### ARTICLE IV Use Restrictions

4.1 Architectural Control. In addition to any requirements imposed by the City of Prescott:

4.1.1 All Improvements constructed on Lots shall be of new construction, and no building or other structure shall be moved from other locations onto any Lot without the prior written approval of the Architectural Committee.

4.1.2 No Improvements shall be constructed or installed on any Lot without the prior written approval of the Architectural Committee.

4.1.3 No addition, alteration, repair, change or other work which in any way alters the exterior appearance, including but without limitation, the exterior color scheme, of any Lot, or the Improvements located thereon, shall be made or done without the prior written approval of the Architectural Committee.

4.1.4 Any Owner desiring approval of the Architectural Committee for the construction, installation, addition, alteration, repair, change or replacement of any Improvement which would alter the exterior appearance of his Lot, or the Improvements located thereon, shall submit to the Architectural Committee a written request for approval specifying in detail the nature and extent of the addition, alteration, repair, change or other work which the Owner desires to perform. Any Owner requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans and specifications which the Architectural Committee may request. In the event that the Architectural Committee fails to approve or disapprove an application for approval within thirty days after the application, together with all supporting information, plans and specifications requested by the Architectural Committee have been submitted to it, the application will be considered approved; provided, however, that the subject matter of the application does not violate any specific restrictive covenant herein set forth.

4.1.5 The approval by the Architectural Committee of any construction, installation, addition, alteration, repair, change or other work pursuant to this Section shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar construction, installation, addition, alteration, repair, change or other work subsequently submitted for approval.

4.1.6 Upon receipt of approval from the Architectural Committee for any construction, installation, addition, alteration, repair, change or other work, the Owner who had requested such approval shall proceed to perform, construct or make the addition, alteration, repair, change or other work approved by the Architectural Committee as soon as practicable and shall diligently pursue such work so that it is completed as soon as reasonably practicable and within such time as may be prescribed by the Architectural Committee.

4.1.7 Any change, deletion or addition to the plans and specifications approved by the Architectural Committee must be submitted to and approved in writing by the Architectural Committee. Failure to submit changes, deletions or additions to previously approved plans shall void the original approval.

4.1.8 The Architectural Committee shall have the right to charge a fee for reviewing requests for approval of any construction, installation, alteration, addition, repair, change or other work pursuant to this Section, which fee shall be payable at the time of billing therefor and prior to final approval.

4.1.9 Decisions of the Architectural Committee may be appealed to the Board upon written notice to the Board not more than twenty days following the final decision of the Architectural Committee. The Board shall render a decision with respect to such appeal within twenty days following the receipt of such notice of appeal. The failure of the Board to render a decision within said twenty day period shall be deemed a decision in favor of the appellant. In the event the decision of the Architectural Committee is overruled by the Board on any issue or question, the prior decision of the Architectural Committee shall be deemed modified to the extent specified by the Board. The decision of the Board shall be deemed final and binding and no further appeal of the issue or question presented in the initial appeal shall be allowed. The Board may establish reasonable rules regarding the procedures for considering appeals and may from time to time amend such rules regulating such procedures.

4.2 Residential Use. All Lots shall be used for residential purposes only. Not more than one single family dwelling shall be constructed on each Lot, which shall contain not less than 1,200 square feet of living area, excluding garages, carports and accessory buildings.

4.3 Commercial Use. No store, office or other place of business, no church and no place for the care or treatment of physically or mentally ill or disabled persons or for custodial delinquent domiciling shall ever be erected or permitted upon any of the Lots. No business shall be conducted from any residence which is visible from the exterior or which causes extra traffic. No commercial uses or noticeable home occupations shall be allowed on any Lot.

4.4 Division of Lots. No Lot shall be further divided or subdivided into smaller parcels. However, two adjacent Lots may be combined for construction of a single family residence on the combined Lots.

4.5 Signs. With the exception of "For Rent" or "For Sale" signs which shall not exceed eighteen inches by twenty-four inches in size, no advertising signs or billboards, including but not limited to political signs, shall be erected, placed or permitted to remain on any Lot.

4.6 Nuisances. The land and Improvements on each Lot shall not be used so as to disturb the occupants of adjoining property, or to constitute a nuisance, or to violate any public law or regulation. In addition, no Lot shall be used in such a manner as to create or emit any objectionable, offensive or noxious odors, dust, gas, fumes or materials.

4.7 Storage Sheds. Temporary or removable storage sheds or outbuildings must conform with the nature of the neighborhood and shall require approval by the Architectural Committee before installation.

4.8 Rentals. A Lot together with the Improvements thereon may be rented or leased by the Owner to a single family, but not otherwise.

