shall be one-half (1/2) of the quorum requirement applicable to the meeting adjourned for lack of a quorum. This provision shall continue to reduce the quorum by fifty percent (50%) from that required at the previous meeting, as previously reduced, until such time as a quorum is present and business can be conducted.

Section 6. Enforcement. The Board, or any committee established by the Board, may impose sanctions for violation of the Governing Documents after compliance with the notice and hearing procedures set forth in Article III of the By-Laws and the Act. Such sanctions may include, without limitation:

- (a) imposing monetary fines which shall constitute a lien upon the Lot or Living Unit of the violator;
- (b) filing liens in the public records for nonpayment of assessments or fees;
- (c) filing notices of violations in the public records providing notice of any violation of the Governing Documents;
- (d) suspending an Owner's right to vote;
- (e) suspending any Person's right to use any recreational facilities within the Common Area; provided however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot or Living Unit; and
- (f) suspending any services provided by the Association to an Owner or the Owner's Lot or Living Unit if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge owed to the Association.

Any Annexation Declaration recorded without the required County approval is void *ab initio*. An Annexation Declaration may contain such complementary additions and modifications to the terms of this Declaration as may be necessary or desirable to reflect the different character, if any, of the Annexed Property and as are not inconsistent with the general scheme of this Declaration. Each Annexation Declaration shall state that title to the Common Area that is included within the Annexed Property shall be conveyed to the Association no later than the time of the conveyance of the first Lot within the Annexed Property, and any Open Space in the Annexed Property shall be

conveyed in fee simple without any encumbrances except drainage, greenway, utility and conservation easements and this Declaration. Open Space in the Annexed Property is subject to all Code and Declaration provisions relating to Open Space.

Each Owner of a Lot in Annexed Property shall be a Member of the Association, and the Annexed Property and each Owner of any portion thereof shall be subject to assessment by the Association in accordance with the terms of this Declaration, the Annexation Declaration, other Governing Documents, and the Code, as applicable. The Association shall have the duties, responsibilities and powers set forth in this Declaration and other Governing Documents with respect to Annexed Property. Except as may otherwise be expressly provided in this Declaration or any Annexation Declaration, the Properties, including the Annexed Property, shall be managed and governed by the Association as an entirety. In order to implement the purposes of these covenants, the Declarant shall establish and amend from time to time objective standards and guidelines, including, but not limited to, Architectural Standards and Construction Specifications, Uniform Sign Regulations, Uniform Mailbox Regulations, Landscape Guidelines, and Environmental Rules and Regulations as defined hereinafter, and which shall be binding on all Owners within the Properties.

These standards and guidelines shall be administered by the Declarant or its designee(s) until such time as dwellings have been constructed upon all of the Lots and conveyed to Owners other than Builders, or until such time as the Declarant shall delegate such responsibility to an architectural standards committee (hereinafter referred to as the "Architectural Review Board") composed of not less than three (3) Members of the Association.

No alteration in the exterior appearance of any building or structure, including exterior color or finish, shall be made without like prior written approval by the Declarant. One (1) copy of all plans and related data shall be furnished to the Declarant for its records. In the event approval of such plans is neither granted nor denied within sixty (60) days following receipt by the Declarant of written demand for approval, the provisions of this paragraph shall be thereby waived.

Refusal or approval of size, color, content, number of signs, or location of sign(s) may be based by the Declarant upon any ground, including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Declarant seems sufficient. The Declarant further reserves the right to promulgate and amend from time to time uniform sign regulations (the "Uniform Sign Regulations") which shall establish standard design criteria for all signs, including, but not limited to, real estate sales signs, erected upon any Lot in the Properties. The Declarant and its agent shall have the right, whenever there shall have been placed or constructed on any Lot in the Properties any sign which is in violation of these restrictions, to enter immediately upon such Properties where such violation exists and summarily remove the same at the expense of the Owner.

The Declarant and its agents shall have the right to enter upon any Lot for the purpose of correcting such conditions, including, but not limited to, the removal of trash which has collected on the Lot, and the cost of such corrective action shall be paid by the Owner. Such entry shall not be made until thirty (30) days after the Owner of the Lot has been notified in writing of the need to take corrective action and unless such Owner fails to perform the corrective action within said thirty (30) day period; provided, however, that should such conditions pose a health or safety hazard, such entry shall not be made until the Owner has been notified in writing of the need to take immediate corrective action and unless such Owner fails to perform the corrective action immediately. The provisions of this paragraph shall not create any obligation on the part of the Declarant to take any such corrective action.

