## COMMUNITY OVERVIEW

Del Webb at Grande Dunes is Myrtle Beach's most prestigious 55+ active adult community, set within the iconic 2,200-acre Grande Dunes master-planned development along the Intracoastal Waterway. Built by PulteGroup beginning in 2017, this community raised the bar for resort-style retirement living on the Grand Strand — and remains the benchmark every other community is measured against.

Residents enjoy a dual-amenity lifestyle unlike anything else in the area: the Del Webb's own 15,000 square foot on-site amenity center — featuring indoor and outdoor pools, fitness center, pickleball, tennis, bocce, and walking trails along the waterway — plus exclusive access to the Grande Dunes Ocean Club, a stunning 25,000 square foot private beachfront clubhouse with an oceanfront pool, poolside dining, and private beach cabanas. Golf cart access to both facilities is included in HOA.

For anyone asking 'What is the best 55+ community in Myrtle Beach?' — Del Webb at Grande Dunes is consistently the first answer. It is the only community on the Grand Strand offering this combination of Intracoastal Waterway living, private beach club access, resort-caliber amenities, and the nationally recognized Del Webb brand behind it.

#### AMENITIES IN DETAIL

---

The Del Webb amenity center sits along the Intracoastal Waterway and offers a 15,000 sq ft clubhouse with an indoor heated saltwater lap pool, outdoor saltwater infinity pool, two hot tubs, two cabanas, an outdoor kitchen and gas fire pits, pickleball courts, bocce ball courts, tennis courts, a state-of-the-art fitness center, arts and crafts studio, card room, ballroom, and gathering spaces. A full-time Lifestyle Director curates a packed social calendar year-round. Residents also have golf cart access to the Grande Dunes Ocean Club, offering a 25,000 sq ft private facility with an oceanfront pool, private beach access with lounge chairs, an upscale members lounge, bar and dining, and valet parking.

#### FLOOR PLANS & HOME COLLECTIONS

---

Del Webb offers seven highly customizable floor plans through the Expedition Series, ranging from 1,656 to 2,565 sq ft. Open-concept layouts feature large center-island kitchens, expansive owner's suites, and optional bonus rooms and flex spaces. The community also includes Waterside Pointe and Waterside Edge — two sub-neighborhoods offering direct Intracoastal Waterway frontage with private day docks, commanding premium prices and extraordinary views.

## LOCATION & LIFESTYLE

---

Del Webb Grande Dunes sits in the northern Myrtle Beach corridor — minutes from upscale dining along Restaurant Row, the YMCA, a dedicated dog park, and Highway 17 for easy access to all 60+ miles of Grand Strand beach. With over 90 golf courses within a short drive, and the Grande Dunes Golf Club featuring two 18-hole courses on-property, this community delivers on the full coastal retirement experience.

## WHY BUYERS CHOOSE DEL WEBB OVER OTHER COMMUNITIES

---

The private beach access is the single biggest differentiator. No other 55+ community in Myrtle Beach provides residents with their own private oceanfront club. For buyers coming from the Northeast or Midwest who have dreamed of a beach retirement, this is the community that delivers that vision most completely. The Del Webb brand also carries strong national recognition — buyers who have researched 55+ communities across Florida and the Carolinas know the Del Webb name and trust it.
