

2024 FIVE STAR **REAL ESTATE AGENT**

2024 winner Mel Parsons

Mel Parsons

Realtor/Broker

The Midwife Realtor

- As a former midwife, helping people through major life transitions is something that comes naturally
- Managing the moves of busy professionals in the Seattle area for nearly ten years
- From luxury waterfront homes to starter condos, my clients receive the same service of clear communication, market advice, skilled negotiations and laughter on the way

"Mel was easy to connect with, communicated clearly and always right on time, and most importantly, asked great questions to help us stay focused. When we felt uncertain in a high-pressure moment, Mel grounded us and helped us make a decision without pressure. She's our realtor for life!" — Logan S., 2024