(f) No mailbox (which term shall be deemed to include the post) shall be erected or maintained on any Lot until the proposed mailbox design, color, and location have been approved in writing by the Declarant or the Architectural Review Board. No

alteration in the exterior appearance of any mailbox shall be made without like prior written approval by the Declarant or the Architectural Review Board. The Declarant further reserves the right to establish uniform mailbox regulations (the "Uniform Mailbox Regulations") which shall define standard design criteria for all mailboxes erected upon any Lot in the Properties. Once approved, a mail box must be erected on the Lot prior to obtaining a certificate of occupancy for any building or structure on any Lot.

Each Owner shall perform the foregoing responsibilities in a manner that does not reasonably disturb or interfere with the reasonable enjoyment by the other Owners of their property.

If any Owner fails to perform any of the foregoing Maintenance responsibilities, then the Association may give such Owner written notice of the failure and such Owner must, within ten (10) days after such notice is given by the Association, perform the required Maintenance. If any such Owner fails to perform the required Maintenance within the allotted time period, then the Association, acting through its authorized agent or agents, shall have the right and power, but not the obligation, to enter such Owner's Lot and perform such Maintenance without any liability to any Person for damages for wrongful entry or trespass. Such Owner shall be liable to the Association for the expenses incurred by the Association in performing the required Maintenance, and shall reimburse the Association for such expenses within thirty (30) days after the Association mails or delivers to such Owner an invoice therefore. If the Owner fails to reimburse the Association as required, the Association shall have the same rights and remedies for collection of the amount as provided in Article II, Section 4 hereinabove.

ARTICLE IX

EASEMENTS

Section 1. Utility Easements. All of the Property, including Lots and the Common Areas, shall be subject to such easements for driveways, walkways, parking areas, water lines, sanitary sewers, storm drainage, gas lines, telephone and electric power line and other public utilities as shall be established by the Declarant or by his predecessors in title, prior to the subjecting of the Properties to this Declaration; and the Association shall have the power and authority to grant and establish upon, over, under and across the Common Areas conveyed to it, such other and further easements as are requisite for the convenient use and enjoyment of the Properties without approval of the membership as provided in the Articles of Incorporation and this Declaration.

Section 2. Easement for the Benefit of Governmental Entities. An easement is hereby established for the benefit of any Governmental Entity having jurisdiction over the Properties, or other governmental agency, overall Common Areas for the setting, removing and reading of water meters (which shall be separate for each Lot), maintaining and replacing water, sewage and drainage facilities, for police protection, fire fighting and garbage collection, postal services, and the rendering of such other services as are appropriate and

necessary for the use and enjoyment of the Property. In no case shall the Governmental Entity or other responsible agency, be responsible for failing to provide any emergency or regular fire, police, or other public service to the Properties or to any of its occupants when such failure is due to the lack of access to such area due to inadequate design or construction, blocking of access routes, or any other factor within the control of the Declarant, the Association, the Owners or occupants. All conveyances of any portion of the Properties shall be subject to these limitations on the Governmental Entity's responsibilities.

Section 3. Easements Shown on Recorded Maps. There are hereby reserved easements as shown on the recorded map or maps of the subdivision, including, but not limited to the following: (1) 10' wide drainage and utility easements (10' each side) along all interior Lot lines; (2) 10' wide drainage and utility easements along all exterior boundary lines; and (3) 15' wide grading, slope, drainage and utility easements along the Lot side of and adjacent to all street rights-of-way. In the event of a conflict in the width of any easement reserved herein or on the recorded map, the wider easement shall prevail.

Furthermore, in and addition to the foregoing reserved specific easements, the Declarant so long as it controls the Association, and thereafter the Association, may cut and create drains and drainways both above ground and underground for the purpose of facilitating the removal of surface water whenever such action may appear to be necessary in order to maintain reasonable standards of health, safety and appearance along, over or across any Lot.

