

FLOOR PLAN

YOU WILL LOVE

a light-filled four-season room overlooking the backyard and golf course.

Outside, professionally designed privacy landscaping surrounds the in-ground pool, outdoor kitchen, and built-in gas grill, all framed by golf course frontage and tranquil pond views.

The oversized room over the garage is perfect as a 4th bedroom, home office, or bonus room

Chef's kitchen with an oversized island with custom dry bar and wine cooler

Soaring ceilings and extensive custom trim work
