### Seller's Property Disclosure – Residential

**Notice to Licensee and Seller:** Only the Seller should fill out this form.

**Notice to Seller:** Florida law<sup>1</sup> requires a **Seller** of a home to disclose to the **Buyer** all known facts that materially affect the value of the property being sold and that are not readily observable or known by the **Buyer**. This disclosure form is designed to help you comply with the law. However, this disclosure form may not address every significant issue that is unique to the Property. You should think about what you would want to know if you were buying the Property today; and if you need more space for additional information, comments, or explanations, check the Paragraph 12 checkbox and attach an addendum.

**Notice to Buyer:** The following representations are made by **Seller** and **not** by any real estate licensee. This disclosure is not a guaranty or warranty of any kind. It is not a substitute for any inspections, warranties, or professional advice you may wish to obtain. It is not a substitute for your own personal judgment and common sense. The following information is based only upon **Seller's** actual knowledge of the Property's condition. **Sellers** can disclose only what they actually know. **Seller** may not know about all material or significant items. You should have an independent, professional home inspection to verify the condition of the Property and determine the cost of repairs, if any. This disclosure is not a contract and is not intended to be a part of any contract for sale and purchase.

**Seller** makes the following disclosure regarding the property described as: 975 OAK ST MERRITT ISLAND FL 32953  
(the "Property")

The Property is owner occupied tenant occupied unoccupied (If unoccupied, how long has it been since **Seller** occupied the Property? 16 years)

### P. LEAD-BASED PAINT DISCLOSURE (Pre-1978 Housing)

#### Lead-Based Paint Warning Statement

"Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspection in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

#### Seller's Disclosure (INITIAL)

- JMK (a) Presence of lead-based paint or lead-based paint hazards (CHECK ONE BELOW):
  - Known lead-based paint or lead-based paint hazards are present in the housing.