These reservations of easements expressly include the right to cut any trees, bushes, shrubs or growth, the grading, cutting or ditching of the soil any other action necessary to complete installation.

Section 4. Easement for Benefit of Utility Company. The Declarant reserves the right to subject the Property, including the Common Areas, to a contract with Progress Energy for the installation of underground electric lines, cables and connector posts or for the installation of street lighting, either or both of which, may require an initial payment or a continuing monthly payment to the utility by the owner of each Lot.

Section 5. Easements for Repairs. Each Lot owner shall have a perpetual access easement over an adjoining Lot and Common Areas to the extent reasonably necessary to perform repair, maintenance, or reconstruction of his dwelling. No fence, wall, outbuilding, storage shed or similar structure, or any other kind of obstruction shall be installed or maintained within the easement area which will obstruct access to the residential unit. Such repair, maintenance, or reconstruction shall be done expeditiously, and, upon completion of the work, the owner shall restore the adjoining Lot and Common Areas to as near the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable.

Section 6. Priority of Easements. Each of the easements hereinabove referred to shall be deemed to be established upon the recordation of this Declaration and shall henceforth be deemed to be covenants running with the land for the use and benefit of the Lots, and the Common Areas, as the case may be, superior to all other encumbrances which may hereafter be applied against or in favor of the Property or any portion thereof.

Section 7. Declarant Easement. If any encroachment shall occur subsequent to subjecting the Properties to this Declaration, there is hereby created and shall be a valid easement for such encroachment and for the maintenance of the same. Every Lot shall be subject to an easement for entry and encroachment by the Declarant for a period not to exceed eighteen (18) months following conveyance of a Lot to an Owner for the purpose of correcting any problems that may arise regarding utilities, grading and drainage. The Declarant, upon making entry for such purpose, shall restore the affected Lot or Lots to as near the original condition as practicable.

Section 8. Emergencies. Every Lot shall be subject to an easement for entry by the Association for the purpose of correcting, repairing, or alleviating any emergency condition which arises upon any Lot and endangers any building or portion of the Common Areas.

Section 9. Easement for Entrance Signs and Landscaping. An easement is reserved on Lot 1 as shown on the above referenced to recorded map for the purpose of locating thereon entrance signs and landscaping and lighting surrounding same for the entrances to the subdivision. Included in the rights reserved is the right to go on the easement area and to plant and maintain plants, shrubs, and trees and to maintain, repair, and replace any signs or lighting or portions thereof located on said Lot. The rights retained hereunder by Declarant shall be for the benefit of the Declarant, and for any person, firm, or corporation which shall hereafter own any Lot in the subdivision.

Section 10. Landscape Easements. The Association shall be responsible for Maintaining and replanting any shrub, tree, or groundcover located within any area designated on a recorded map of the Properties as a landscape easement, open space, berm, buffer, or similar designation. Association expenses for Maintaining a landscape easement or similar designation are Common Expenses. Whenever a slope easement co-exists, in whole or in part, within a designated landscape easement, and any future public improvement adjacent to the slope easement removes or causes any of the shrubs or trees within the slope easement to die or become unhealthy, it shall be the responsibility of the Association to replace the shrubs and trees in accordance with the minimum applicable quantity, size and spacing requirements of the Code within one-hundred and eighty days of completion of the public improvement. Within any area designated on recorded maps of the Properties as a landscape easement or similar designation, no vegetation shall be removed without the prior written consent of the Association. Notwithstanding the foregoing, no Governmental Entity shall be required to obtain the consent of the Association when working within slope easements, greenway easements or construction easements.

Section 11. Sight Triangles. No sight obstructing or partially obstructing wall, fence, foliage, berm, parked vehicle or sign between two feet and eight feet tall, as measured above the curb line elevation or the nearest traveled way if no curb exists, shall be placed within any area designated on a recorded map of the Properties as a sight triangle or other similar designation. An easement over sight triangles is reserved for the benefit of the Declarant, the Association, and the County, and their respective agents and contractors for the purpose of removing any such obstruction, and a Person entering onto a Lot pursuant to such easement for the purpose of removing such obstruction shall not be deemed a trespasser and shall not be liable for damages to the Association or the Owner of the Lot with respect to the obstruction removed from the sight triangle. It shall be the responsibility of the Association (as to Common Area) or Owner of the Lot, as soon as reasonably practicable following removal of any obstruction from the sight triangle, to restore the portion of the Properties previously occupied by the removed obstruction to the condition required or permitted by the Code and the Governing Documents.

