What are your specialties in your industry?

SQ: I specialize in urban luxury homes and high-rise condominiums. I never back away from a real estate challenge, and my loyalty, dedication and can-do attitude have helped me create landmark deals and form long-lasting relationships with my clients.

What is your favorite part of your job?

SQ: I enjoy putting together complex and out-of-the-box transactions. The people I work with, both my clients and colleagues, make the job all the more gratifying.

What differentiates your business strategy in the industry?

SQ: My philosophy is:

Where there is a will, there is a way. Don't tell me something cannot be done; just help me find a way to achieve it.

What are some of your most meaningful career highlights?

SQ: I'm proud to have been awarded #1 High Rise Agent MLS from 2014-2023, #1 Individual Agent at Dave Perry-Miller companywide and #1 in Resales at The Residences at the Ritz-Carlton and The Stoneleigh Residences.

What are the positive ways you use your power in your community?

SQ: I am an active member of The Oak Lawn Committee & Uptown Dallas, Inc., advocating for the improvement and future of the area. I support the AT&T Performing Arts Center, Broadway Dallas, City-Square, Bonton Farm, Turtle Creek Association

& Conservancy and the North Texas Food Bank.

Outside of work, what do you love about living in Dallas?

SQ: Dallas is a vibrant, sophisticated city with all the elements to make it a great city, like culture, arts, and a strong entrepreneurial atmosphere. Additionally, I love that Dallas is in the center of the country, so we can do business on either coast, which is made easier by our international airport. Dallas exudes a strong sense of loyalty among our citizens and for our state, as well as a friendly and welcoming atmosphere.
