

The Seller Scoop

Living here has been... | Living here has been wonderful! The neighborhood is so peaceful, the neighbors are beyond friendly, and you truly can't beat the convenience of everything.

Room | My favorite room is the living room. I love to watch the morning sunlight drift in and listen to the birds chirp as I'm sipping a cup of coffee with the fireplace on.

Walk | I walk EVERYWHERE! North Hills shopping plaza and restaurants are right around the corner and I walk the lovely neighborhood and greenway daily.

Hike | Stroll, run or bike...there's a huge stretch of greenway where you'll often run into your friendly neighbors.

Lunch | For lunch, you can grab anything from a quick salad at Sweetgreen or a relaxed patio lunch at Vivace, complete with an Aperol Spritz!

Dinner | My favorite dinner spots are RH Rooftop Restaurant for a special night out and Village Tavern North Hills — though there are so many great options to choose from!

Pub/Winery | Great spots for a glass of wine - I love the trendy rooftop at Sixty Vines, the cozy and inviting Foxcroft or the stylish Vita Vite with great wine selections!