ARTICLE X

INSURANCE

Section 1. Insurance. Commencing not later than the time of the first conveyance of a Lot to a Person other than the Declarant, the Association shall procure and Maintain (i) hazard insurance on the Common Area, insuring against all risk of loss commonly insured against, including fire and extended coverage of peril, and (ii) liability insurance, in an amount of not less than one million dollars (\$1,000,000.00), covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use ownership or Maintenance of Common Area. The Association shall obtain and Maintain such other insurance as required in this Declaration or such other forms of insurance, and in such coverage amounts, as determined by the Board to be required or beneficial for the protection or preservation of the Common Area and other property of the Association or otherwise is in the best interests of the Association. The premiums for such insurance shall be a Common Expense paid from the annual assessments as established pursuant to this Declaration.

Section 2. Insurance to be Maintained by the Owners. Every Owner shall maintain in full force and effect at all times fire and hazard insurance in an amount equal to the full insurable value of his Living Unit except that the amount shall not be required to exceed the replacement cost of the Living Unit. An Owner shall exhibit to the Board, upon request, evidence that such insurance is in effect. If any Owner shall fail to maintain such insurance, the Board is authorized to obtain such insurance in the name of the Owner from an insurer selected by the Board, and the cost of such insurance shall be included in the annual assessment of the Owner and shall constitute a lien against his Lot until paid as a result of enforcement by the Association or otherwise.

ARTICLE XI

Section 1. Rights Reserved to Institutional Lenders. “Institutional Lender” or “Institutional Lenders”, as the terms are used herein, shall mean and refer to banks, savings and loan associations, savings banks, insurance companies, Veterans Administration, Federal Housing Administration, Federal National Mortgage Association and other reputable mortgage lenders and guarantors and insurers of first mortgages. So long as any Institutional Lender or Institutional Lenders shall hold any mortgage upon any Lot, or shall be the Owner of any Lot, such Institutional Lender or Institutional Lenders shall have the following rights:

(f) To be given notice by the Association if any portion of the Common Areas, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority.

Whenever any Institutional Lender, guarantor or insurer desires the benefits of the provisions of this section requiring notice to be given or to be furnished a financial statement, such Lender shall serve written notice of such fact upon the Association by Registered Mail or Certified Mail addressed to the Association and sent to its address stated herein, or to the address of the Property, identifying the Lot upon which any such Institutional Lender or Institutional Lenders hold any mortgage or mortgages, or identifying any Lot owned by them, or any of them, together with sufficient pertinent facts to identify any mortgage or mortgages which may be held by it or them, and which notice shall designate the place to which notices are to be given by the Association to such Institutional Lender.

ARTICLE XII

GENERAL PROVISIONS

Section 1. Applicability. The Properties, this Declaration and the other Governing Documents are subject to the ordinances, regulations, and rules of the County, and shall be construed in accordance with all of the applicable provisions of the Code, whether or not such Code provisions are specifically referenced in this Declaration. There may be certain provisions of the Code that apply to all of the Properties and certain provisions of the Code that apply only to certain portions of the Properties (for example, provisions of the Code relating to private streets apply only to those portions of the Properties that contain private streets). It shall be the responsibility of the Association and each Owner of each portion of the Properties to comply with all provisions of the Code applicable to such portion of the Properties, whether or not any approval, disapproval, waiver or variance of the terms of this Declaration with respect to such portion of the Properties has been given by the Declarant or its authorized agent, the Board, any committee of the Board, or any other Person who has the authority to give such approval, disapproval, waiver or variance.

Section 2. Conflicts.

(a) Some or all of the Properties may be subject to the provisions of the Act. To the extent that Properties are subject to the Act, the provisions of the Act control over any inconsistent provisions of this Declaration, any Annexation Declaration or any other Governing Documents.

