

2024 CELEBRATION OF CHAMPIONS AWARD CEREMONY

Last night at our 2024 Celebration of Champions Award Ceremony, we had the privilege of recognizing one of the most outstanding members of our Realty ONE Group MVP family—Laurel McGarel—with the Coolture Award!

The Coolture Award celebrates individuals who truly embody the heart and soul of our Realty ONE Group Coolture—a culture built on collaboration, innovation, and empowerment. Laurel is the perfect example of what it means to live these values. She leads with action, consistently raising the bar and inspiring those around her to do the same.

Cool + Culture = COOLTURE — Laurel shows us how this equation comes to life every day. Whether she's collaborating with fellow agents, embracing new ideas, or nurturing a sense of community within our team, Laurel is a true leader in every sense.

At Realty ONE Group MVP, we're a family of equals—supporting and celebrating each other as we build something extraordinary together. Our success is rooted in our belief that everyONE has a voice, and by sharing a common passion and positive energy, we're igniting WOW experiences that fuel our growing coolture. Together, we're making an impact as we paint the globe gold, as ONE.

Congratulations, Laurel! This award is a reflection of your incredible dedication and leadership. We're so proud to have you as a part of our family. Keep leading with heart, pushing boundaries, and inspiring us all to be better!
