REAL ESTATE, BUT BETTER

3456 LIPTAY AVE

OAKVILLE

STYLE AND LOCATION CONVERGE IN THIS STUNNING MONARCH-BUILT EXECUTIVE HOME, SITUATED IN A PRIME BRONTE CREEK LOCATION.

Two doors down from the trail entrance, and a 4-minute walk to Colonel William Woods and Park, which connects to the Bronte Creek Trail on the banks of Bronte Creek Provincial Park, presents unlimited opportunities for hiking, biking, and cherished family adventures. Conveniently located near schools, shopping, restaurants, and professional services, this residence is approximately a 5-minute drive to Oakville Hospital, as well as the QEW/403 and 407 ETR highways.

Stunning architectural details, such as varied rooflines, an eyebrow window accent, iron accents, and a handsome stone and stucco façade, complement the beautifully re-landscaped front yard, featuring upgraded stone tile walkways and manicured gardens with hedging, perennials, and a large shade tree. Soffit lighting illuminates the property from the front, back, and sides of this spectacular residence. The backyard is where summer magic happens, with expansive stone patio areas overlooking the glistening saltwater pool and a sheer descent waterfall. So, barbecue, dine and lounge away your summer days and nights in opulent privacy.

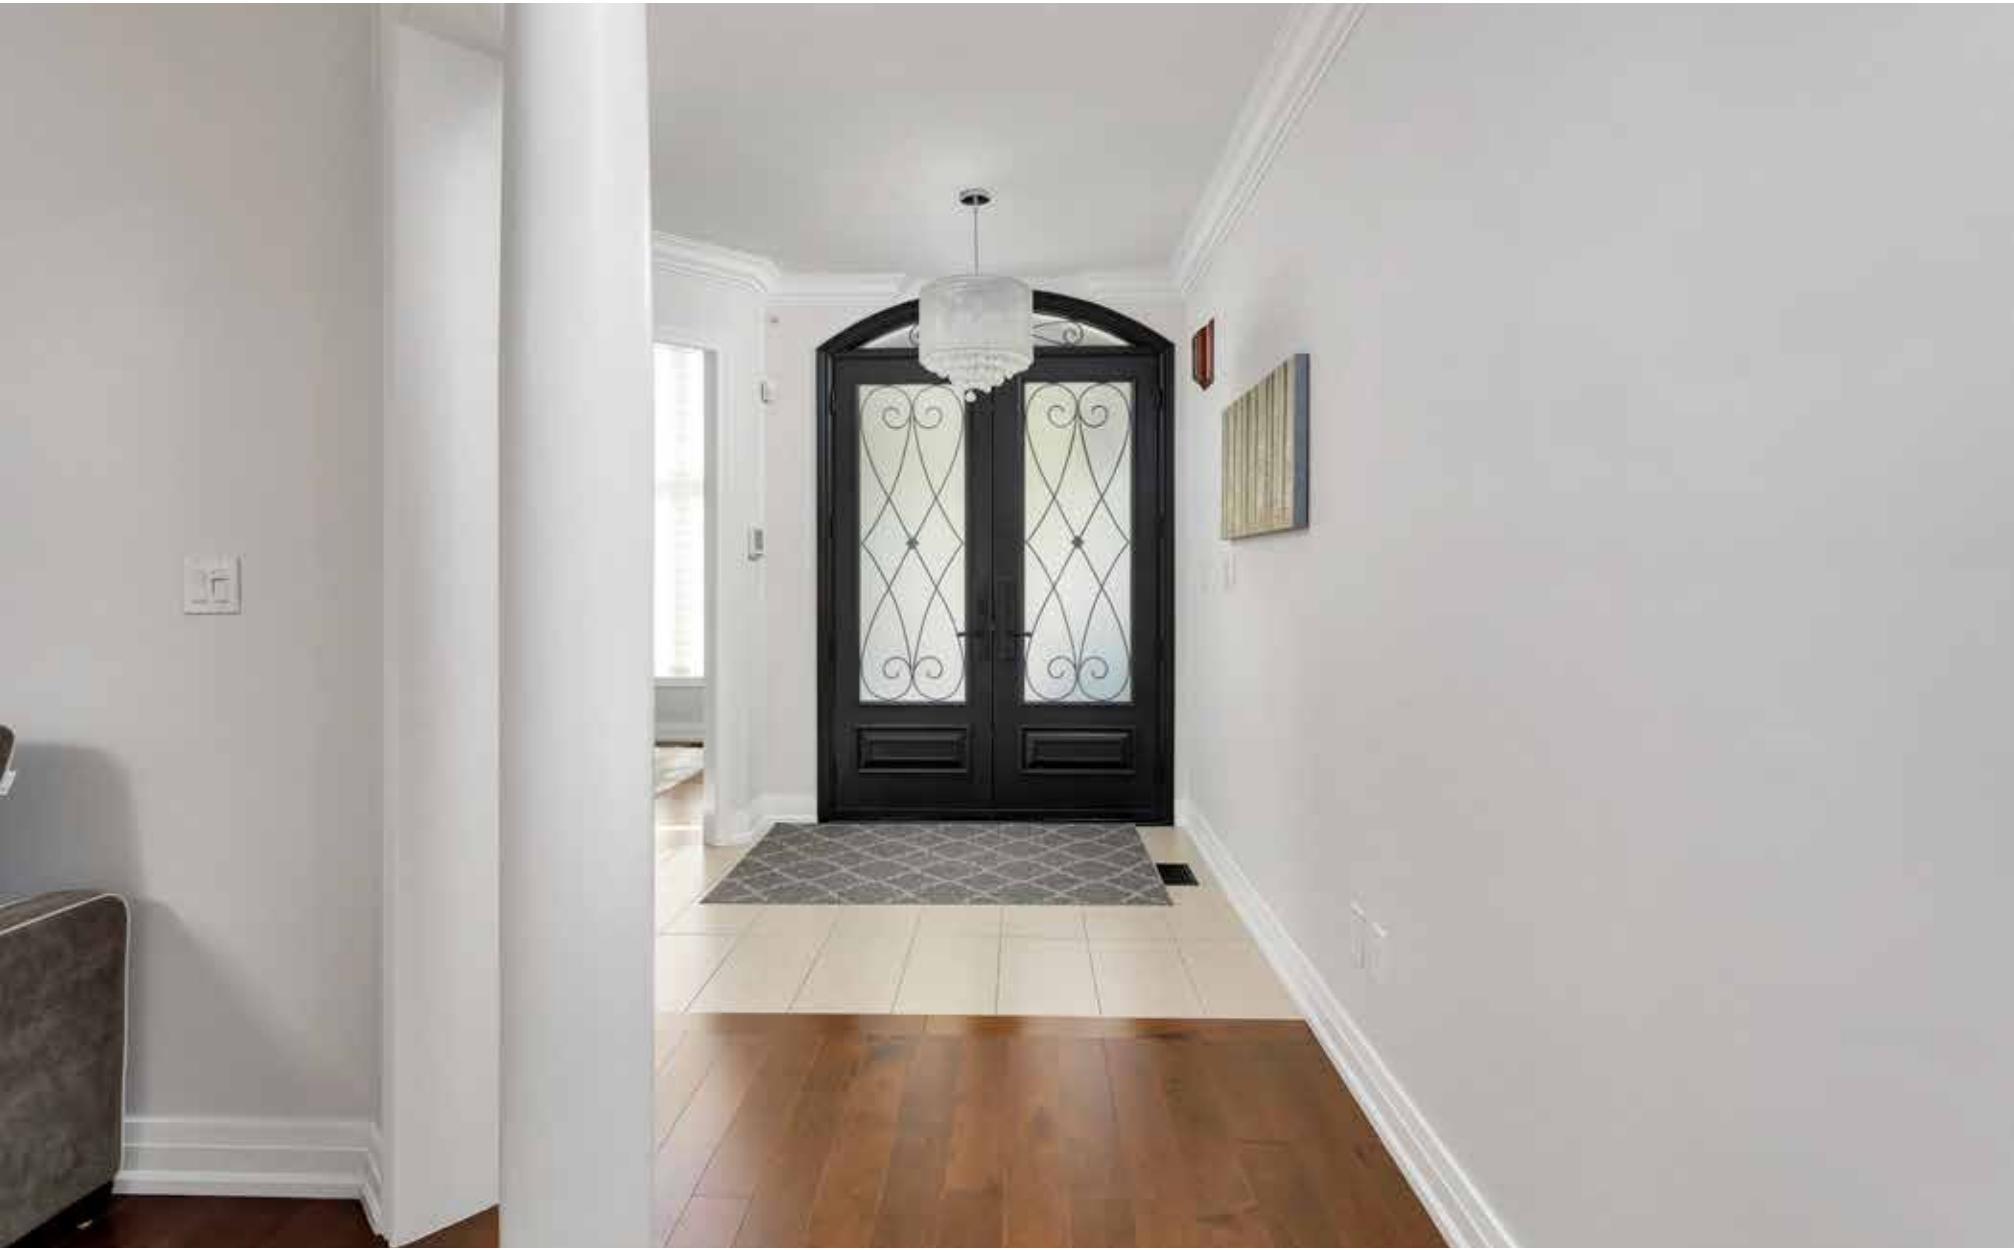

With 4 + 1 bedrooms, 4.5 lavish bathrooms and over 5000 sq. ft. of impeccable luxurious living space, including the recently professionally finished lower level. Wide-plank floors, crown mouldings, pot lights, stylish light fixtures, designer tiles, stone countertops, custom blinds and California shutters, custom cabinetry, and premium appliances set the stage for a luxurious lifestyle. Nine-foot