PROPERTY AND PERSONS BOUND BY DECLARATION

2.1 Purpose and Binding Effect.

Declarant is the record owner of fee title to the Property. Declarant intends by this Declaration to impose upon the Property covenants, conditions, restrictions and easements to create a general plan of development for the Property and to provide a flexible and reasonable procedure for the administration, maintenance, preservation, use and enjoyment of the Property. The Declarant declares that all of the Property shall be held, sold, used and conveyed subject to the easements, restrictions, conditions and covenants set forth in this Declaration which are for the purpose of protecting the value, desirability and appearance of the Property. Declarant further declares that all of easements, restrictions, conditions and covenants in this Declaration shall run with the Property and shall be binding upon and inure to the benefit of the Declarant and all Owners, Lessees and Residents and all other Persons having or acquiring any right, title or interest in the Property or any part thereof, their heirs, successors, successors in title and assigns. Each

Person who acquires any right, title or interest in the Property, or any part thereof, agrees to abide by all of the provisions of the Community Documents. This Declaration shall be binding upon and shall be for the benefit of and enforceable by the Association. Declarant makes no warranties or representations, express or implied, as to the binding effect or enforceability of all or any portion of the Community Documents, or as to the compliance of any of the provisions of the Community Documents with public laws, ordinances and regulations applicable thereto.

2.2 Disclaimer of Implied Covenants.

Nothing contained in this Declaration and nothing which may be represented to a purchaser by real estate brokers or salesmen shall be deemed to create any implied covenants, servitudes or restrictions with respect to the use of any property subject to this Declaration.

2.3 Annexation of Additional Property

Additional real property may be annexed to and become subject to this Declaration as hereinafter set forth (the "Annexed Property").

Declarant intends to develop the Property sequentially on a phased basis. Declarant may, however, elect not to develop all or any part of the additional real property anticipated to be included with the Property, nor shall Declarant be obligated to annex all or any portion of any other real property presently contemplated or intended to be included with the Property. A Supplemental Declaration shall be writing in recordable form that annexes additional real property to the plan of the Declaration and that incorporates by reference all of the covenants, conditions, restrictions, easements and other provisions of this Declaration. Supplemental Declarations may contain such complementary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any of the Annexed Property. After annexation, the Annexed Property shall be part of the Property for all intents and purposes of the Declaration, and all of the Owners of Lots in the Annexed Property shall automatically be Owners and Members as defined in this Declaration.

ARTICLE 3

ARCHITECTURAL CONTROL

3.1 Approval Required.

As used in this Article 3, "Construction" means any devegetation, excavation or grading work or the construction, erection or installation of an Improvement on a Lot, and "Modification" means an addition, alteration, repair, change or other work which in any way alters the exterior appearance of any Improvement located on a Lot. No Construction or Modification shall be made or done without the prior written approval of the Architectural Review Committee. The provisions of this Article do not apply to, and approval of the Architectural Review Committee shall not be required for, any Construction or Modification or any other work made by, or on behalf of, the Declarant.

Any Owner desiring approval of the Architectural Review Committee for any Construction or Modification shall submit to the Architectural Review Committee a written request for approval specifying in detail the nature and extent of the Construction or Modification which the Owner desires to perform. The request for approval must be accompanied by plans or specifications showing the nature, kind, color, shape, height, materials and location of the Improvements and such other information as may be required by the Design Guidelines. Any Owner requesting the approval of the Architectural Review Committee shall also submit to the Architectural Review Committee any additional information, plans and specifications which the Architectural Review Committee may request.

In the event that the Architectural Review Committee fails to approve or disapprove a complete application for approval within forty-five (45) days after the application, together with any fee payable pursuant to Section 3.6 and all supporting information, plans and specifications requested by the Architectural Review Committee, have been submitted to the Architectural Review Committee, approval will not be required and this Section will be deemed to have been complied with by the Owner who requested approval of such plans. The approval by the Architectural Review Committee of any Construction or Modification shall not be deemed a waiver of the Architectural Review Committee's right to withhold approval of any similar Construction or Modification subsequently submitted for approval.

3.2 Review of Plans.

In reviewing plans and specifications for any Construction or Modification, the Architectural Review Committee may consider any and all factors which the Architectural Review Committee, in its sole and absolute discretion, determines to be relevant including, but not limited to: (a) the harmony of the proposed Improvements with existing Improvements in the Project or with Improvements previously approved by the Architectural Review Committee but not yet constructed; (b) the location of the proposed Improvements in relation to existing topography, finished grade elevations, roads, Common Area and other structures; (c) the exterior design, finish materials and color of the proposed Improvements; and (d) compliance of the proposed Improvements with this Declaration and the Design Guidelines. The Architectural Review Committee may

disapprove plans and specifications for any Construction or Modification even though the plans and specifications may be in substantial compliance with this Declaration and the Design Guidelines if the Architectural Review Committee, in its sole and absolute discretion, determines that the proposed Construction or Modification, or some aspect or portion thereof, is undesirable or unattractive.

Decisions of the Architectural Review Committee may be based on purely aesthetic considerations. Each Owner acknowledges that determinations as to such matters are purely subjective and opinions may vary as to the desirability and attractiveness of certain Improvements. Each Owner agrees that the decision of the Architectural Review Committee shall be final on all matters submitted to it pursuant to this Declaration.

The approval required of the Architectural Review Committee pursuant to this Article 3 shall be in addition to, and not in lieu of, any approvals or permits which may be required under any federal, state or local law, statute, ordinance, rule or regulation.

The Architectural Review Committee, by resolution, may exempt certain Construction or Modifications from the application and approval requirements of this Article, provided such Construction or Modifications are undertaken in strict compliance with the requirements of such resolution. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. Any Owner may remodel, paint or redecorate the interior of a Residence without approval so long as such activity does not affect the exterior appearance of the Residence.

3.3 Variances.

The Architectural Review Committee may authorize variances from compliance with any provision of the Design Guidelines in circumstances where the design meets the intent of the provision sought to be varied and where granting of the variance would enhance design innovation and excellence, or when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations so require, and the Architectural Review Committee determines, in its sole discretion, that the objective of the particular requirement can still be achieved. No variance shall be effective unless in writing and signed by an authorized representative of the Architectural Review Committee. No variance may be contrary to this Declaration or estop the Architectural Review Committee from denying a variance in other circumstances including, without limitation, circumstances similar or identical to circumstances under which the Architectural Review Committee previously granted a variance. For purpose of this Section, the inability to obtain approval of any governmental agency, issuance of any permit, or the terms of any financing shall not constitute hardships.

3.4 Construction of Improvements.

Upon receipt of approval from the Architectural Review Committee for any Construction or Modification, the Owner who had requested such approval shall proceed with the Construction or Modification approved by the Architectural Review Committee as soon as practicable and shall diligently pursue such Construction or Modification so that it is completed as soon as reasonably practicable and within such time as may be prescribed by the Architectural Review Committee.

3.5 No Changes Without Approval.

Any Construction or Modification approved by the Architectural Review Committee must be done or performed in accordance with the plans and specifications approved by the Architectural Review Committee. No change, deletion or addition to the plans and specifications approved by the Architectural Review Committee may be made without the prior written approval of the Architectural Review Committee.

3.6 Review Fee.

The Architectural Review Committee shall have the right to charge a fee for reviewing requests for approval of any Construction or Modification, which fee shall be payable at the time the application for approval is submitted to the Architectural Review Committee. The fee charged by the Architectural Review Committee may include the actual or estimated fees or costs incurred or anticipated to be incurred by the Architectural Review Committee in consulting with, or having the application reviewed by, architects, engineers or other professionals. The Association may retain architects, engineers or other persons as deemed necessary to review applications or otherwise assist the Architectural Review Committee.

3.7 New Construction.

All Improvements constructed on Lots shall be of new construction, and no buildings or other structures shall be removed from other locations on to any Lot.

3.8 No Warranty.

The approval by the Architectural Review Committee of any Construction or Modification shall not be deemed a warranty or representation by the Architectural Review Committee as to the quality of such Construction or Modification or that such Construction or Modification conforms to any applicable building codes or other federal, state or local law, statute, ordinance, rule or regulation.

3.9 Conditional Approval.

The Architectural Review Committee may condition its approval of plans and specifications upon the agreement by the Owner submitting such plans and specifications to furnish to the Association a bond or other security acceptable to the Architectural Review Committee in an amount determined by the Architectural Review Committee to be reasonably sufficient to: (a) assure the completion of the proposed Improvements or the availability of funds adequate to remedy any nuisance or unsightly conditions occurring as a result of the partial completion of such Improvement, and (b) repair any damage which might be caused to any Area of Association Responsibility as a result of such work. Provided there is no damage caused to any Area of Association Responsibility by the Owner or its agents or contractors, any such bond shall be released or security shall be fully refundable to the Owner upon the completion of the Improvements in accordance with the plans and specifications approved by the Architectural Review Committee and the Owner's written request to the Architectural Review Committee.

3.10 Improvements to Areas of Association Responsibility.

If plans and specifications submitted to the Architectural Review Committee pertain to an Improvement which is within an Area of Association Responsibility so that the Association is responsible for the maintenance, repair and replacement of such Improvement, the Architectural Review Committee may condition its approval of the plans and specifications for the proposed Construction or Modification with respect to the Improvement on the agreement of the Owner to reimburse the Association for the future cost of the repair, maintenance or replacement of such Improvement.

