

Lisa Quam

Finest of Vegas at BHHS NV Properties
Fine Home Specialist

Lisa Quam's interest in real estate stemmed from her own experience of buying and selling properties. "I found I had an affinity for the behind-the-scenes process of how real estate transactions were conducted," she says. With nearly 20 years of experience in the luxury division of Berkshire Hathaway HomeServices Nevada, Quam became a solo agent in 2020, earning herself a place in the brokerage's Presidents Circle and also ranked amongst the top five agents in her Summerlin office. She's passionate about assisting buyers in their journey of finding the right home and working with sellers to navigate the sale process.

"I always have my clients' best interest at the forefront of all I do," says Quam. "I thoroughly enjoy meeting new people and helping them through the process of buying or selling." A 100 percent hands-on agent, she personally handles every transaction from start to finish. "I'm at every photo shoot, every showing, every inspection—and everything in between. I handle all of the paperwork, so I know where my transactions are at every moment; nothing falls through the cracks."

She supports and attends the galas for St. Jude, Dress for Success, Clark County Medical Society and the Regeneration Vision Center annually. Quam conducts her life with this simple philosophy: "If you can look back on your day knowing you left nothing on the table, then it was a day well spent. That's what I strive to do each and every day, in both my business and personal life."
