

PROPERTY FEATURES:

23 YUCCA HILLS ROAD
CASTLE ROCK, COLORADO

PROPERTY OVERVIEW

- Nearly 10 private acres offering the peace and spaciousness of country living, less than 5 minutes from downtown Castle Rock.
- Backs to the 383-acre Philip S. Miller Park for hiking, biking, and zip lines, plus hundreds of acres of conserved open space.
- Unobstructed Pikes Peak and Front Range views from 113 windows throughout the home.
- The raised ranch layout places all principal living areas on the upper level, where the views are most commanding, with spacious living and recreation spaces on both levels.
- Fantastic outdoor living from multiple patios and decks, with lily pond water feature and private white sand beach sitting area.
- Over \$300,000 invested into the property in 2022, built for beauty, comfort, and energy efficiency.
- Hilltop location with unobstructed views of neighboring towns' fireworks displays, all the way north to Denver, on the Fourth of July.
- Sweeping asphalt driveway with circular motor court, wrapping down to the heated 4-car garage and detached barn.
- 2,000 square foot detached barn/workshop, with non-conforming ADU above.
- An array of wildlife including deer and 114 bird species documented by owners
- No restrictive covenants.