3.11 Architectural Review Committee.

So long as the Declarant owns one or more Lots, the Declarant shall have the sole right to determine the number of members on the Architectural Review Committee and to appoint and remove the members of the Architectural Review Committee. At such time as the Declarant no longer owns any Lot, the Board shall determine the number of members on the Architectural Review Committee, and the members of the Architectural Review Committee shall be appointed and may be removed by the Board. The Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Review Committee, and in that event the Declarant may require, for so long as the Declarant own any Lot, that specified actions of the Architectural Review Committee, as described in a Recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

The Architectural Review Committee may adopt, amend and repeal architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures may include, without limitation, provisions regarding: (a) the size and height of Residences; (b) architectural design, with particular regard to the harmony of the design with the surrounding structures and typography; (c) placement of Residences

and other buildings; (d) landscaping design, content and conformance with the character of the Property and permitted and prohibited plants; (e) requirements concerning exterior color schemes, exterior finishes and materials; (f) signage; (g) perimeter and screen wall design and appearance; (h) time periods for commencement and completion of any approved construction or modification; and (i) rules and regulations governing construction activities. Any adoption, amendment or repeal of the Design Guidelines after the Declarant no longer has the right to appoint the Architectural Review Committee must be approved by the Board.

The Architectural Review Committee may establish one or more subcommittees consisting of one or more members of the Architectural Review Committee and may delegate to such subcommittee or subcommittees the authority and power of the Architectural Review Committee to approve or disapprove any Construction or Modification within a specified portion of the Project.

ARTICLE 4

USE RESTRICTION

4.1 Residential Use.

All Residences shall be used, improved and devoted exclusively to residential use. No trade or business may be conducted on any Lot or in or from any Residence, except that the Owner, Lessee or other Resident of a Residence may conduct a business activity within the Residence so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Residence; (b) the business activity is a legal activity and conforms to all applicable zoning ordinances or requirements for the Project; (c) the business activity does not involve persons coming to the Lot to purchase goods or services or the door-to-door solicitation of Owners, Lessees or Residents in the Project; (d) the use of the Residence for trade or business in no way destroys or is incompatible with the residential character of the Residence or the surrounding neighborhood; (e) the trade or business is conducted only inside the Residence, and does not involve the viewing, purchasing or taking delivery of goods or merchandise at, to, from or in any Residence; (f) the trade or business is conducted by a Resident or Residents of the Residence with no employee working in or from such Residence who is not a Resident thereof; (g) the volume of vehicular or pedestrian traffic or parking generated by such trade or business does not result in congestion or be in excess of what is customary in a residential neighborhood; (h) the trade or business does not utilize flammable liquids or hazardous materials in quantities not customary to a residential use; and (i) the use of the Residence for a trade or business does not violate any other provision of the Community Documents.

The terms "business" and "trade" as used in this Section shall be construed to have ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation or other form of consideration, regardless of whether: (a) such activity is engaged in full or part time; (b) such activity is intended or does generate a profit; or (c) a license is required for such activity. The leasing of a Residence by the Owner thereof shall not be considered a trade or business within the meaning of this Section.

4.2 Temporary Occupancy and Temporary Buildings.

No trailer, basement of any incomplete building, tent, shack, garage or barn, and no temporary buildings or structures of any kind, shall be used at any time for a residence, either temporary or permanent. Temporary buildings, trailers or other structures used during the construction of Improvements approved by the Architectural Review Committee shall be removed immediately after the completion of construction, and in no event shall any such buildings, trailers or other structures be maintained or kept on any property for a period in excess of twelve months without the prior written approval of the Architectural Review Committee.

4.3 Nuisances; Construction Activities.

No rubbish or debris of any kind shall be placed or permitted to accumulate on any Lot or other property, and no odors or loud noises shall be permitted to arise or emit there from, so as to render any such property or any portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the Residents of such other property. No condition shall be permitted to exist or operate upon any Lot or other property so as to be offensive or detrimental to any other property in the vicinity thereof or to its Residents. Normal construction activities and parking in connection with the building of Improvements on a Lot shall not be considered a nuisance or otherwise prohibited by this Declaration, but Lots shall be kept in a neat and tidy condition during construction periods, trash and debris shall not be permitted to accumulate, and supplies of brick, block, lumber and other building materials will be piled only in such areas as may be approved in writing by the Architectural Review Committee. In addition, any construction equipment and building materials stored or kept on any Lot during the construction of Improvements may be kept only in areas approved in writing by the Architectural Review Committee, which may also require screening of the storage areas. The provisions of this Section shall not apply to construction activities of the Declarant.

4.4 Diseases and Insects.

No Person shall permit any thing or condition to exist upon any Lot which shall induce, breed or harbor infectious plant diseases or noxious insects.

4.5 Antennas.

To the extent permitted by applicable law, the installation of antennas, satellite dishes or other devices for the transmission or reception of television or radio signals or any other form of electromagnetic radiation shall be subject to the prior written approval of the Architectural Review Committee. Therefore, no antenna, satellite or microwave dish or other device for transmission or reception of television or radio signals shall be constructed, installed, erected, used or maintained on any Lot without the prior written approval of the Architectural Review Committee unless applicable law prohibits the Architectural Review Committee from requiring such approval. Even if applicable law prohibits the Architectural Review Committee from requiring prior approval for the installation of certain antennas, any such antennas must still be installed in accordance with the Design Guidelines.

4.6 Mineral Exploration.

Regarding such determination, the Board's decision shall be final. All dogs, cats or other pets permitted under this Section shall be confined to an Owner's Lot, except that a dog may be permitted to leave an Owner's Lot if such dog is at all times kept on a leash not to exceed six feet (6') in length and is not permitted to enter upon any other Lot. The Board may adopt rules and regulations further restricting and governing animals within the Property, which rules may include, without limitation rules providing for the removal from the Property of a domestic pet which has bitten or attacked a person or other animal, has a propensity to attack persons or other animals or otherwise constitutes a threat to the safety of persons or other animals in the Property or which because of incessant barking or other behavior constitutes an unreasonable annoyance or nuisance to Owners and Occupants.

It is the intent of this Section to limit parking on the Streets. In addition, no Owner or other Person shall change the grade or elevation of a Lot in any manner that would obstruct, interfere with or change the direction or flow of water in accordance with the approved drainage plans.

4.17 Garages.

No garage shall be converted to living space or altered or used for storage of material or other purposes which would prevent the use of the garage for the parking of the number of vehicles for which it was designed, except that the Declarant may use a garage in one or more model homes for a sales office and/or a construction office. The interior of all garages shall be maintained and kept in a neat, clean and sightly condition, free of debris or unsightly objects. The Owner shall be liable for any violation of this Declaration, the Design Guidelines or the Association Rules by the Lessees or other persons residing in the Residence and their guests or invitees and, in the event of any such violation, the Owner, upon demand of the Association, shall immediately take all necessary actions to correct any such violations.

Due to the cultural significance of these petroglyphs, artifacts and other cultural resources, no Owner or other Person shall remove, sell, relocate, destroy, efface or otherwise alter any petroglyphs, artifacts or other cultural resources located on the Property Notwithstanding the foregoing, if permitted by

applicable law, an Owner may relocate or otherwise alter petroglyphs, artifacts and other cultural resources located on the Owner's Lots to the extent such objects interfere with the construction of improvements on the Owners Lot, with the prior written permission of the Architectural Review Committee. Nothing set forth herein shall be deemed to limit the Declarant's rights to develop the Property. In addition to the above restrictions, petroglyphs, artifacts and other cultural resources may be subject to protection under federal, state or local laws, rules regulations or ordinances.

No development of or on the Property may impact more than 4,000 square feet, in the aggregate, of jurisdictional washes (the terms "impact" and "jurisdictional washes" to have such meanings as may be accorded to them by the U.S. Army Corps of Engineers in the context of the existing 404 Permit).

4.28 Wastewater Development Fee.

Each Lot shall be subject to a wastewater development fee, pursuant to the terms of the Inscription Canyon Ranch Sanitary District and the owner of such Lot shall be obligated to pay (or cause to be paid) the then prevailing fee.

ARTICLE 5

Every Owner and Resident and their guests shall have a right and easement of enjoyment in and to the Common Area, which right shall be appurtenant to and shall pass with the title to every Lot, subject to:

(a) The right of the Association to dedicate, convey, transfer, lease or encumber the Common Area as provided in Section 6.10; provided, however, that if access to a Lot is over any part of the Common Area, any conveyance, lease or encumbrance of such Common Area shall be subject to an easement for ingress and egress in favor of the Owner and Residents of the Lot and their guests and invitees.

If a Lot is leased or rented by the Owner thereof, the Lessee and the members of the Lessee's family residing with such Lessee shall have the right to use the Common Area during the term of the lease, and the Owner of such Lot shall have no right to use the Common Area until the termination or expiration of such lease.