4.9 Elevated Tanks. No elevated tanks of any kind are allowed. Any tanks for use in connection with any residence on a Lot, including tanks for storage of fuel, must be buried or kept screened by adequate planting or fence work to conceal them from neighboring Lots and streets. Such screening is subject to approval by the Architectural Committee.

4.10 Garbage and Trash. All garbage and trash shall be placed in the rear yard in properly covered containers. There shall be no piles of refuse or junk on any lot at any time.

4.11 Other Objects on Lots. No clotheslines, equipment, service yards or storage piles, other than those approved by the Architectural Committee, shall be kept or maintained on any Lot.

4.12 Mobile Homes; Recreational Vehicles. No mobile homes, manufactured homes, modular homes or prefabricated structures may be installed, placed or stored on any Lot, either as a dwelling or as an accessory structure. No mobile

home, trailer, tent, garage or other structure shall be erected or placed on any Lot for the purpose of temporary living quarters. Recreational vehicles shall be parked so that they do not inhibit a neighbor's view or obstruct street traffic.

4.13 Animals. No poultry, livestock or other animals other than household pets in reasonable numbers shall be maintained on any Lot. Barking dogs or other noisy pets shall not be kept on any Lot.

4.14 Building Height. No building shall exceed twenty-five feet in height, measured from ground level.

#### ARTICLE V General Provisions

5.1 Airport Facilities. All Owners hereby waive any claim against the City of Prescott or the United States government for noise caused by normal use of the adjacent airport facilities by aircraft. However, such waiver is only applicable with respect to aircraft being operated in compliance with designated patterns and approach procedures established by the Federal Aviation Administration for the airport.

5.2 Enforcement. It shall be lawful for the Owner of any Lot or for the Association to institute and prosecute any proceedings at law or in equity for the enforcement of these restrictive covenants against any person or persons violating or threatening to violate these restrictive covenants, including the right to enjoin any breach of these restrictive covenants irrespective of any showing of irreparable damage, and to recover any damages suffered by them from any violation thereof. In the event of any litigation involving this Declaration, the prevailing party in such proceedings shall be entitled to recover from the non-prevailing party all attorneys' fees, costs and expert witness fees incurred by the prevailing party.

5.3 References to this Declaration in Deeds. Deeds to and instruments affecting any Lot may refer to this Declaration; provided, however, that the terms and conditions of this Declaration shall be binding upon all persons affected by its terms, whether express reference is made to this instrument or not.

5.4 Amendment. This Declaration may be amended, from time to time, by the written approval or the affirmative vote, or any combination thereof, of Owners of not less than fifty percent (50%) of the Lots. Any such amendment shall be signed by the President or Vice President of the Association

and shall be recorded in the office of the County Recorder of Yavapai County, Arizona. Any such amendment shall certify that the amendment has been approved as required by this Section.

5.5 Term. The restrictive covenants contained in this Declaration, as the same may hereafter be amended in accordance with Section 5.4, shall remain in full force and effect for a term of ten years from and after the date of recording of this Declaration, after which time they shall automatically be renewed and extended for successive periods of ten years each, unless terminated at any time by an instrument of termination, adopted and recorded in the same manner as set forth in Section 5.4 for the amendment of this Declaration.

5.6 Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable, shall not affect the validity or enforceability of any of the other provisions hereof.

5.7 Terminology. All captions, headings or titles in the articles and sections of this Declaration are inserted for convenience of reference only and shall not constitute a part of this Declaration or a limitation of the scope of the particular article or section to which they apply. All personal pronouns used in this Declaration, whether used in the masculine, feminine or neuter gender, shall, where appropriate, include all other genders and the singular shall include the plural and vice versa.

IN WITNESS WHEREOF, the Antelope Hills Property Owners' Association, an Arizona non-profit corporation, has executed this Amendment as of the day and year first above written.

25 January, 1999

The contents of this envelope are submitted as file records of the approval obtained by the majority of LOT owners in each of Antelope Hills Subdivision and Antelope Hills Second Subdivision on the "Amended and Restated Declaration of Restrictive Covenants" made the date of 17 November 1998.

The approval signatures were obtained during the circulation of copies to each LOT owner during December 1998 and January 1999.

There are 77 lots in the Antelope Hills Subdivision and approval of 55 LOT owners was given for the new "Restrictive Covenants". This is 71% of the owners. In the Antelope Hills Second Subdivision 26 of the LOT owners out of a total 44 gave their approval. This was 59% of the LOT owners.

The above cited approvals are sufficiently in accordance with the requirements of over 50% in each subdivision to allow the AHPOA Secretary to provide "Certification" of the Restrictive Covenants and proceed with the recording of the document at the County Recorder's Office.

Respectfully submitted,
