The original Architectural Committee will consist of three nominees of PATTEN CORPORATION SOUTHWEST.

The Architectural Control Committee retains the right in furtherance of a uniform plan for the development of the Subdivision as a residential Subdivision, but subject to the limitations hereinafter recited, to grant variances from the herein recited restrictive covenants and use limitations on the Subdivision, provided that a majority of the Architectural Committee, in the exercise of their best judgment and discretion, are of the opinion that any such variances would be in furtherance of the uniform plan for the development of the Subdivision. The Architectural Committee shall also perform all of the other duties and obligations imposed upon them under the provisions hereof. At such time as Declarant deems advisable, the Declarant will appoint three (3) property owners in the Subdivision to serve as the Architectural Committee for the Subdivision from and after such date by instrument recorded in the Official Public Records of Comal County, Texas. The Architectural Committee so appointed will thereafter serve as the Architectural Committee for the Subdivision until their successors are duly elected as hereinafter provided. The Architectural Committee, including any additional members thereof as hereinafter provided for, shall be vested with all of the duties, powers, prerogatives, and discretions herein conferred upon the original Architectural Committee. Any vacancies in the Architectural Committee by death, resignation, or otherwise will be filled by majority vote of the remaining members of the Architectural Committee by recordable instrument filed in the Official Public Records of Comal County, Texas. The sale of all of his or her property in the Subdivision by any member of the Architectural Committee shall be construed as the resignation of such member from the Architectural Committee. Notwithstanding the foregoing, however, at any time after Declarant has relinquished its proprietary rights and duties hereunder to the Homeowners Association provided for herein, the then owners of a majority of the lots in the Subdivision, with any owners of any lot being considered as one owner, may by majority vote following forty-five (45) days written notice of the forthcoming election, elect a three (3) member Architectural Committee to replace the previously appointed Architectural Committee. Any Architectural Committee so elected shall thereafter be vested with all of the duties, powers, discretions and prerogative of the original Architectural Committee herein provided for, Such election shall be held upon written petition including the signature of a majority of eligible voters. Each husband and wife shall be considered one (1) owner and there will be one (1), and only one (1), vote for each lot in the Subdivision, The Owner of each lot shall be entitled to cast as many votes as there are positions to be filled, but may only cast one (1) vote for each candidate seeking election to the Architectural Committee, the three (3) candidates receiving the greatest number of votes shall then constitute the Architectural Committee with all powers, duties and privileges

heretofore or hereinafter conferred upon such Committee. The Architectural Committee may by letter delivered to the party involved grant variances from any one or more of the above recited limitations and restrictions insofar, and only insofar, as they pertain to individual lots in the Subdivision. Any variances from such limitations and restrictions made or granted by the Architectural Committee pertaining to all of the lots in the Subdivision, except for variances as to paragraph 1, Item "U", may only be made by appropriate written instrument filed in the Official Public Records of Comal County, Texas. Notwithstanding the foregoing, the Architectural Committee shall have no power or authority to grant variances to such limitations and restrictions if such variance would permit the use of any lot in the Subdivision for commercial purposes.

- (V) Homeowners Association/Assessments. When fifty percent (50%) of the lots of the Subdivision are sold or at any time the Declarant deems necessary and prudent, a Homeowners Association will be created and shall be comprised of the owners of the lots in the Subdivision. For purposes of this Homeowners Association, an "owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any lot in the Subdivision, including Buyers under Contracts of Sale and Purchase with the Veterans Land Board of the State of Texas, but excluding the State of Texas, Declarant and those having such interest merely as a security for the performance of an obligation. Any owner owning more than one lot in the Subdivision shall have one (1) vote for each lot owned. This Homeowners Association shall be created by Declarant and Declarant shall formulate the original by-laws governing, its operation. Thereafter, the power to alter, amend, or repeal the by-laws shall be vested in the board of directors of the Homeowners Association, subject to repeal or change by the majority of such owners. Notwithstanding any of the foregoing, the Declarant its successors and assigns, shall have the right, but not the obligation, to maintain any dams and the water ways as stated in paragraph "L" above, within said Subdivision, and shall have the exclusive right to control and regulate all common areas within said Subdivision as well as levy assessments upon such owners in such amounts as Declarant shall deem necessary to raise funds that will be required to maintain and manage the common area, and for the enforcement of these restrictions, until Declarant deems it prudent to assign such right to the Homeowners Association. Each such owner is obligated to pay to the Declarant (or the Homeowners Association following the assignment of Declarant's rights to the Homeowners Association) any assessments which the Declarant (or the Homeowners Association following the assignment of Declarant's rights to the Homeowners Association) deems necessary. If any such owner owns more than one lot in the Subdivision, such owner shall pay only twice the assessment of one (1) lot, no matter how many lots are owned. Such assessments will be secured by a continuing lien upon the property against which such assessment may be made. Any assessments which are not paid when due shall be delinquent. If an assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum or such higher rate as may lawfully be set by the Declarant (or the Homeowners Association following assignment of Declarant's rights to the Homeowners Association) who may bring an action at law against the owner obligated to pay the same and/or bring an action for foreclosure of the lien against the property and interest of the responsible owner, such action to also include costs and reasonable attorneys' fees of any such action, No owner shall otherwise escape personal liability for any assessment by any transfer of the lot or lots owned at the time such

assessment was levied or by non-use of the common area or abandonment of his lot. Said lien shall be junior and subordinate to any lien which may be placed on any lot or any portion of any lot as security for any interim construction loan and/or any permanent loan for financing improvements on said lots, and/or any purchase money loan for any lot on which a dwelling or building complying with these restrictions has theretofore been constructed. At such time as Declarant shall deem prudent, the Homeowners Association shall become responsible for all proprietary functions theretofore having been the sole responsibility of Declarant, including but not limited to any state or county laws, ordinances, and/or regulations, and such Homeowners Association shall indemnify and hold harmless Declarant, its successors and/or assigns from any such liabilities.

(W) Veteran Purchaser Partial Release. Notwithstanding anything contained in the Restrictions to the contrary, a Veteran Purchaser shall be entitled to have a 1.00 acre tract released from the Veterans Land Board for a homesite and same shall not be construed as a violation of the above Restrictive Covenants.