5.2 Utility and Development Easements.

A non-exclusive, perpetual blanket easement is hereby granted over and through the Common Area for the purpose of: (a) installing, constructing, operating, maintaining, repairing or replacing equipment used to provide to any portion of the Property or adjacent land any utilities, including, without limitation, water, sewer, drainage, gas, electricity, telephone and television service, whether public or private; and (b) ingress and egress to install, construct, operate, maintain, repair and replace such equipment and (c) storm water management and storm water drainage, as necessary or desirable for the orderly development of the Property. Such easement is hereby granted to any Person providing the aforesaid utilities or installing, constructing, maintaining, repairing or replacing equipment related thereto. Any pipes, conduits, lines, wires, transformers and any other apparatus necessary for the provision or metering of any utility may be installed or relocated only where permitted by the Declarant, where contemplated on any site plan approved by the Declarant or where approved by resolution of the Board. Equipment used to provide or meter such utilities or services may be installed above ground during periods of construction if approved by the Declarant. The Person providing a service or installing a utility pursuant to this easement shall install, construct, maintain, repair or replace the equipment used to provide or meter the utility as promptly and expeditiously as possible, and shall restore the surface of the land and the surrounding vegetation and improvements to their original condition as soon as possible.

The Declarant hereby reserve the right to grant and reserve easements, rights-of-way and licenses over and through the Common Area for the purposes set forth in this Section or for any other purpose necessary or desirable for the orderly development of the Property. If the Person installing the utility or providing a service requests a specific easement by separate recordable documents, then the Declarant or the Association shall have the power to record a document locating such easements.

5.3 Easements to Facilitate Development.

The Declarant hereby reserves to itself and its successors and assigns a non-exclusive blanket easement over and through the Property for all purposes reasonably related to the development and completion of Improvements on the Property, including without limitation: (a) temporary construction easements; (b) easements for the temporary storage of supplies of building materials and equipment necessary to complete Improvements; and (c) easements for the construction, installation and Maintenance of Improvements on the Property or Improvements reasonably necessary to serve the Property.

The Declarant hereby reserves to itself and its successors and assigns, the right to make any dedications and to grant any easements, rights-of-way and licenses required by any government or governmental agency over and through all or any portion of the Common Area.

5.5 Further Assurances.

Any and all conveyances made to the Association or any Owner shall be conclusively deemed to incorporate these reservations of rights and easements, whether or not set forth in such grants. The easements granted and reservations made to the Declarant in this Declaration shall not terminate or merge and shall continue to run with the land, notwithstanding the common law doctrine of merger and the common ownership of all the Property by the Declarant. Upon written request of the Declarant, the Association and each Owner shall from time to time sign, acknowledge and deliver to the Declarant such further assurances of these reservations of rights and easements as may be requested.

5.6 Assignment of Development Rights .

The Declarant may make limited temporary assignments of its easement rights under this Declaration to any Person performing construction, installation or Maintenance on any portion of the Property.

5.7 Easement for Maintenance and Enforcement.

The Association and its directors, officers, agents, contractors and employees, the Architectural Review Committee and any other Persons authorized by the Board are hereby granted the right of access over and through any Lots (excluding the interior of any Residence), for: (a) the exercise and discharge of their respective powers and responsibilities under the Community Documents; (b) making inspections in order to verify that all Improvements on the Lot have been constructed in accordance with the plans and

The Owner of the encroaching Improvement shall also have an easement for the limited purpose of Maintenance of the encroaching Improvement. This easement does not relieve any Owner or any other Person from liability for such Owner's or other Person's negligence or willful misconduct.

5.9 Emergency Vehicle Access. A non-exclusive permanent easement is hereby granted and created over, upon and across the area between Lots 24 & 25 for emergency egress only.

The Association shall have all of the common law and statutory powers conferred upon nonprofit corporations under Arizona law and all powers necessary or desirable to perform the Association's duties and obligations and to exercise the rights and powers of the Association set forth in the Community Documents. The Association shall not be dissolved unless another entity has agreed to assume the obligations of the Association under this Declaration with respect to the operation and maintenance of the Areas of Association Responsibility.

6.2 Board of Directors and Officers.

The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws. The initial

directors and officers of the Association shall be designated in the Articles, and such persons shall serve until their death, resignation or removal from office. Until the termination of the Declarant Control Period, the Declarant shall have the right to appoint and remove the members of the Board. After the termination of the Declarant Control Period, the Board shall be elected by the members as provided in the Bylaws. Unless the Community Documents specifically require the vote or consent of the Members, the Board may do or cause to be done any act on behalf of the Association.

6.3 The Association Rules.

The Board may adopt, amend and repeal rules and regulations pertaining to: (a) the management, operation and use of the Areas of Association Responsibility including, but not limited to, any recreational facilities situated upon the Areas of Association Responsibility; (b) minimum standards for the Maintenance of Lots; or (c) restrictions on the use of Lots. In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules, the provisions of this Declaration shall prevail. The Association Rules shall be enforceable in the same manner and to the same extent as the covenants, conditions and restrictions set forth in this Declaration.

6.4 Personal Liability and Indemnification.

No director or officer of the Association, employees of the Association, the Declarant, no member of the Architectural Review Committee or of any committee of the Association, and no other person acting on behalf of the Board ("Indemnified Persons") shall be personally liable to any Member, or to any other Person for any damage, loss or prejudice suffered or claimed on account of any decision, act, omission, error, or negligence in the discharge of such person's duties and responsibilities under the Community Documents provided such person acted in good faith and reasonably believed to be within the scope of their respective duties.. To the fullest extent permitted by law, the Association shall indemnify the Indemnified Persons against all expenses and liabilities including, but not limited to, attorneys fees, witness fees, costs and litigations-related expenses reasonably incurred by or imposed upon them in connection with any proceeding to which they may be parties, or in which they may become involved, by reason of their being or having served in those capacities on behalf of the Association (or by reason of having appointed, removed or controlled or failed to control members of the Board or the Architectural Review Committee) or any settlement of any such proceeding.

6.5 Implied Rights.

The Association may exercise any right or privilege given to the Association expressly by the Community Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Community Documents or reasonably necessary to effectuate any such right or privilege.

6.6 Identity of Members.

The members of the Association shall be the Owners of the Lots. All Owners of Lots shall be mandatory members of the Association. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease.

6.7 Classes of Members and Voting Rights.

The Association shall have the following two classes of voting membership:

Class A. Class A members are all Owners, with the exception of the Declarant until the termination of the Class B membership, of Lots. Each Class A member shall be entitled to one (1) vote for each Lot owned. Upon the termination of the Class B membership, the Declarant shall be a Class A member so long as the Declarant owns any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease when the Declarant no longer owns any Lot. The Declarant may at any time relinquish its Class B membership by giving written notice thereof to the Association.

6.8 Voting Procedures.

No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot is owned by more than one person and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast by a Class A Member for a particular Lot, none of the votes shall be counted and all of the votes shall be deemed void.

6.9 Transfer of Membership.

The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership to the Lot. A

transfer of ownership to a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the Membership appurtenant to said Lot to the new Owner thereof. Each purchaser of a Lot shall notify the Association of his purchase within ten (10) days after he becomes the Owner of a Lot.

6.10 Conveyance, Lease or Encumbrance of Common Area.

Except as otherwise provided in this Section, the Common Area shall not be mortgaged, transferred, dedicated or encumbered without the prior written consent or affirmative vote of the Owners holding at least two-thirds (2/3) of the total votes in the Association. The Declarant or the Association may grant permits, licenses and easements on, over, under and through the Common Area for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance and operation of the Property.

6.11 Suspension of Voting Rights.

If any Owner fails to pay any Assessments or other amounts due to the Association under the Community Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Community Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board, in accordance with the procedures set forth in the Bylaws, shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorneys' fees, are brought current, and until any other infractions or violations of the Community Documents are corrected.

ARTICLE 7

COVENANT FOR ASSESSMENTS AND CREATION OF LIEN

7.1 Creation of Lien and Personal Obligation of Assessments.

Each Owner, by becoming the Owner of a Lot, is deemed to covenant and agree, to pay Assessments to the Association in accordance with this Declaration. All Assessments shall be established and collected as provided in this Declaration. The Assessments, together with interest, late charges and all costs (including but not limited to reasonable attorneys' fees) incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made.

During the Declarant Control Period, no Regular Assessment or Special Assessment shall be levied against any Lot owned by the Declarant.

Each Assessment, together with interest and all costs, including but not limited to reasonable attorneys' fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not suit is filed, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

No Owner shall be exempt from liability for Assessments because of such Owner's non-use of the Common Area, abandonment of such Owner's Lot or other circumstance. The obligation to pay Assessments is a separate and independent obligation on the part of each Owner. No diminution or abatement of Assessments or set-off shall be claimed or allowed for any alleged failure of the Association, the Board or the Architectural Review Committee to take some action or perform some function required of it.

7.2 Regular Assessments.

At least thirty (30) days prior to the commencement of each Assessment Period, the Board shall prepare and adopt a budget of the estimated Common Expenses for the next Assessment Period, including any contribution to be made to a reserve fund. The budget shall also reflect the sources and estimated amounts of funds to cover such Common Expenses, which may include any surplus to be applied from prior years, any income expected from sources other than Assessments are the amount to be generated through Assessments against the Lots. Based on the budget adopted by the Board, the Board shall assess against each Assessable Lot a Regular Assessment. The Regular Assessment shall be the same for each Assessable Lot. The amount of increase, if any, in the Regular Assessment from one Assessment Period to the next Assessment Period shall be subject to such limitations as may be imposed by Arizona law.

