DESIGN TEAM

Nichols Architects - Renowned South Florida Architect with \$5 billion in projects — from mixed-use centers and high-end residential buildings to commercial spaces and world-renowned hotels—the firm has left its indelible mark in the United States and the Caribbean, Central and South America, and Mexico. Among its clientele are some of the most revered names in hospitality and development, including but not limited to Marriott, Hilton, Hyatt, and Ritz-Carlton. Whether creating luxurious spaces for Waldorf Astoria or crafting mixed-use marvels for the Adler Group, Nichols Architects blend experience, innovation, and architectural prowess to exceed the expectations of even the most discerning clients.

HLS Design Interiors - An American Designer known for creating timeless spaces inspired by modern classicism. Since opening her namesake firm in 2005, HL Studio Design, Hillary has collaborated with clients to achieve interior landscapes that synergistically blend the refined use of materials, a developed sense of color, and strong silhouettes. The spaces that she and her studio design combine a rich narrative while honoring the history and architecture of a project. HL Studio Design has designed luxury residences in Colorado, Florida, New York, New Jersey, and Texas and multi-family projects in Florida, Texas, Colorado, and Illinois.
