RE: Approval of 2023 Open Space Land Application

Agricultural use approved on 7.9 acres.

Accounts: 188528

Dear Property Owner:

This office has reviewed and approved your application for special assessment of your land. It is the opinion of the Chief Appraiser that the land does meet the qualifications as set forth in the statute. You will, therefore, be assessed on the basis of productivity value rather than market value on the acreage listed above.

A new application is not required for subsequent years unless the Chief Appraiser requests that you reapply or there is a change in ownership. Also, a landowner is required to notify the Appraisal District immediately if any change of use of the land occurs. Failure to do so will result in a penalty being applied to the tax levy at the time of discovery.

Sincerely,
Dustin Althaus, RPA
Ag Appraiser