The Board shall give notice of the Regular Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Regular Assessment established by the Board nor relieve any Owner from its obligation to pay the Regular Assessment. If the Board fails to adopt a budget for any Assessment Period, then until and unless such budget is adopted and a Regular Assessment is levied by the Board for such Assessment Period, the amount of the Regular Assessment for the immediately preceding Assessment Period shall remain in effect. Unless approval or ratification of the budget or the Regular Assessment for any Assessment Period is required by law, neither the budget nor the Regular Assessment shall be required to be ratified or approved by the Members.

If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will, become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessment by Members, the Board may amend the budget and increase the Regular Assessment for that Assessment Period and the revised Regular Assessment shall commence on the date designated by the Board.

7.3 Special Assessments.

The Association may levy against each Assessable Lot a Special Assessment for the purpose of obtaining funds to pay the cost of any construction, reconstruction, repair or replacement of an Improvement upon the Common Area (including fixtures and personal property related thereto), or to pay unbudgeted expenses or expenses in excess of the amount budgeted. Any Special Assessment must be approved by two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose. So long as the Declarant owns any Lot, any Special Assessment must be approved in writing by the Declarant. Any Special Assessment shall be levied in an equal amount for each Assessable Lot.

7.4 Assessment Period.

The period for which the Regular Assessment is to be levied shall be the calendar year, except that the first Assessment Period shall commence on the first day of the first month following conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

7.5 Obligation of Declarant for Deficiencies.

During the Declarant Control Period, the Declarant shall pay and contribute to the Association such funds as may be necessary, when added to the Regular Assessment levied by the Association, to pay all Common Expenses of the Association as they become due. The Board may require the payment of such funds by the Declarant from time to time as the Board deems necessary by giving written notice thereof to the Declarant. Each such notice shall state the total amount of funds required and the calculation of the pro rata share of such funds to be paid by the Declarant. In no event shall the Declarant be obligated to pay or contribute money to the Association in excess of the amount of Regular Assessments that would have been payable by the Declarant if the Lots owned by the Declarant had been assessed as Assessable Lots.

7.6 Rules Regarding Billing and Collection Procedures.

Regular Assessments shall be collected on a quarterly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of such Member's liability for any Assessment or charge under this Declaration, but the Assessment Lien therefor shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Lot changes during an Assessment Period but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

7.7 Effect of Nonpayment of Assessments; Remedies of the Association.

Any Assessment, or any installment of an Assessment, not paid within fifteen (15) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate of interest set from time to time by the Board. In addition, the Board may establish a late fee to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within fifteen (15) days after such payment was due.

The Association shall have a lien on each Lot for: (a) all Assessments levied against the Lot; (b) all interest, lien fees, late charges and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (c) all fines levied against the Owner of the Lot; (d) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner and any other fees or costs incurred by the Association in attempting to collect Assessments or other amounts due to the Association by the Owner of a Lot whether or not suit is filed by the Association; (e) any amounts payable to the Association pursuant to Section 8.3 or 8.4; and (f) any other amounts payable to the Association pursuant to the Community Documents.

The Recording of this Declaration constitutes record notice and perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is Recorded and the amount claimed to be past due as of the date of the Recording of the Notice, including interest, lien recording fees and reasonable attorneys' fees. Before recording any Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments, together with interest, late charges and reasonable attorneys' fees, if any, and all other amounts secured by the Assessment Lien. Each default shall constitute a separate basis for a demand, but any number of defaults

may be included within the single demand. If the amounts specified in the demand are not paid within ten (10) days after delivery of the demand, the Association may proceed with recording a Notice of Lien against the Lot. If the Association records a Notice of Lien, the Association may charge the Owner of the Lot against which the Notice of Lien is Recorded a lien fee in an amount established from time to time by the Board.

The Assessment Lien shall have priority over all liens or claims except for: (a) liens and encumbrances Recorded before the Recording of this Declaration; (b) liens for real estate taxes and other governmental assessments and charges against the Lot; and (c) any Recorded first mortgage on the Lot, a seller's interest in a first contract for sale pursuant to Title 33, Chapter 6, Article 3 of the Arizona Revised Statutes Recorded prior to the Association's lien or a Recorded first deed of trust on the Lot. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot.

The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fees, fines, reasonable attorneys' fees, court costs, collection costs and all other sums payable to the Association by the Owner of the Lot have been paid in full.

The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees and any other sums due to the Association in any manner allowed by law including, but not limited to, (a) bringing an action at law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien or (b) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

7.8 Purposes for which Association's Funds May Be Used.

The Association may use the funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the purpose of: (a) discharging and performing the Association's duties and obligations under the Community Documents or applicable law; (b) exercising the rights and powers granted to the Association by the Community Documents or applicable law; (c) providing or promoting activities and services the Board

deems appropriate, necessary or desirable to foster or promote the common good and general welfare of the Project and the Owners, Lessees and Residents; (d) contracting for services (including, without limitation, trash collection or cable television) to be provided to Owners, Lessees and Residents; and (e) taking such other action as the Board deems necessary, appropriate or desirable for the management and administration of the Association or the benefit of the Association or the Project.

7.9 Surplus Funds.

The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Regular Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

7.10 Initial Capital Contribution.

Each Purchaser of a Lot from the Declarant shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-sixth (1/6th) of the then current Regular Assessment for an Assessable Lot which shall be considered an administrative fee. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under the Community Documents but shall not constitute a payment towards any Regular Assessment. Payments made pursuant to this Section shall be nonrefundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration. Payments made pursuant to this Section shall be deemed a contribution to the capital of the Association.

7.11 Transfer Fee.

Each Person who purchases a Lot from a Person other than the Declarant shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board to compensate the Association for the administrative cost resulting from the transfer of a Lot. The transfer fee is not intended to compensate the Association for the costs incurred in the preparation of the statement which the Association is required to mail to deliver to a purchaser under A.R.S. § 33-1806A and, therefore, the transfer fee shall be in addition to the fee which the Association is entitled to charge pursuant to A.R.S. § 33-1806C.

ARTICLE 8

MAINTENANCE

8.1 Areas of Association Responsibility.

The Association shall be responsible for the management and Maintenance of the Areas of Association Responsibility, and all Improvements located thereon, except for any part of the Areas of Association Responsibility which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate Maintenance of all Areas of Association Responsibility, but the Areas of Association Responsibility, and the Improvements located thereon, shall be maintained in good condition and repair at all times.

No Owner, Resident or other Person shall construct or install any Improvements on the Areas of Association Responsibility or alter, modify or remove any Improvements situated on the Areas of Association Responsibility without the approval of the Board. No Owner, Resident or other Person shall obstruct or interfere with the Association in the performance of the Association's management or Maintenance of the Areas of Association Responsibility, and the Improvements located thereon.

8.2 Lot Owner's Responsibility.

Each Owner of a Lot shall be responsible for the Maintenance of his Lot, and all buildings, Residences, landscaping or other Improvements situated thereon, except for any portion of the Lot, or any Improvement situated thereon, which is an Area of Association Responsibility. All buildings, Residences, landscaping and other Improvements shall at all times be kept in good condition and repair. All grass, hedges, shrubs, vines and plants of any type on a Lot shall be irrigated, mowed, trimmed and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved in writing by the Architectural Review Committee. No yard equipment, wood piles or storage areas may be maintained so as to be Visible From Neighboring Property or streets. All Lots upon which no Residences, buildings or other structures, landscaping or Improvements have been constructed shall be maintained in a weed free and attractive manner.

8.3 Assessment of Certain Costs of Maintenance and Repair.

In the event that the need for Maintenance of an Area of Association Responsibility is caused through the willful or negligent act of any Owner, his family, tenants, guests or invitees, the cost of such Maintenance shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

8.4 Improper Maintenance and Use of Lots.

In the event (a) any portion of any Lot is so maintained as to present a public or private nuisance or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of the Project which are substantially affected thereby or related thereto, (b) any portion of a Lot is being used in a manner which violates this Declaration, or (c) the Owner of any Lot is failing to perform any of its obligations under the Community Documents, the Board may make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fifteen (15) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fifteen (15) day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be paid by such Owner to the Association upon demand and payment of such amounts shall be secured by the Assessment Lien.

8.5 NO Boundary Walls.

No walls or boundary fences shall be located on or near the boundary between two Lots.

ARTICLE 9

INSURANCE

9.1 Scope of Coverage.

Commencing not later than the time of the first conveyance of a Lot to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

(a) Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board, but not less than \$1,000,000. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Areas of Association Responsibility and all other portions of the Project which the Association is obligated to maintain under this Declaration, and shall also include hired automobile and non-owned automobile coverage with cost liability endorsements to cover liabilities of the Owners as a group to an Owner;

(b) Property insurance on all Common Areas insuring against all risk of direct physical loss, insured against in an amount equal to the maximum insurable replacement value of the Common Areas, as determined by the Board; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy.

(c) Workmen's compensation insurance to the extent necessary to meet the requirements of the laws of Arizona;

(d) Such other insurance as the Board shall determine from time to time to be appropriate to protect the Association or the Owners;

(e) The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions: (i) that there shall be no subrogation with respect to the Association, its agents, servants, and employees, with respect to Owners and members of their household; (ii) no act or omission by any Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery on the policy; (iii) that the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by Owners or their mortgagees or beneficiaries under deeds of trust; (iv) a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners; (v) statement of the name of the insured as the Association; and (vi) for policies of hazard insurance, a standard mortgagee clause providing that the insurance carrier shall notify the first mortgagee named in the policy at least ten (10) days in advance of the effective date of any substantial modification, reduction or cancellation of the policy;

The premiums for any insurance obtained by the Association pursuant to this Section shall be included in the budget of the Association and shall be paid by the Association.

