**CEO  
KRISTEN JONES REAL ESTATE**

**HIGHLIGHT OF THE YEAR** I transformed a waterfront listing to get it ready for market in Ford's Landing. It sold for 15% more than the asking price. It is always rewarding to leverage my keen eye for design to get top dollar for my clients. This was a record breaking sale!

**GREAT EXPECTATIONS** I'm a true full-service agent with trusted local connections and an exceptional team of vendors to ensure every detail is handled flawlessly. Unlike many agents who simply list and wait, I take a hands-on approach. From guiding everything from full kitchen and bathroom renovations to selecting the perfect hardwood finish, my clients count on me to elevate their homes and their results, every step of the way.

**LIFE MANTRA** Positive energy attracts positive outcomes.

**FAVORITE LOCAL BUSINESS** Boxwood, Red Barn Merchantile, Penny Post, Stylists at North, Old Town Shoe and Luggage Repair.