main floor and basement ceilings, along with expansive windows throughout, create a spacious, light-filled living environment perfect for entertaining and everyday family living. The main floor features a formal living room and dining room, a spectacular custom kitchen, a two-storey family room with a fireplace, a private office, a dream laundry room with an inside entry to the garage, and a stylish powder room. Upstairs, there are four generous bedrooms and three luxurious bathrooms, including the primary suite, which boasts a 5-piece ensuite bath with a soaker tub and a separate glass shower. Downstairs, you'll find a spacious recreation area with a stunning wet bar for casual entertaining, a glass-encased gym, a fifth bedroom and a 3-piece bathroom with an oversized glass shower. You can delete the text highlighted in green if you don't have the space in the brochure.

Recent Improvements

Hundreds of thousands of dollars were spent on the outdoor oasis, featuring a saltwater pool, and the recently completed (2020) basement. Recent updates/improvements include new wide-plank laminate floors and baseboards throughout the second level, new vanities, mirrors, lights and plumbing fixtures in two upstairs bathrooms, dining room feature wall added, updated wall niches, new integrated wall vents throughout, 100 new pot lights throughout, new fire rocks in the family room fireplace, new one-piece toilets throughout, new black door hardware on two levels, freshly painted interior (except basement). Exterior improvements include a re-landscaped front yard, new coach lighting, newly painted front doors, patio doors, and garage doors, as well as the addition of a Tesla electric car charger to the garage.