9.2 Certificates of Insurance.

An insurer that has issued an insurance policy under this Article shall issue a certificate or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be cancelled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each mortgagee or beneficiary under a deed of trust to whom certificates of insurance have been issued.

9.3 Payment of Insurance Proceeds.

With respect to any loss to any Area of Association Responsibility covered by property insurance obtained by the Association in accordance with this Article, the loss shall be adjusted with the Association, and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. Subject to the provisions of Section 9.4, the proceeds shall be disbursed for the repair or restoration of the damage to the Area of Association Responsibility.

9.4 Repair and Replacement of Damaged or Destroyed Property.

Any portion of the Common Areas which is damaged or destroyed shall be repaired or replaced promptly by the Association unless repair or replacement would be illegal under any state or local health or safety statute or ordinance, or Owners representing at least eighty percent (80%) of the total authorized votes in the Association vote not to repair or replace the damaged or destroyed Improvements. The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association.

If all of the Areas of Association Responsibility are not repaired or replaced, insurance proceeds attributable to the damaged Areas of Association Responsibility shall be used to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall either be retained by the Association as an additional capital reserve.

ARTICLE 10

DISPUTE RESOLUTION

10.1 Agreement to Resolve Certain Disputes Without Litigation.

As used in this Article 10, the term "Claim" shall mean: (a) any claim or cause of action arising out of or related in any way to the planning, design, engineering, grading, construction or development of the Common Area or any Lot or any Improvements situated thereon, including, without limitation, any claim or cause of action that the Common Areas are defective or that the Declarant, its agents, contractors, employees, subcontractors, architects, engineers or consultants were negligent in the planning, design, engineering, grading, construction or development thereof; or (b) any claim or cause of action against the Declarant or any employee, agent, director, member or officer of Declarant arising out of or in any way related to the development of the Project or the management or operation of the Association, including, without limitation, any claim for negligence, fraud, intentional misconduct or breach of fiduciary duty. The Association,

the Declarant, all Owners, Lessees, Residents and other Persons bound by this Declaration, and any Person not otherwise bound by this Declaration who agrees to submit to this Article (collectively, the "Bound Parties") agree that the dispute resolution procedures set forth in this Article shall apply to all Claims.

10.2 Notice of Claim.

Any Bound Party having or alleging to have a Claim (a "Claimant") against any other Bound Party (a "Respondent") shall notify each Respondent in writing of the Claim (the "Claim Notice"), stating plainly and concisely: (a) the nature of Claim, including, date, time, location, Persons involved, and Respondent's role in the Claim; (b) the factual and legal basis of the Claim; and (c) what Claimant wants Respondent to do or not do to resolve the Claim.

10.3 Mediation.

If the Parties do not resolve the Claim through negotiation within thirty (30) days after the date of the Claim Notice or within such longer period as may be agreed upon by the Parties ("Termination of Negotiations"), Claimant shall have thirty (30) additional days within which to submit the Claim to mediation under the auspices of the American Arbitration Association or such other mediator or mediation service as may be mutually agreed upon by the Claimant and the Respondent.

If Claimant does not submit the Claim to mediation within thirty (30) days after Termination of Negotiations, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim.

If the Parties do not settle the Claim within thirty (30) days after submission of the matter to the mediation process, or within such time as determined reasonable or appropriate by the mediator, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation Notice"). The Termination of Mediation Notice shall set forth when and where the Parties met, that the Parties are at an impasse, and the date that mediation was terminated.

10.4 Binding Arbitration.

In the event a Claim is not resolved by Mediation, the Claimant shall have fifteen (15) days after the date of the Termination of Mediation Notice to submit the Claim to binding arbitration in accordance with this Section. If the Claimant fails to timely submit the Claim to arbitration, then the Claim shall be deemed waived and abandoned and the

Respondent shall be relieved of any and all liability to Claimant arising out of the Claim. If the Claimant submits the Claim to binding arbitration in accordance with this Section, the arbitration shall be conducted in accordance with the following:

(a) **Initiation of Arbitration.** The arbitration shall be initiated by either party delivering to the other a Notice of Intention to Arbitrate as provided for in the American Arbitration Association ("AAA") Commercial Arbitration Rules, as amended from time to time (the "AAA Rules").

(b) **Governing Procedures.** The arbitration shall be conducted in accordance with the AAA Rules and A.R.S. § 12-1501, et seq. In the event of a conflict between the AAA Rules and this Section 10.4, the provisions of this Section 10.4 shall govern.

(c) **Appointment of Arbitrator.** The parties shall appoint a single Arbitrator by mutual agreement. If the parties have not agreed within ten (10) days of the date of the Notice of Intention to Arbitrate on the selection of an arbitrator willing to serve, the AAA shall appoint a qualified Arbitrator to serve. Any arbitrator chosen in accordance with this Subsection (c) is referred to in this Section 10.4 as the "Arbitrator".

(d) **Qualifications of Arbitrator.** The Arbitrator shall be neutral and impartial. The Arbitrator shall be fully active in such Arbitrator's occupation or profession, knowledgeable as to the subject matter involved in the dispute, and experienced in arbitration proceedings. The foregoing shall not preclude otherwise qualified retired lawyers or judges.

(e) **Disclosure.** Any candidate for the role of Arbitrator shall promptly disclose to the parties all actual or perceived conflicts of interest involving the dispute or the parties. No Arbitrator may serve if such person has a conflict of interest involving the subject matter of the dispute or the parties. If an Arbitrator resigns or becomes unwilling to continue to serve as an Arbitrator, a replacement shall be selected in accordance with the procedure set forth in Subsection (c) above.

(f) **Compensation.** The Arbitrator shall be fully compensated for all time spent in connection with the arbitration proceedings in accordance with the Arbitrator's usual hourly rate, unless otherwise agreed to by the parties, for all time spent by the Arbitrator in connection with the arbitration proceeding. Pending the final award, the Arbitrator's compensation and expenses shall be advanced equally by the parties.

(g) **Preliminary Hearing.** Within thirty (30) days after the Arbitrator has been appointed, a preliminary hearing among the Arbitrator and counsel for the Parties shall be held for the purpose of developing a plan for the management of the arbitration, which shall then be memorialized in an appropriate order. The matters which may be

addressed include, in addition to those set forth in the AAA Rules, the following: (i) definition of issues; (ii) scope, timing and types of discovery, if any; (iii) schedule and place(s) of hearings; (iv) setting of other timetables; (v) submission of motions and briefs; (vi) whether and to what extent expert testimony will be required, whether the Arbitrator should engage one or more neutral experts, and whether, if this is done, engagement of experts by the Parties can be obviated or minimized; (vii) whether and to what extent the direct testimony of witnesses will be received by affidavit or written witness statement; and (viii) any other matters which may promote the efficient, expeditious, and cost-effective conduct of the proceeding.

(h) **Management of the Arbitration.** The Arbitrator shall actively manage the proceedings as the Arbitrator deems best so as to make the proceedings expeditious, economical and less burdensome than litigation.

(i) **Confidentiality.** All papers, documents, briefs, written communication, testimony and transcripts as well as any and all arbitration decisions shall be confidential and not disclosed to anyone other than the Arbitrator, the parties or the parties' attorneys and expert witnesses (where applicable to their testimony), except that upon prior written consent of all parties, such information may be divulged to additional third parties. All third parties shall agree in writing to keep such information confidential.

(j) **Hearings.** Hearings may be held at any place within the State of Arizona designated by the Arbitrator and, in the case of particular witnesses not subject to subpoena at the usual hearing site, at a place where such witnesses can be compelled to attend.

(k) **Final Award.** The Arbitrator shall promptly (within sixty (60) days of the conclusion of the proceedings or such longer period as the parties mutually agree) determine the claims of the parties and render a final award in writing. The Arbitrator may award the prevailing party in the proceeding all or a part of such party's reasonable attorneys' fees and expert witness fees, taking into account the final result of arbitration, the conduct of the parties and their counsel in the course of the arbitration, and other relevant factors. The Arbitrator shall not award any punitive damages. The Arbitrator shall not award indirect, consequential or special damages regardless of whether the possibility of such damage or loss was disclosed to, or reasonably foreseen by the party against whom the claim is made; provided, however, that such damages may be deemed by the Arbitrator to be direct damages in an award reimbursing payments made by a party therefore to a third party. The Arbitrator shall assess the costs of the proceedings (including, without limitation, the fees of the Arbitrator) against the non-prevailing party.

10.5 Right to Enter, Inspect, Repair and/or Replace.

Within a reasonable time after the receipt by the Declarant of a Claim Notice, the Declarant shall have the right, upon reasonable notice to Claimant and during normal business hours, to enter onto or into, as applicable, the Common Area, any Lot, including any Residence constructed thereon, and/or any Improvements for the purposes of inspecting and/or conducting testing to determine the validity of the Claim and, if deemed necessary by the Declarant, to correct, repair and/or replace the alleged deficiency in the planning, design, engineering, grading, construction or development of the Common Area or any Lot, or any Improvement constructed on the Common Area or a Lot which is the basis for the Claim (the "Alleged Defect"). In conducting such inspection, testing, repairs and/or replacement, Declarant shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

Nothing set forth in this Section shall be construed to impose any obligation on the Declarant to inspect, test, repair, or replace any item or Alleged Defect for which the Declarant is not otherwise obligated under applicable law or any limited warranty provided by the Declarant in connection with the sale of the Lots and/or the Improvements constructed thereon. The right of the Declarant to enter, inspect, test, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and Recorded by the Declarant. In no event shall any statutes of limitations be tolled during the period in which the Declarant conducts any inspection or testing of any Alleged Defects.