(b) The provisions of the Code control over any inconsistent provisions of this Declaration, any Annexation Declaration or any other Governing Documents. As applicable provisions of the Code are amended, modified, revised, deleted, or moved to different sections, this Declaration and all Annexation Declarations are deemed to be revised so as to conform to the provisions of the Code as they exist from time to time and are applicable to the Properties or any part thereof. Provided, however, any provision of this Declaration or any Annexation Declaration that is more restrictive than an applicable provision of the Code (for example, a building setback distance required by this Declaration or an Annexation Declaration that is greater than that required by the Code) is not an inconsistent provision of this Declaration unless the Code specifically provides otherwise, and is not deemed revised to conform to the Code.

(c) The provisions of this Article control over any inconsistent provisions of any other portion of this Declaration, any Annexation Declaration or any other Governing Documents.

(d) The provisions of this Declaration control over any inconsistent provisions of any other Governing Documents, except as to matters of compliance with the North Carolina Nonprofit Corporation Act, in which event the Articles shall control.

Section 3. Dispute Resolution. It is the intent of the Association and the Declarant to encourage the amicable resolution of disputes involving the Properties and avoid the emotional and financial costs of litigation if at all possible. Accordingly, the Association, the Declarant and each Owner covenants and agrees that it shall attempt to resolve all claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of this Declaration, the By-Laws, the Association rules, or the Articles through alternative dispute resolution methods, such as mediation and arbitration. To foster the amicable resolution of disputes, the Board may adopt alternative dispute resolution procedures.

Section 4. Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of the Members representing 75% of the total Class "A" votes in the Association. This section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article II; (c) proceedings involving challenges to ad valorem taxation; (d) counter-claims brought by the Association in proceedings instituted against it, or (e) actions by the Association against any contractor, vendor, or supplier of goods and services arising out of a contract for services or supplies. This section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

Section 5. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 6. Duration of Declaration. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.

Section 7. Amendment of Declaration. This Declaration may be amended by Declarant, with no other consent, until such time as Declarant no longer owns at least one Lot within the subdivision. After Declarant has sold his last Lot, this Declaration may only be amended by a sixty-seven percent (67%) vote of the Lot owners. Amendments to this Declaration are valid from the later of the time of recording in the Registry or such later date specified in the amendment. When County approval of an amendment is required by the Code or by a provision of this Declaration (including this Article), County approval shall be evidenced by the signature of the County Attorney or his/her Deputy on the recorded original or copy of the amendment. Any amendment of this Article or any other provision of this Declaration that requires County approval is void *ab initio* if recorded without the required County signature.

Section 8. Amendments Permitted Without Membership Approval. The following amendments may be effected by the Declarant, or the Board, as the case may be, without consent of the members:

(a) Amendments, if necessary for the exercise of any development right, including, but not limited to, amendments to qualify the Association or the property, or any portion thereof, for tax exempt status, or to reflect any plat change to the property as permitted herein.

(b) Amendments to correct any obvious error or inconsistency in drafting, typing or reproduction.

(c) Amendments to conform to the requirements of any law or Governmental Entity having legal jurisdiction over the Properties or to qualify the Properties or any Lots and improvements thereon for mortgage or improvement loans made, insured or guaranteed by a governmental agency or to comply with the requirements of law or regulations of any corporation or agency belonging to, sponsored by, or under the substantial control of, the United States Government or the State of North Carolina, regarding purchase or sale in such Lots and improvements, or mortgage interests therein, as well as any other law or regulation relating to the control of Properties, including, without limitation, ecological controls, construction standards, aesthetics, and matters affecting the public health, safety and general welfare. A letter from an official of any such corporation or agency, including, without limitation, the Veterans Administration, U.S. Department of Housing and Urban Development, the Federal Home Loan Mortgage Corporation, Government National Mortgage Corporation, or the Federal National Mortgage Association, requesting or suggesting an amendment necessary to comply with the requirements of such corporation or agency shall be sufficient evidence of the approval of such corporation or agency, provided that the changes made substantially conform to such request or suggestion.

Section 9. Indemnification. No immunity, exculpation or indemnification provision of this Declaration shall relieve one or more Owners from its liabilities as an Owner under this Declaration and other Governing Documents

Section 10. Recordation. No amendment shall be effective until recorded in the County in which the Property is situated.

IN WITNESS WHEREOF, the undersigned Declarant has hereunto set its hand and seal, this 10 day of October, 2006.
