I began my career as a REALTOR® in July of 2014 and I've had the pleasure of helping many buyers find a place to call home. This sale was an extremely unique and special experience that I am grateful to have been a part of. I first met Tony and Dahlia at an open house I was hosting in Lanikai. I learned that they had been visiting Oahu for two decades and found that Lanikai held a place near and dear to their hearts.

A few weeks after our introduction, Tony filled me in on his plan to surprise Dahlia for her 50th birthday with a home in their happy place where they could create memories with friends and family for the rest of their lives. For the next four weeks, Tony and I communicated, secured and closed on a beautiful apartment in Bluestone doing everything to keep the surprise from being discovered. Surrounded by close friends and family members at her 50th birthday party, Tony handed over a small box with a house key to Dahlia who was speechless with tears of joy in her eyes. Tony shared with us how much love and joy she spreads to the lives she touches and wanted to give something back that would never be forgotten. It's not often that we're able to share in such a special moment in people's lives and I'm incredibly grateful to have played a part. Big Mahalo to listing agent Travis McGaughy for being so easy to work with.