10.6 Use of Funds.

Any judgment, award or settlement received by a Claimant in connection with a Claim involving an Alleged Defect shall first be used to correct and or repair such Alleged Defect or to reimburse the Claimant for any costs actually incurred by such Claimant in correcting and/or repairing the Alleged Defect. Any excess funds remaining after repair of such Alleged Defect shall be paid into the Association's reserve fund.

10.7 Approval of Litigation.

The Association shall not deliver a Claim Notice to any Bound Party, commence any legal action or arbitration proceeding against any Bound Party or incur any expenses (including, without limitation, attorneys' fees) in connection with any Claim without the written approval of Owners entitled to cast more than seventy-five percent (75%) of the total votes in the Association, excluding the votes of any Owner who would be a defendant in such proceedings. The Association must pay for any such legal action or arbitration proceeding with monies that are specifically collected for such purposes and may not borrow money or use reserve funds or other monies collected for specific Association obligations other than legal fees. In the event that the Association commences any legal action or arbitration proceeding involving a Claim, all Owners must notify prospective purchasers of such legal action or arbitration proceeding and must provide

such prospective purchasers with a copy of the notice received from the Association in accordance with this Section 10.7.

The Association must provide written notice to all Members prior to initiation of any legal action, cause of action, proceeding, reference or arbitration involving an Alleged Defect which notice shall (at a minimum) include: (a) a description of the Claim; (b) a description of the attempts of Declarant or its contractors or subcontractors to correct such Alleged Defect and the opportunities provided to Declarant or its contractors or subcontractors to correct such Alleged Defect; (c) the estimated cost to repair such Alleged Defect; (d) the name and professional background of the attorney retained by the Association to pursue the claim and a description of the relationship between such attorney and member(s) of the Board (if any); (e) a description of the fee arrangement between such attorney and the Association; (f) the estimated attorneys' fees and expert fees and costs necessary to pursue the claim and the source of the funds which will be used to pay such fees and expenses; (g) the estimated time necessary to conclude the action; and (h) an affirmative statement from the Board that the action is in the best interests of the Association and its Members. If the Alleged Defect is alleged to be the result of an act or omission of a person licensed by the State of Arizona under Title 20 or Title 32 of the Arizona Revised Statutes (a "Licensed Professional"), then the notice from the Association must be accompanied by an affidavit from a Licensed Professional in the same discipline as the Licensed Professional alleged to be responsible for the Alleged Defect. The affidavit must contain the information required to be contained in a preliminary expert opinion affidavit submitted pursuant to Section 12-2602B of the Arizona Revised Statutes.

ARTICLE 11

GENERAL PROVISIONS

11.1 Enforcement.

The Association may enforce the Community Documents in any manner provided for in the Community Documents or by law or in equity, including, but not limited to:

- (a) imposing reasonable monetary fines after notice and an opportunity to be heard is given to the Owner or other violator. An Owner shall be responsible for payment of any fine levied or imposed against a Lessee or Resident of the Owner's Lot or by any guest or invitee of the Owner or any Lessee or Resident;
- (b) suspending an Owner's right to vote;

(c) suspending any Person's right to use any recreational facilities within the Common Area; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from a Lot;

(d) suspending any services provided by the Association to an Owner or the Owner's Lot if the Owner is more than 15 days delinquent in paying any assessment or other charge owed to the Association;

(e) exercising self-help or taking action to abate any violation of the Community Documents in a non-emergency situation;

(f) requiring an Owner, at the Owner's expense, to remove any structure or Improvement on such Owner's Lot in violation of this Declaration and to restore the Lot to its previous condition and, upon failure of the Owner to do so, the Board or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed and any such action shall not be deemed a trespass;

(g) without liability to any Person, prohibiting any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration or the Design Guidelines from continuing or performing any further activities in the Project;

(h) towing vehicles which are parked in violation of this Declaration or the Association Rules; and

(i) filing a suit at law or in equity to enjoin a violation of the Community Documents, to compel compliance with the Community Documents, to recover fines or money damages or to obtain such other relief as to which the Association may be entitled.

(j) recording a written notice of violation by any Owner, Lessee or Resident of any restriction or other provision of the Community Documents. The notice shall be executed by an officer of the Association and shall contain substantially the following information: (a) the name of the Owner, Lessee or Resident violating, or responsible for the violation of, the Community Documents; (b) the legal description of the Lot against which the notice is being Recorded; (c) a brief description of the nature of the violation; (d) a statement that the notice is being Recorded by the Association pursuant to this Declaration; and (e) a statement of the specific steps which must be taken by the Owner or occupant to cure the violation. Recordation of a notice of violation shall serve as notice to the Owner and Resident, and any subsequent purchaser of the Lot, that there is such a violation. Failure by the Association to Record a notice of violation shall not constitute a waiver of any such violation, constitute any evidence that no violation

exists with respect to a particular Lot or constitute a waiver of any right of the Association to enforce the Community Documents.

The Association shall not be obligated to take any enforcement action if the Board determines, in its sole discretion, that because of the strength of the Association's possible defenses, the time and expense of litigation or other enforcement action, the likelihood of a result favorable to the Association, or other facts deemed relevant by the Board, enforcement action would not be appropriate or in the best interests of the Association.

Any Owner shall also have the right to enforce this Declaration in any manner available at law or in equity. All rights and remedies of the Association under the Community Documents or at law or in equity are cumulative, and the exercise of one right or remedy shall not waive the Association's right to exercise another right or remedy. The failure of the Association or an Owner to take enforcement action with respect to a violation of the Community Documents shall not constitute or be deemed a waiver of the right of the Association or any Owner to enforce the Community Documents in the future. If any lawsuit is filed by the Association or any Owner to enforce the provisions of the Community Documents or in any other manner arising out of the Community Documents or the operations of the Association, the prevailing party in such action shall be entitled to recover from the other party all attorney fees incurred by the prevailing party in the action.

11.2 Duration; Termination.

This Declaration, as it may be amended pursuant to Section 11.3, shall run with the land and bind the Property and be in full force and effect in perpetuity unless terminated as provided in this Section. This Declaration may be terminated at any time if such termination is approved by the affirmative vote or written consent, or any combination thereof, of the Owners holding ninety percent (90%) or more of the votes in the Association. If the necessary votes and consents are obtained, the Board shall cause to be Recorded a Certificate of Termination, duly signed by the President or Vice President and attested by the Secretary or Assistant Secretary of the Association, with their signatures acknowledged. Following the Recording of a Certificate of Termination, this Declaration shall have no further force and effect, and the Association shall be dissolved pursuant to the terms set forth in its Articles. So long as the Declarant owns one or more Lots, no termination of this Declaration shall be effective unless approved in writing by the Declarant.

11.3 Amendments.

This Declaration may be amended at any time by the affirmative vote of not less than two-thirds (2/3) votes of Members, including Class A and Class B Members, if any. So long as the Declarant owns one or more Lots, any amendment to this Declaration must

be approved in writing by the Declarant. In addition, the provisions of Article 10 shall not be amended without the prior written consent of the Declarant even if the Declarant no longer owns any Lot at the time the amendment is adopted by the Owner. So long as the Declarant owns one or more Lots, the Declarant may unilaterally amend this Declaration to comply with the requirements or guidelines of the United States Department of Veterans Affairs, the United States Department of Housing and Urban Development, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation.

Any amendment approved by the Owners shall be signed by the President or Vice President of the Association and shall be Recorded. Unless a later effective date is provided for in the amendment, any amendment to this Declaration shall be effective upon the Recording of the amendment.

Any challenge to an amendment to this Declaration for the reason that the amendment was not adopted by the required number of Owners or was not adopted in accordance with the procedures set forth in this Section must be made within one (1) year after the Recording of the amendment.

11.4 Condemnation of Common Area.

If all or any part of the Common Area is taken or condemned, or conveyed by the Association in lieu of or under threat of such condemnation, by or to any authority having the power of condemnation or eminent domain, the award or other compensation paid as a result of such taking or conveyance shall be paid to the Association. If the taking involves a portion of the Common Area upon which Improvements have been constructed, then the Association shall construct replacement Improvements on the remaining Common Area to the extent land is available for such construction, unless within sixty (60) days after such taking the Owners holding at least eighty percent (80%) of the votes in the Association instruct the Board not to build replacement Improvements.

If such replacement Improvements are to be constructed, then the Association shall be entitled to use the award or other compensation made for such taking solely for the purpose of such construction. If the taking does not involve any Improvements on the Common Area or if the Owners holding more than eighty percent (80%) of the votes in the Association decide not to construct any replacement Improvements or if there are any net funds remaining after such construction is completed, then such awarded net funds shall be retained by the Association and used for such purposes as may be determined by the Board.

