

/ LIVING LOCAL

Welcome to a neighborhood where charm meets genuine community spirit—where Santa arrives on a firetruck during the holidays, horse-drawn carriages delight children through festive streets, the Easter Bunny makes special visits, and neighbors gather for wine nights at local restaurants that feel like celebrations among friends.

Just beyond your doorstep, Huntington's rich cultural tapestry unfolds. Explore independent galleries and farm-to-table dining in the Village, experience world-class performances at The Paramount, or spend Sunday afternoons discovering new exhibitions at the Heckscher Museum. Berkeley Jackson Park offers year-round recreation, while the harbor provides sunset views and waterfront dining that capture the essence of Long Island living.

This is more than location—it's a lifestyle where every amenity enriches your daily experience.

COMMUNITY SERVICE PROJECT

Be my Valentine ♥♥♥♥♥♥♥♥♥♥

We are excited to announce our first OCH "Be My Valentine" event which is aimed at bringing us together as a community and spreading joy to someone special this Valentine's Day.

As we all know, many elders reside in nursing homes, some of whom do not have family or friends. Additionally, our veterans, who have shown selfless bravery in protecting our freedom, would appreciate a gesture of gratitude. This year's recipients will be Maryville Assisted Living and The Town of Huntington Veterans.

Let us come together and spread love and cheer this Valentine's Day by participating in this event. We encourage adults and children to write a letter or create a card to an elder and a veteran.

The cards should be dropped off in my mailbox at: **10 Beaverhill Lane by Wednesday, February 7th.**

Please do not include any personal information on the cards or envelopes, a first name is sufficient. The children are encouraged to be as creative as they like.

Children will receive a certificate of participation and four OCH community service hours. Names will be entered for a chance to win the Valentine surprise. The winner will be contacted by Lovelee via email or by phone. Parents, please write a little note when dropping off the cards so that I know who to contact.

Your act of kindness can make a big difference in someone's life. Let's show our neighbors that they are not alone and that we care for them. With gratitude,

HOME OF THE BEST TASTING WATER IN SUFFOLK COUNTY

for the **12th** year

The Greenlawn Water District is proud to announce that we have once again been named the winner of Suffolk County's "Best Tasting Water" competition. This marks the 12th time our District has received this honor since the contest began in 1989, along with having earned the "Best Tasting Water in New York State" title twice. We take great pride in serving our residents the highest-quality water each and every day, and it is especially rewarding to be recognized on a countywide scale by those outside our District.

How the Competition Works

Hosted annually by the Long Island Water Conference (LIWC) in celebration of National Drinking Water Week, this year's contest took place May 7-8 at Farmingdale State College. More than 320 attendees participated in a blind taste test of water from providers across Nassau and Suffolk Counties and cast their votes for what they believed was the best tasting water.

Recognition of Our Team's Efforts

This award reflects the dedication and hard work of our employees, who ensure every day that the water we deliver not only tastes great but also meets or exceeds all local, state, and federal safety standards. From daily monitoring to long-term planning, we go above and beyond to comply with the strictest requirements. Protecting the integrity of our community's drinking water is at the heart of our mission and a responsibility we never take lightly.

Thank You to Our Community

We are grateful for the ongoing support and confidence of our residents, which inspires us to keep striving for excellence. We'll make sure the trophy has a safe home for the next year—and we look forward to defending our title in 2026!

Old Chester Hills

Join us for the **May OCH Civic Association Meeting**. This meeting will take place in-person and on Zoom.

DATE: WEDNESDAY, May 15TH

TIME: 7:30PM

Civic Association Newsletter
September 2025

MESSAGE FROM THE PRESIDENT

Dear Old Chester Hills Friends and Neighbors,
As the summer season winds down and September announces the arrival of fall, I want to wish all of our students and

join with us. See the back page of this newsletter for more information.

Be sure to see all of the events listed in this issue of our newsletter. Fall is a busy time of year with so much happening locally for you and your family to be part of and enjoy.

parents a great and successful 2025-2026 school year.

Our September meeting will be held on Wednesday.
