***Please help me if you're thinking of selling. I have made a client "homeless", now they are looking for a residence in your building with the three-bedroom plus den floor plan.***

"Once we decided to sell our condo in Sarasota, which we had owned for 14 years, we knew that we would meet with Judy about handling the listing. After meeting with her, we were confident that she was the right choice. It was only a matter of days before Judy presented a great offer, followed shortly thereafter by an even better offer that we accepted. Judy's experience, network of contacts, and reputation are the right combination for getting to a favorable outcome quickly!"