11.5 Interpretation.

Except for judicial construction, the Association shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any

adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all persons and property benefited or bound by this Declaration. In the event of any conflict between this Declaration and the Articles, Bylaws, Association Rules or Design Guidelines, this Declaration shall control. In the event of any conflict between the Articles and the Bylaws, the Articles shall control. In the event of any conflict between the Bylaws and the Association Rules or the Design Guidelines, the Bylaws shall control.

11.6 Severability.

Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other provisions hereof.

11.7 Change of Circumstances.

Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

11.8 Laws, Ordinances and Regulations.

The covenants, conditions and restrictions set forth in this Declaration and the provisions requiring Owners and other persons to obtain the approval of the Declarant, the Board or the Architectural Review Committee with respect to certain actions are independent of the obligation of the Owners and other persons to comply with all applicable laws, ordinances and regulations, and compliance with this Declaration shall not relieve an Owner or any other person from the obligation to also comply with all applicable laws, ordinances and regulations.

Any violation of any state, municipal, or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth herein.

11.9 References to this Declaration in Deeds.

Deeds to and instruments affecting any Lot or any other part of the Project may contain the covenants, conditions and restrictions herein set forth by reference to this Declaration; but regardless of whether any such reference is made in any Deed or instrument, each and all of the provisions of this Declaration shall be binding upon the

grantee-Owner or other person claiming through any instrument and his heirs, executors, administrators, successors and assignees.

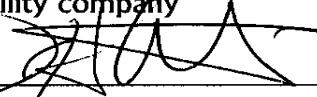

11.10 Gender and Number.

Wherever the context of this Declaration so requires, words used in the masculine gender shall include the feminine and neuter genders; words used in the neuter gender shall include the masculine and feminine genders; words in the singular shall include the plural; and words in the plural shall include the singular.

11.11 Captions and Titles.

All captions, titles or headings of the Articles and Sections in this Declaration are for the purpose of reference and convenience only and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof or to be used in determining the intent of context thereof. Unless otherwise specified, all references in this Declaration to Articles or Sections refer to Articles and Section of this Declaration.

DEED OF TRUST

THIS DEED OF TRUST is dated September 1, 2005, among TIMOTHY LOOMIS and CHRISTINE LOOMIS ("Trustor"); NATIONAL BANK OF ARIZONA, whose address is PRESCOTT VALLEY BRANCH, 2825 NORTH GLASSFORD HILL ROAD, PRESCOTT, AZ 86314 (referred to below sometimes as "Lender" and sometimes as "Beneficiary"); and National Bank of Arizona, whose address is 6001 N 24TH STREET, P.O. Box 80440, Phoenix, AZ 85016 (referred to below as "Trustee").

CONVEYANCE AND GRANT. For valuable consideration, Trustor conveys to Trustee in trust, with power of sale, for the benefit of Lender as Beneficiary, all of Trustor's right, title, and interest in and to the following described real property, together with all existing or subsequently erected or affixed buildings, improvements and fixtures; all easements, rights of way, and appurtenances; all water and water rights flowing through, belonging or in anyway appertaining to the Real Property, and all of Trustor's water rights that are personal property under Arizona law, including without limitation all type 2 nonirrigation grandfathered rights (if applicable), all irrigation rights, all ditch rights, rights to irrigation district stock, all contracts for effluent, all contracts for Central Arizona Project water, and all other contractual rights to water, and together with all rights (but none of the duties) of Trustor as declarant under any presently recorded declaration of covenants, conditions and restrictions affecting real property; and all other rights, royalties, and profits relating to the real property, including without limitation all minerals, oil, gas, geothermal and similar matters, (the "Real Property") located in YAVAPAI County, State of Arizona:

See SCHEDULE "A", which is attached to this Deed of Trust and made a part of this Deed of Trust as if

REVOLVING LINE OF CREDIT. This Deed of Trust secures the Indebtedness including, without limitation, a revolving line of credit, which obligates Lender to make advances to Trustor so long as Trustor complies with all the terms of the Credit Agreement. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. It is the intention of Trustor and Lender that this Deed of Trust secures the balance outstanding under the Credit Agreement from time to time from zero up to the Credit Limit as provided in the Credit Agreement and any intermediate balance.

Trustor presently assigns to Lender (also known as Beneficiary in this Deed of Trust) all of Trustor's right, title, and interest in and to all present and future leases of the Property and all Rents from the Property. In addition, Trustor grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents.

THIS DEED OF TRUST, INCLUDING THE ASSIGNMENT OF RENTS AND THE SECURITY INTEREST IN THE RENTS AND PERSONAL PROPERTY, IS GIVEN TO SECURE (A) PAYMENT OF THE INDEBTEDNESS AND (B) PERFORMANCE OF EACH OF TRUSTOR'S AGREEMENTS AND OBLIGATIONS UNDER THIS DEED OF TRUST. THIS DEED OF TRUST IS GIVEN AND ACCEPTED ON THE FOLLOWING TERMS:

PAYMENT AND PERFORMANCE. Except as otherwise provided in this Deed of Trust, Trustor shall pay to Lender all amounts secured by this Deed of Trust as they become due, and shall strictly and in a timely manner perform all of Trustor's obligations under the Credit Agreement, this Deed of Trust, and the Related Documents.

POSSESSION AND MAINTENANCE OF THE PROPERTY. Trustor agrees that Trustor's possession and use of the Property shall be governed by the following provisions:

Possession and Use. Until the occurrence of an Event of Default, Trustor may (1) remain in possession and control of the Property; (2) use, operate or manage the Property; and (3) collect the Rents from the Property.

Duty to Maintain. Trustor shall maintain the Property in good condition and promptly perform all repairs, replacements, and maintenance necessary to preserve its value.

Hazardous Substances. Trustor represents and warrants that the Property never has been, and never will be so long as this Deed of Trust remains a lien on the Property, used for the generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance in violation of any Environmental Laws. Trustor authorizes Lender and its agents to enter upon the Property to make such inspections and tests as Lender may deem appropriate to determine compliance of the Property with this section of the Deed of Trust. Trustor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Trustor becomes liable for cleanup or other costs under any such laws, and (2) agrees to indemnify and hold harmless Lender against any and all claims and losses resulting from a breach of this paragraph of the Deed of Trust. This obligation to indemnify shall survive the payment of the Indebtedness and the satisfaction of this Deed of Trust.

DUE ON SALE - CONSENT BY LENDER. Lender may, at Lender's option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest in the Real Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of an interest in the Real Property. However, this option shall

not be exercised by Lender if such exercise is prohibited by federal law or by Arizona law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are part of this Deed of Trust:

Payment. Trustor shall pay when due (and in all events prior to delinquency) all taxes and assessments, including without limitation sales or use taxes in any state, local privilege or excise taxes based on gross revenues, special taxes, charges (including water and sewer), fines and impositions levied against Trustor or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Trustor shall maintain the Property free of all liens having priority over or equal to the interest of Lender under this Deed of Trust, except for the lien of taxes and assessments not due, except for the Existing Indebtedness referred to below, and except as otherwise provided in this Deed of Trust. Beneficiary shall have the right, but not the duty or obligation, to charge Trustor for any such taxes or assessments in advance of payment. In no event does exercise or non-exercise by Beneficiary of this right relieve Trustor from Trustor's obligation under this Deed of Trust or impose any liability whatsoever on Beneficiary.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust.

Maintenance of Insurance. Trustor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender, together with such other hazard and liability insurance as Lender may reasonably require. Policies shall be written in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Trustor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days prior written notice to Lender. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Trustor or any other person. Should the Real Property be located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Trustor agrees to obtain and maintain Federal Flood Insurance, if available, within 45 days after notice is given by Lender that the Property is located in a special flood hazard area, for the maximum amount of your credit line and the full unpaid principal balance of any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

LENDER'S EXPENDITURES. If Trustor fails (A) to keep the Property free of all taxes, liens, security interests, encumbrances, and other claims, (B) to provide any required insurance on the Property, (C) to make repairs to the Property or to comply with any obligation to maintain Existing Indebtedness in good standing as required below, then Lender may do so. If any action or proceeding is commenced that would materially affect Lender's interests in the Property, then Lender on Trustor's behalf may, but is not required to, take any action that Lender believes to be appropriate to protect Lender's interests. All expenses incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Trustor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Credit Agreement and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Credit Agreement; or (C) be treated as a balloon payment which will be due and payable at the Credit Agreement's maturity.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Deed of Trust:

Title. Trustor warrants that: (a) Trustor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property

DEED OF TRUST

description or in the Existing Indebtedness section below or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender, or have otherwise been previously disclosed to and accepted by Lender in writing in connection with this Deed of Trust, and (b) Trustor has the full right, power, and authority to execute and deliver this Deed of Trust to Lender.

Defense of Title. Subject to the exception in the paragraph above, Trustor warrants and will forever defend the title to the Property against the lawful claims of all persons.

EXISTING INDEBTEDNESS. The following provisions concerning Existing Indebtedness are a part of this Deed of Trust:

Existing Lien. The lien of this Deed of Trust securing the Indebtedness may be secondary and inferior to an existing lien. Trustor expressly covenants and agrees to pay, or see to the payment of, the Existing Indebtedness and to prevent any default on such indebtedness, any default under the instruments evidencing such indebtedness, or any default under any security documents for such indebtedness.

