3.01 Purposes, Powers and Duties of the Association: The Association shall be formed as a non-profit civic organization for the sole purpose of performing certain functions for the common good and general welfare of the people of the Development. The Association shall have no power or duty to do or perform any act or thing other than those acts and things which will promote in some way the common good and general welfare of the people of the Development. To the extent, and only to the extent, necessary to carry out such purpose, the Association (a) shall have all of the powers of a corporation organized under the Georgia Nonprofit Corporation Code and (b) shall have the power and duty to exercise all of the rights, powers and privileges and to perform all of the duties and obligations of the Association as set forth in this Declaration.

3.02 Membership in the Association: Every Owner shall automatically be a member of

the Association and such membership shall terminate only as provided in this Declaration of Covenants, Restrictions and Easements. For purposes of voting, there shall be two (2) classes of Members as set forth in Section 3.03.

3.03 Voting Rights: Each Owner, with the exception of Declarant, shall be a Class A Member and shall be entitled to one (1) Class A vote per Lot. Where such Owner is a group or entity other than one individual person, the vote on behalf of such Owner shall be exercised only by an individual person as designated in a proxy instrument duly executed by or on behalf of such group or entity, and delivered to the secretary of the Association.

(a) The Declarant shall be the sole Class B Member and shall be entitled to two (2) votes for each Lot Owned; provided, however, in no event shall the Class B Member have less than the total number of Class A votes plus one (1). The Class B Membership shall cease and be converted to Class A Membership at such time as Declarant no longer retains the right to appoint and remove members of the Board and officers of the Association pursuant to Section 3.08 below.

3.04 Board of Directors: A Board of Directors shall manage the affairs of the Association. The number of Directors and the method of election of Directors shall be as set forth in the By-Laws of the Association.

3.05 Suspension of Membership: The Board may suspend the voting rights of any Member and the right of enjoyment of the Common Property of any person who

(a) Shall be delinquent in the payment of any assessment levied by the Association pursuant to the provisions of Article IV hereof; or

Such suspension shall be for the balance of the period in which said Member or person shall remain in violation, breach or default, as aforesaid, except that in the case of a violation described in subsection (c) of this Section 3.05, the suspension may be for a period not to exceed 60 days after the cure or termination of such violation. No such suspension shall prevent an Owner's ingress to or egress from his Lot.

3.06 Termination of Membership: Membership shall cease only when a person ceases to be an Owner

3.07 Voting Procedures: The procedures for the election of Directors of the Association and the resolution of such other issues as may be brought before the membership of the Association shall be governed by this Declaration, the Georgia Nonprofit Corporation Code, the Articles of Incorporation of the Association, and the By-Laws of the Association, as each shall from time to time be in force and effect.

3.08 Controls by Declarant:

(a) Notwithstanding any other language or provision to the contrary in this

Declaration, in the Articles of Incorporation, or in the Bylaws of the Association, Declarant hereby retains the right to appoint and remove any members of the Board of the Association and any officer or officers of the Association until 15 days after the first of the following events shall occur: (i) the expiration of five (5) years after the date of the recording of this Declaration; (ii) the date upon which seventy-five (75%) of the Lots intended by Declarant to be a part of the Development have been conveyed to Owners other than a person or persons constituting Declarant; or (iii) The surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant.

(b) Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section, such right shall automatically pass to the Owners, including Declarant if Declarant then owns one or more Lots; and a special meeting of the Association shall be called at such time. At such special meeting the Owners shall elect a new Board of Directors which shall undertake the responsibilities of the Board and Declarant shall deliver the books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contacts executed by or on behalf of the Association during such period which Declarant has in its possession. Each Owner by acceptance of a deed to or other conveyances of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided in this Section. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law and any other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

3.09 Monitoring Services: The Association may, but shall not be obligated to, maintain or support or contract for the provision of monitoring services within the Development. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of safety within the Development, nor shall either of them be held liable for any loss or damage by reason of failure to provide adequate monitoring services or of ineffectiveness of any such measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other monitoring system or measure can not be compromised or circumvented, nor that any such system or measure undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges and understands, and covenants to inform its tenants, that the Association, its Board of Directors and committees and Declarant, are not insurers of safety and that each person using the Development assumes all risks of personal injury, death, and loss or damage to property, including Residences and the contents of Residences, resulting from acts of third parties.

