# 411 FRANCISCO STREET #105F

1,300 SQFT | 2 BED | 2 BATH | 1 PARKING | \$1,350,000

Welcome to 411 Francisco Street, a stylish two-story loft home at the iconic North Beach Malt House, where history and contemporary design meet. This two-bedroom, two-bathroom condominium combines dramatic architecture with thoughtful updates, creating a warm and sophisticated retreat in the heart of the city.

Oversized windows flood the open living and dining areas with light, while newly refinished wood floors and fresh paint provide a crisp, modern feel. The kitchen has been enhanced with a Heath handmade tile backsplash, stainless steel appliances, and sleek finishes—perfect for both daily living and entertaining.

The upstairs level offers a retreat-like primary suite with a spacious bedroom and loft area with two oversized closets. The loft, with its plentiful natural light is ideal for an office nook, workout space, or second lounge area. Both bathrooms in the home were recently updated adding a fresh feel, including luxurious heated floors and Walker Zanger tiles in the primary. The stacked washer and dryer are conveniently tucked into the layout of this very special home.

The Malt House community is beloved for its unique industrial character, landscaped courtyards, and unbeatable North Beach location—just steps from the waterfront, restaurants, and shops. Enjoy the convenience and security of deeded indoor parking, additional storage, and a designated bicycle cage included with the residence. This unbeatable location offers enviable walkability and easy transit options including cable cars and streetcars to trendy North Beach spots like Bodega, Tony's Pizza, Original Joes, or relaxing park days at Washington Square Park and nearby Coit Tower.

411 Francisco Street #105F invites you to enjoy an airy, light-filled lifestyle in one of San Francisco's most vibrant neighborhoods.
