NORTHBROOK

Illinois

The earliest recorded residents of the Northbrook area were the Potawatomi tribe under Chief Shabbona. In 1833 the tribe ceded their land in Illinois and relocated near Council Bluffs, Iowa. Joel Sterling Sherman and his family bought 159 acres for \$1.25 per acre in the northwest quarter of Section 10. This is the site of the Northbrook Central Business District.

Soon after Mr. Sherman bought that land the area was named Shermerville after Mr. Frederick Schermer who donated the land for the first railroad station (Schermer Station and later Shermer Station). By the 1870's the region was a farm town with well-established brick yards which prospered during the rebuilding that followed the Great Chicago Fire in October of 1871.

In 1901 following a close referendum, the town was incorporated as Shermerville with about 60 homes and 311 residents. By 1921, residents felt that the Shermerville name had a bad reputation. After a contest, the new name of Northbrook, submitted by Edward Landwehr, was adopted as the official name in 1923. At that time there were 500 residents.

Northbrook did not grow rapidly until after World War II when subdivisions of homes were first developed. In 1940 the population was 1,265, but by 1960 the population was 11,635. Another growth spurt was stimulated by the completion in 1963 of a water line to bring Lake Michigan water to Northbrook's new water treatment plant. By 1970 the population had more than doubled to 25,422. The current population is 33,435 (2000 census).

Enrollment: 396

Student Service: Young Explorers Pre-K through 5th Grade

School Colors: Blue and White

Mascot: Bulldog

Academics

Students K-5 receive a full day of core content academics- literacy studio (reading & writing), mathematics, science, and social studies. First through fifth grade also participate in Spanish instruction five days a week. In addition to core content, students have physical education five days a week, with music and art instruction twice a week. Students 3rd -5th grade have the option of participating in band/orchestra and are provided weekly lessons from our district music department

It is our goal to partner with parents to create a learning environment that is engaging, challenging, and supportive.

Our students consistently score well above average on local and state assessments. In recent years NBJH has received the Academic Achievement Award by the State of Illinois. NBJH continues to refine curriculum in all content areas as we transition to the implementation of the Common Core Standards and Next Generation Science Standards. As we emphasize comprehensive literacy strategies throughout all classrooms, many of our teachers have adopted the workshop model as an effective instructional tool.

Located just 20 miles north of Chicago in a suburban setting, District 225 offers a public education to approximately 4,700 students in Glenview, Northbrook and portions of unincorporated Northfield Township.

GBN is located in Northbrook and serves approximately 2,000 students. The school was built in 1953 and has experienced numerous renovations to keep pace with the academic, activity and athletic needs of students.

Public Transportation

Metra

The Milwaukee District North Line serves Northbrook with travel to and from Chicago. There are over 25 daily trips from Northbrook to Chicago. The average travel time is 45 minutes.
