Notice to Licensee and Seller: Only the Seller should fill out this form.

Notice to Seller: Florida law¹ requires a **Seller** of a home to disclose to the **Buyer** all known facts that materially affect the value of the property being sold and that are not readily observable or known by the **Buyer**. This disclosure form is designed to help you comply with the law. However, this disclosure form may not address every significant issue that is unique to the Property. The following information is based only upon **Seller's** actual knowledge of the Property's condition. **Sellers** can disclose only what they actually know. **Seller** may not know about all material or significant items. You should have an independent, professional home inspection to verify the condition of the Property and determine the cost of repairs, if any.
