Your Kauai Referral Source

Aloha!

As Kauai's #1 selling Realtor, I am at your service, and uniquely qualified to help you with your client referrals to Kauai. I have had great success working with referrals from mainland Realtors and international brokers whose clients are now happy property owners on one of the most beautiful islands in the world.

I would consider it a privilege to help you in assisting your clients with a Kauai property. Refer them into my capable care, and you'll enjoy the benefit of having a satisfied client along with a referral fee that will be promptly paid upon the successful completion of the transaction and signed referral agreement.

According to Hawaii Information Service (Kauai's MLS), I have assisted more buyers & sellers since 2005 with their homes & condos than any other real estate agent on Kauai.

Please consider me your Kauai referral source when you have a client needing exceptional representation on Kauai.

I look forward to successfully closing your next Kauai referral!

Mahalo & warm regards,
