

The Seller Scoop

Living here has been... | Perfect for this season of life. We lived here for 8 wonderful years, and would have stayed indefinitely if we didn't have to relocate for work. We love this house and hope the next owner loves it as much as we did.

View | The view from the living room window across the deck is our favorite. It changes so much from season to season as the leaves change, but it's beautiful in all seasons.

Room | The master spacious bedroom, with its high ceilings and attached bath, is a serene retreat after busy days.

Walk | All of the walking trails in Woodcroft are amazing and made our time living at 3 Hickorywood Square so special. One of our favorite walks is to take the Tobacco Trail to walk to Dulce Cafe for lunch or a sweet treat.

Dinner | We love Pulcinella's in New Hope Commons. Whether you get take out or eat in, the food is always great at this little Italian family owned restaurant.