3.10 Indemnification: The Association shall indemnify every officer, director, and committee member against all damages and expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, or committee member, to the fullest extent allowed by law.

ARTICLE IV

ASSESSMENTS

4.01 Covenant for Assessments and Creation of Lien and Personal Obligations: Except for transfers between Declarant and Builder, each Owner of a Lot, jointly and severally, for himself, his heirs, distributees, legal representatives, successors and assigns, by acceptance of a deed for a Lot, whether or not the covenants contained herein shall be expressed in any such deed, hereby covenants and agrees as follows:

(a) To pay to the Association the annual assessments, which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by him;

(b) To pay to the Association any special assessments for capital improvements and other charges, which may or shall be levied by the Association pursuant to this Declaration against all Lots owned by him;

(c) To pay to the Association any specific assessments for capital improvements and other charges, which may or shall be levied by the Association pursuant to this Declaration against any or all Lots owned by him;

(d) That there is hereby created a continuing charge and lien upon all Lots owned by him against which all such assessments are made to secure payment of such assessments and any interest thereon as provided in Section 4.09 hereof and costs of collection including reasonable attorneys' fees;

(e) That such continuing charge and lien on such Lot binds such Lot in the hands of the then Owner, and the Owner's grantees, heirs, devisees, legal representatives, successors and assigns. Such charge and lien is superior to any and all charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon such Lots whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage deed to secure debt, or other instrument, except (i) such liens for taxes or other public charges as are by applicable law made superior, and (ii) all deeds to secure debt given to secure a loan the proceeds of which are used by the Owner (1) to purchase a Lot or Lots (together with any and all Structures which may from time to time be placed or located thereon) and (2) to finance the construction repair or alteration of Structures;

(f) That no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Lot from liability for any assessment thereafter assessed;

(g) That all annual, special and specific assessments (together with interest thereon as provided in Section 4.09 of this Declaration and costs of collection including reasonable attorneys' fees) levied against any Lot owned by him during the period that he is an Owner shall be (in addition to being a continuing charge and lien against such Lot as provided in Section 4.01(d) of this Declaration) a personal obligation which will survive any sale or transfer of the Lot owned by him; provided, however, that such personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by such successor.

4.02 Purpose of Assessment: The assessments levied by the Association shall be used exclusively for the purpose of providing for the common good and general welfare of the people of the new community of the Development, including, but not limited to, the acquisition, construction, improvement, operation, maintenance and equipping of Common Property, the enforcement of the Restrictions contained in this Declaration, the enforcement of the Design Standards of the ACC, the payment of operating costs and expenses of the Association and the payment of all principal and interest when due on all debts owed by the Association.

4.03 Accumulation of Funds Permitted: The Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of annual assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year, but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

4.04 Annual Assessment:

(a) Beginning on the Commencement Date as defined in Section 1.05, each lot will be subject to an annual assessment fee which is set by the Declarant or the Association's Board of Directors. In case of resale of the lot during the year, the annual assessment fee will be prorated between the buyer and the seller. The words "Assessment Year" as used herein shall mean the calendar year with the first Assessment Year commencing on January 1 of the year immediately following the Commencement Date. Transfers from the Declarant to the Builder are not subject to the annual assessment.

(b) After the first Assessment Year the amount of the annual assessment shall be determined pursuant to Section 4.06 below.

(c) Effective on the Commencement Date, a Capitalization Fee will be charged each time the property is sold except for transfers from the Declarant to the Builder. Such fee will be equal to a full one-year assessment fee.

4.05 Special Assessments:

(a) In addition to the annual assessments authorized by this Article IV, the Association may levy, in any Assessment Year and with such frequency as the Association shall deem necessary, special assessments for the purpose of paying, in whole or in part, any unanticipated operating expenses, as well as the cost of any construction, reconstruction, repair or replacement of a capital improvement on any Common Property. Such special assessments may be levied by the Board in any Assessment Year without the approval of the members, which special assessments in the aggregate do not exceed an amount equal to the annual assessment then in effect. Special assessments exceeding said amount shall require the approval of two-thirds (2/3) of the Members of the Association who are present in person or by proxy at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association and this Declaration.

