A note from Cindy

As I reflect on this career milestone I'm flooded with an array of emotions.

I entered the real estate business at arguably the worst possible time — the 2008 financial crisis — and it's not lost on the Cindy Ambuehl Group that today, amidst the challenging circumstances of 2020, we've reached our one billion dollar mark in sales volume. I can't help but be honored, proud, and humbled all at the same time.

Home has never been more important, and what means the most to me in reflection of this milestone moment is how many clients I've been able to support in their voyage home. It's a sentiment that anchors me in my work and my passion for this business every day.

Thank you to my remarkable team and clients for your support and trust in me over the years. It's an honor and privilege to work alongside you.

With gratitude,

Cindy
