

# 9F Sentinel Court, Unit 9C

CHATHAM TOWNSHIP, NEW JERSEY

Dear Visitor,

We hope you'll enjoy living at 9C Sentinel Court as much as we have.

Though it's a relatively small apartment, it lives big — thanks to the two bonus rooms and the open-concept kitchen-living-dining area. The recent renovations — including the spacious kitchen and new appliances, wood floors, lighting, and crown moldings — give you the charm of an older building with the feel of a new place.

The landscape of rolling lawns, mature trees, flowers, and shrubs is a real plus. We've loved the view from the patio and the walks around the property.

We've also appreciated the direct access to the garage and storage — a genuine time-saver day to day.

And the community itself has been a pleasure. It's a well-managed condo association with a pool and tennis courts, and a diverse, friendly mix of residents ranging from infants to 90-year-olds. It's a nice place to live, and we hope it will be for you too.

Warm regards,

Keith and Arlene Johnson,
