Discover Rhode Island

Ideally positioned near the Warwick–East Greenwich line, this location offers the best of both worlds: everyday convenience paired with coastal New England charm. Just minutes away, downtown East Greenwich is a standout destination, known for its vibrant Main Street lined with locally loved restaurants, cafés, boutiques, and waterfront dining along Greenwich Cove. The historic district adds character and charm, creating a true “go-to” spot for both day-to-day living and weekend plans.

Conimicut Point Lighthouse

Outdoor lifestyle is a major draw here. Residents enjoy easy access to some of Rhode Island’s most beloved parks and waterfront spaces, including Goddard Memorial State Park - a nearly 500-acre coastal park featuring beaches, walking trails, golf, and wide-open green space - as well as Warwick City Park and Conimicut Point, offering scenic shoreline views, bike paths, and picnic areas.

With its proximity to Greenwich Bay, nearby marinas, and a variety of recreational options - from biking and kayaking to beach days and sunset walks - this area delivers a lifestyle that feels both active and relaxed.
