REAL ESTATE, BUT BETTER

2313 CORONATION DRIVE

OAKVILLE, ON

NESTLED IN PRESTIGIOUS JOSHUA CREEK, THIS EXCEPTIONAL RESIDENCE OFFERS AN ENVIABLE LIFESTYLE, STEPS FROM THE IROQUOIS RIDGE COMMUNITY CENTRE, WHICH FEATURES INDOOR POOLS, FITNESS FACILITIES, A LIBRARY, AND DIVERSE PROGRAMMING.

Situated in the coveted Iroquois Ridge High School catchment—ranked 12th of 746 Ontario secondary schools (Fraser Institute 2023/24, 9.2/10)—the address is synonymous with academic distinction. Enjoy nearby Glenashton Park with sports fields, a cricket pitch, a skateboard park, trails, and a fenced leash-free dog run. Minutes to Upper Oakville Shopping Centre, the Shoppes on Dundas, and the Uptown Core—an ideal blend of luxury and location; top-tier schools, lush green space, and urban convenience.

Professionally landscaped grounds enhance curb appeal with a large flagstone trimmed driveway with parking for 5 cars, a flagstone front porch, while the pool-sized backyard offers cedar tongue-and-groove fencing, an expansive 20' x 15' deck, an included Vermont Castings 5-burner natural gas BBQ with a side burner and rotisserie, a gazebo, a 10' x 10' storage shed, and an eight-person hot tub. Fernbrook's sought-after Melbourne model presents 4+1 bedrooms, 4.5 bathrooms, and elegant above-grade living space, plus a professionally finished lower level with separate staircase access via the laundry room—ideal for a future suite. Highlights include nine-foot main-floor ceilings, a dramatic 18-foot family room ceiling, maple hardwood on two levels, laminate basement flooring, a solid oak staircase with iron pickets, and an additional oak service staircase from the laundry room to the basement, two gas fireplaces, and dual home theatre systems, a monitored security/alarm system, 200 amp electrical service and a level 2 (220V) car charging receptacle and car charger included (needs to be connected). Some recent improvements include roof shingles with a waterproof membrane, an on-demand hot water system, and a 4-ton air conditioner, all completed in 2018; a resealed driveway (2025); upgraded attic insulation and ventilation; and a backup Generac generator that can power most of the home during a power outage.

Designed for refined family living and effortless entertaining, the home showcases a formal living/dining room with architectural detailing and pot lights in doorway thresholds, and a soaring family room with Palladian windows, California shutters, a fireplace, and a second built-in home theatre system with built-in speakers and a subwoofer. The custom cherrywood kitchen by Paris Kitchens features illuminated upper cabinets, granite countertops, premium built-in stainless steel appliances, and a breakfast room with a walkout to the outdoor living space. Completing the main floor are a private office, an elegant powder room, and a sunken laundry room with a second staircase to the lower level and an inside entry to the attached double garage with 10-foot ceilings and set up for a car lift installation. Upstairs features four spacious bedrooms, a loft, three full baths, including a luxurious primary retreat with a spa-inspired five-piece ensuite. The professionally finished basement elevates leisure with a hidden home theatre featuring a 12-foot viewing screen, 4K projector, 125 -watt-per-channel receiver, and a subwoofer. Along with the wet bar with a large granite island, a fifth bedroom, and a stylish three-piece bath with an oversized glass shower, this space is perfect for teens, in-laws, multi-generational living, or guests.
