

ACCESSIBILITY STATEMENT

If you need assistance accessing or have any other concerns about the accessibility of - our websites and mobile applications, please contact one of our representatives at (512) 480-0844. We will work with you to provide the information you need. If you are deaf, hard of hearing, or do not use voice channels to communicate, please contact us via email or via 711 or other relay services.

We aim to promote accessibility and inclusion so as to provide a positive experience to all stakeholders. Our goal is to allow users of our website and mobile applications to successfully and enjoyably gather information using assistive technologies like a screen reader, a magnifier, voice recognition software, or captions for videos.

In this regard, we have or will continue to further enhance the accessibility of our websites, mobile applications, and other technology platforms.

Although we are proud of our efforts to date, accessibility as an ongoing effort. Please contact us (512) 480-0844, if you have any feedback or suggestions to improve the accessibility of our websites, mobile applications, and other technology platforms.