(b) All Members of the Association shall be given neither written notice by the Board not less than thirty (30) nor more than sixty (60) days in advance of any meeting of the Members of the Association at which the Board shall propose taking action pursuant to and Section 4.05 (a). Such written notice shall specify under which Section or Sections the Board will propose action. At such meeting, the presence of Members or of proxies entitled to cast one-third (1/3) of the total votes outstanding shall constitute a quorum. If the required quorum is not present at such meeting, a second meeting may be called by the Board subject to the same notice requirement, and the required quorum at such second meeting shall be twenty-five percent (25%) of the total votes outstanding. No such second meeting shall be held more than sixty (60) days following the first meeting. If the required quorum is not present at the second meeting, the Board may take such action without approval of the Members.

4.06 Assessments Procedures:

(a) The Board shall establish the annual assessment for each Assessment Year at an amount as determined by the provisions of this Article IV, and shall also establish the date during the Assessment Year on which the annual assessment shall be due and payable (such date is hereinafter referred to as the 'Due Date'). The Board shall also establish an annual budget which shall list the estimated operating expenses and shall contain an amount to be set aside each year into a reserve allowance to be used for future repair and replacement of the Common Property; provided, however, in no event shall the Board be required to provide for a reserve sufficient to Cover all such future repair and replacement of the Common Property, it being intended that a portion of such costs may be covered by Special Assessment. The Board shall cause the Association to send to each Owner at least thirty (30) days in advance of the effective date of the budget, a copy of the budget and a written notice setting forth the amount of the annual assessment and the Due Date. After Declarant no longer has the right to appoint or remove members of the Board and officers of the Association, such budget and assessment shall become effective unless disapproved at a meeting by Members representing at least 75% of the total votes in the Association. If the budget proves inadequate for any reason, the Board may

prepare a revised budget for the remainder of the fiscal year, which revised budget shall become effective unless disapproved at a meeting by Members in the same manner as prescribed for the initial budget. There shall be no obligation to call a meeting for the purpose of considering the budget or any revised budget except on petition of the Members as required for special Meetings in the By-Laws, which petition must be presented to the Board within 10 days after delivery of the notice of assessments.

If a budget is not adopted for any year, then until such time as a budget is adopted, the budget in effect for the immediately preceding year shall continue for the current year.

The Board may establish reasonable payment procedures to allow or require payment of the annual assessment in installments during the Assessment Year. The Board shall also establish payment procedures for payment of any special assessments for capital improvements, which may be levied in accordance with the provisions of this Article IV.

4.07 Uniform Rate of Assessment: Both annual and special assessments must be fixed at a uniform rate for all Lots.

4.08 Effect of Nonpayment of Assessments: Any Assessment which is not paid on or before the Due Date shall bear interest after the Due Date at the lower of the highest legal rate of interest which can be charged or the rate of eighteen percent (18%) per annum, or at such rate as the Board may from time to time establish, provided, however, that in no event shall the Board have the power to establish a rate of interest in violation of the laws of the State of Georgia. In the event of default in the payment of any one or more installments of an assessment, the Board may declare any remaining balance of the assessment at once due and payable. In the event that an owner shall fail to pay fully any portion of any assessment prior to the date on which payment is due, such unpaid portion (including any remaining balance declared immediately due and payable in accordance with the preceding sentence), together with interest and costs of collection including reasonable attorneys' fees, shall be a binding personal obligation of such Owner, as well as a lien on such Owner's Lot enforceable in accordance with the provisions of this Declaration.

4.09 Failure to Assess: The failure of the Board to fix the assessment amounts, or to deliver to each Owner the assessment notice, shall not be deemed a waiver, modification or release of any Owner of the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Board.

4.10 Budget Deficits during Control Period: In any fiscal year the Declarant may advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (exclusive of any allocation for capital reserves) and the annual and special assessments for such fiscal year.
