

ONE PARK TOWER

BY TURNBERRY

LUXURY DESIGNER RESIDENCES BY MEYER DAVIS

*World-class architecture and design inspired by the
extraordinary surrounding natural environment –
the Atlantic Ocean, Biscayne Bay, and a 1,000-acre park.*

Residents of ONE Park Tower enter their private oasis along a lushly landscaped drive featuring emerald greenways and tropical palms.

ONE Park Tower Is Where Luxury Soars to New Heights

ONE Park Tower by Turnberry is the newest addition to SoLé Mia, a 184-acre city-within-a-city. This luxurious condominium experience is being brought to life by South Florida's most accomplished real estate visionary — Turnberry. Uniquely elegant, ONE Park Tower is surrounded by breathtaking panoramic views over the Atlantic Ocean, Biscayne Bay, and Oleta River State Park. Its grounds are lushly landscaped and feature an unparalleled collection of indoor and outdoor amenities, including a seven-acre Crystal Lagoon™ with private access to sandy beaches, as well as world-class hospitality-style services. From sophisticated architecture by Arquitectonica and interiors by Meyer Davis Studio to exquisitely imagined gardens by Enzo Enea, every element of ONE Park Tower has been thoughtfully conceived.

Set between Biscayne Boulevard and Biscayne Bay just 20 minutes from Miami Beach and Downtown Miami, ONE Park Tower offers peerless accessibility to the extraordinary lifestyle of South Florida, from sports and entertainment to luxury shopping and fine dining.

Set within Solé Mia, a 184-acre master-planned community between Biscayne Boulevard and Biscayne Bay alongside Oleta River State Park, ONE Park Tower places residents in the heart of the most exciting new community South Florida has seen in a generation. Its location — just 20 minutes from Miami Beach and Downtown Miami, and moments from Florida International University — is ideal for those who seek a serene tropical oasis with a seamless connection to the greater metropolitan area. In addition to The Village at Solé Mia, which will offer pedestrian-friendly, open-air dining, shopping, and entertainment, residents have seamless access to 37 acres of active and passive greenspace with 8 miles of biking and running trails. World-class shopping is nearby at Aventura Mall and the world is at residents' doorstep via Fort Lauderdale International Airport and Miami International Airport. Planning is also in progress to bring top-ranked private and charter schools to Solé Mia, offering premier educational opportunities just steps from home.

Architecture by Arquitectonica

Arquitectonica is an award-winning Miami-based firm with offices worldwide. Founded in 1977, it is led by Bernardo Fort-Brescia, Laurinda H. Spear, and Raymond Fort. Its work, which includes mixed-use developments, resorts, hotels, luxury condominiums, schools, universities, and museums, has been featured in leading publications including Architectural Record, Progressive Architecture, Time, Fortune, Abitare, and Domus. Its designs have also been exhibited in major museums across the world. Luxury residential properties by Arquitectonica include Icon Brickell, Marquis Miami, Atlantis, Beach House 8, and 500 Brickell. The firm also designs hotels that redefine the guest experience and has worked on hospitality projects, some with spas, including Mr. C Coconut Grove, Mandarin Oriental, St. Regis, Westin, W, Four Seasons, Banyan Tree, Canyon Ranch, Raffles, Viceroy, and many others.

Landscape Architecture
by Enzo Enea

Enea is one of the world's leading landscape architecture firms. The firm's staff of approximately 200 people is composed of a multi-disciplinary team of professionals, with backgrounds in landscape architecture, architecture, interior design, technical design, engineering, construction, and botany. These diverse team members come from over 10 countries, speak more than 15 languages, and bring to Enea a global perspective in landscape architecture and design. The firm is widely known for its ability to deal with the complex design and construction of a variety of projects including private gardens and terraces, restaurants, hotels and resort environments, corporate gardens, and public parks, as well as golf courses. The unique strength of the company lies in its capacity to offer its clients a complete in-house service package, inclusive of the total realization and implementation of a project. Enea begins his work with the planning and construction phases, the design and installation of irrigation and lighting systems, and comprehensive garden care, and finalizes each project with the furnishings of the gardens.

Interior Design
by Meyer Davis Studio

Meyer Davis is a globally recognized New York City-based design boutique specializing in residential, hospitality, retail, and workplace environments. Founded in 1999 by Will Meyer and Gray Davis, the firm has established itself at the forefront of high-end commercial and residential design practices throughout the U.S. and abroad. Meyer Davis designs seamless physical experiences tailored to its clients' individuality, combining principles of great design with a clear vision for the experience it seeks to create. The designers consider each new project an opportunity to bring a unique and powerful story to life. Playing with space, form, texture, and light, they develop a visual experience that seeks to compel and inspire. Meyer Davis believes that great design works on multiple levels, weaving together bold design moves and striking details to ensure that when completed, each project makes an immediate and lasting impact.