EVENTS OF DEFAULT. Trustor will be in default under this Deed of Trust if any of the following happen: (A) Trustor commits fraud or makes a material misrepresentation at any time in connection with the Credit Agreement. This can include, for example, a false statement about Trustor's income, assets, liabilities, or any other aspects of Trustor's financial condition. (B) Trustor does not meet the repayment terms of the Credit Agreement. (C) Trustor's action or inaction adversely affects the collateral or Lender's rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a senior lien on the dwelling without Lender's permission, foreclosure by the holder of another lien, or the use of funds or the dwelling for prohibited purposes.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default under any indebtedness, or should Trustor fail to comply with any of Trustor's obligations under this Deed of Trust, Trustee or Lender may exercise any one or more of the following rights and remedies:

Election of Remedies. All of Lender's rights and remedies will be cumulative and may be exercised alone or together. An election by Lender to choose any one remedy will not bar Lender from using any other remedy. If Lender decides to spend money or to perform any of Trustor's obligations under this Deed of Trust, after Trustor's failure to do so, that decision by Lender will not affect Lender's right to declare Trustor in default and to exercise Lender's remedies.

Accelerate Indebtedness. Lender shall have the right at its option without notice to Trustor to declare the entire Indebtedness immediately due and payable.

Foreclosure. With respect to all or any part of the Real Property, the Trustee shall have the right to foreclose by notice and sale, and Lender shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law. To the extent permitted by law, Trustor shall be and remain liable for any deficiency remaining after sale, either pursuant to the power of sale or judicial proceedings.

Other Remedies. Trustee or Lender shall have any other right or remedy provided in this Deed of Trust or the Credit Agreement or by law or in equity or by other rights and remedies afforded by Arizona law.

Sale of the Property. To the extent permitted by applicable law, Trustor hereby waives any and all rights to have the Property marshalled. In exercising its rights and remedies, the Trustee or Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Deed of Trust, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness

payable on demand and shall bear interest at the Credit Agreement rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. However, Trustor will only pay attorneys' fees of an attorney not Lender's salaried employee, to whom the matter is referred after Trustor's default. Trustor also will pay any court costs, in addition to all other sums provided by law.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Deed of Trust:

Arbitration Disclosures.

1. ARBITRATION IS FINAL AND BINDING ON THE PARTIES AND SUBJECT TO ONLY VERY LIMITED REVIEW BY A COURT.
2. IN ARBITRATION THE PARTIES ARE WAIVING THEIR RIGHT TO LITIGATE IN COURT, INCLUDING THEIR RIGHT TO A JURY TRIAL.
3. DISCOVERY IN ARBITRATION IS MORE LIMITED THAN DISCOVERY IN COURT.
4. ARBITRATORS ARE NOT REQUIRED TO INCLUDE FACTUAL FINDINGS OR LEGAL REASONING IN THEIR AWARDS. THE RIGHT TO APPEAL OR SEEK MODIFICATION OF ARBITRATORS' RULINGS IS VERY LIMITED.
5. A PANEL OF ARBITRATORS MIGHT INCLUDE AN ARBITRATOR WHO IS OR WAS AFFILIATED WITH THE BANKING INDUSTRY.
6. ARBITRATION WILL APPLY TO ALL DISPUTES BETWEEN THE PARTIES, NOT JUST THOSE CONCERNING THE AGREEMENT.
7. IF YOU HAVE QUESTIONS ABOUT ARBITRATION, CONSULT YOUR ATTORNEY OR THE AMERICAN ARBITRATION ASSOCIATION.

(a) Any claim or controversy ("Dispute") between or among the parties and their employees, agents, affiliates, and assigns, including, but not limited to, Disputes arising out of or relating to this agreement, this arbitration provision ("arbitration clause"), or any related agreements or instruments relating hereto or delivered in connection herewith ("Related Agreements"), and including, but not limited to, a Dispute based on or arising from an alleged tort, shall at the request of any party be resolved by binding arbitration in accordance with the applicable arbitration rules of the American Arbitration Association (the "Administrator"). The provisions of this arbitration clause shall survive any termination, amendment, or expiration of this agreement or Related Agreements. The provisions of this arbitration clause shall supersede any prior arbitration agreement between or among the parties.

(b) The arbitration proceedings shall be conducted in a city mutually agreed by the parties. Absent such an agreement, arbitration will be conducted in Phoenix, Arizona or such other place as may be determined by the Administrator. The Administrator and the arbitrator(s) shall have the authority to the extent practicable to take any action to require the arbitration proceeding to be completed and the arbitrator(s)' award issued within 150 days of the filing of the Dispute with the Administrator. The arbitrator(s) shall have the authority to impose sanctions on any party that fails to comply with time periods imposed by the Administrator or the arbitrator(s), including the sanction of summarily dismissing any Dispute or defense with prejudice. The arbitrator(s) shall have the authority to resolve any Dispute regarding the terms of this agreement, this arbitration clause, or Related Agreements, including any claim or controversy regarding the arbitrability of any Dispute. All limitations periods applicable to any Dispute or defense, whether by statute or agreement, shall apply to any arbitration proceeding hereunder and the arbitrator(s) shall have the authority to decide whether any Dispute or defense is barred by a limitations period and, if so, to summarily enter an award dismissing any Dispute or defense on that basis. The doctrines of compulsory counterclaim, res judicata, and collateral estoppel shall apply to any arbitration proceeding hereunder so that a party must state as a counterclaim in the arbitration proceeding any claim or controversy which arises out of the transaction or occurrence that is the subject matter of the Dispute. The arbitrator(s) may

in the arbitrator(s)' discretion and at the request of any party: (1) consolidate in a single arbitration proceeding any other claim arising out of the same transaction involving another party to that transaction that is bound by an arbitration clause with Lender, such as borrowers, guarantors, sureties, and owners of collateral; and (2) consolidate or administer multiple arbitration claims or controversies as a class action in accordance with Rule 23 of the Federal Rules of Civil Procedure.

(c) The arbitrator(s) shall be selected in accordance with the rules of the Administrator from panels maintained by the Administrator. A single arbitrator shall have expertise in the subject matter of the Dispute. Where three arbitrators conduct an arbitration proceeding, the Dispute shall be decided by a majority vote of the three arbitrators, at least one of whom must have expertise in the subject matter of the Dispute and at least one of whom must be a practicing attorney. The arbitrator(s) shall award to the prevailing party recovery of all costs and fees (including attorneys' fees and costs, arbitration administration fees and costs, and arbitrator(s)' fees). The arbitrator(s), either during the pendency of the arbitration proceeding or as part of the arbitration award, also may grant provisional or ancillary remedies including but not limited to an award of injunctive relief, foreclosure, sequestration, attachment, replevin, garnishment, or the appointment of a receiver.

(d) Judgement upon an arbitration award may be entered in any court having jurisdiction, subject to the following limitation: the arbitration award is binding upon the parties only if the amount does not exceed Four Million Dollars (\$4,000,000.00); if the award exceeds that limit, either party may demand the right to a court trial. Such a demand must be filed with the Administrator within thirty (30) days following the date of the arbitration award; if such a demand is not made with that time period, the amount of the arbitration award shall be binding. The computation of the total amount of an arbitration award shall include amounts awarded for attorneys' fees and costs, arbitration administration fees and costs, and arbitrator(s)' fees.

(e) No provision of this arbitration clause, nor the exercise of any rights hereunder, shall limit the right of any party to: (1) judicially or non-judicially foreclose against any real or personal property collateral or other security; (2) exercise self-help remedies, including but not limited to repossession and setoff rights; or (3) obtain from a court having jurisdiction thereover any provisional or ancillary remedies including but not limited to injunctive relief, foreclosure, sequestration, attachment, replevin, garnishment, or the appointment of a receiver. Such rights can be exercised at any time, before or after initiation of an arbitration proceeding, except to the extent such action is contrary to the arbitration award. The exercise of such rights shall not constitute a waiver of the right to submit any Dispute to arbitration, and any claim or controversy related to the exercise of such rights shall be a Dispute to be resolved under the provisions of this arbitration clause. Any party may initiate arbitration with the Administrator. If any party desires to arbitrate a Dispute asserted against such party in a complaint, counterclaim, cross-claim, or third-party complaint thereto, or in an answer or other reply to any such pleading, such party must make an appropriate motion to the trial court seeking to compel arbitration, which motion must be filed with the court within 45 days of service of the pleading, or amendment thereto, setting forth such Dispute. If arbitration is compelled after commencement of litigation of a Dispute, the party obtaining an order compelling arbitration shall commence arbitration and pay the Administrator's filing fees and costs within 45 days of entry of such order. Failure to do so shall constitute an agreement to proceed with litigation and waiver of the right to arbitrate. In any arbitration commenced by a consumer regarding a consumer Dispute, Lender shall pay one half of the Administrator's filing fee, up to \$250.

(f) Notwithstanding the applicability of any other law to this agreement, the arbitration clause, or Related Agreements between or among the parties, the Federal Arbitration Act, 9 U.S.C. Section 1 et seq., shall apply to the construction and interpretation of this arbitration clause. If any provision of this arbitration clause should be determined to be unenforceable, all other provisions of this arbitration clause shall remain in full force and effect.

Governing Law. This Deed of Trust will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Arizona without regard to its conflicts of law provisions. This Deed of Trust has been accepted by Lender in the State of Arizona.

Choice of Venue. If there is a lawsuit, Trustor agrees upon Lender's request to submit to the jurisdiction of
