**Seller's Property Disclosure - Condominium**

**Notice to Licensee and Seller:** Only the Seller should fill out this form.

**Notice to Seller:** Florida law<sup>1</sup> requires a seller of a home to disclose to the buyer all known facts that materially affect the value of the property being sold and that are not readily observable or known by the buyer. This disclosure form is designed to help you comply with the law. However, this disclosure form may not address every significant issue that is unique to the Property. You should think about what you would want to know if you were buying the Property today; and if you need more space for additional information, comments, or explanations, check the Paragraph 10 checkbox and attach an addendum.

**Notice to Buyer:** The following representations are made by Seller and not by any real estate licensee. This disclosure is not a guaranty or warranty of any kind. It is not a substitute for any inspections, warranties, or professional advice you may wish to obtain. It is not a substitute for your own personal judgment and common sense. The following information is based only upon Seller's actual knowledge of the Property's condition. Sellers can disclose only what they actually know. Seller may not know about all material or significant items. You should have an independent, professional home inspection to verify the condition of the Property and determine the cost of repairs, if any. This disclosure is not a contract and is not intended to be a part of any contract for sale and purchase.

Florida law<sup>2</sup> entitles a prospective buyer, who has entered into a contract for the purchase of a condominium unit with a seller who is not a developer, at Seller's expense, to a current copy of the declaration of condominium, articles of incorporation of the association, bylaws and rules of the association, the most recent annual financial statement and annual budget and the "Frequently Asked Questions and Answers" document, if buyer requests these in writing. These documents, and meeting agendas and minutes, contain important matters to be considered before acquiring a condominium unit, such as recurring dues or fees; special assessments; capital contributions, penalties; and alteration, leasing, parking, pet, resale, vehicle and other types of restrictions.

Except for information provided in paragraph 6, 7, 8 and 9, the following information is only about the individual Unit specified below and not about any limited common element, any common element or the condominium association ("Association").

## Complying With the Lead-based Paint Law: Licensee Notice to Seller/Landlord

I am notifying you of your responsibilities under the Lead-Based Paint Hazard Reduction Act of 1992 and its implementing regulations. As the owner of a residential dwelling unit built in 1977 or earlier, you have the following disclosure and other requirements (for purposes of this document, "LBP" will mean lead-based paint and "LBPH" will mean lead-based paint hazards, which are conditions that cause exposure to lead from lead-contaminated dust, soil or paint that is deteriorated or present in accessible surfaces or surfaces that rub together, like doors and windows):

**1. Before You Sign a Contract/Lease.** Before a buyer or tenant becomes obligated by contract to buy or lease your housing, you must complete the activities listed in A-D below. If you receive an offer before you provide the required information, you cannot accept the offer until after the information is given. This may be accomplished by making a counter offer that allows the buyer or tenant an opportunity to review the information and amend the offer if he or she so chooses. You must:

**A. Disclose** to each licensee or other agent (for purposes of this law, anyone who enters into a contract with you or your representative for the purpose of selling your home, except for buyer's agents who are paid solely by the buyer and not by you or your representative, is considered an "agent") involved in the transaction:

- (1) the presence of any LBP/LBPH about which you know;
- (2) any additional information available concerning the LBP/LBPH, including the basis for determining that LBP/LBPH exists, the location of the LBP/LBPH and the condition of the painted surfaces; and
- (3) the existence of any available records or reports pertaining to LBP/LBPH.

**B. Provide** the buyer or tenant with:

- (1) an EPA-approved lead hazard information pamphlet. This means either the EPA document entitled "Protect Your Family From Lead in Your Home" or an equivalent pamphlet approved by the EPA for use in Florida; and
- (2) any records or reports available to you concerning LBP/LBPH in the unit, including records and reports regarding any common areas. If the unit is in multifamily housing that you own and you had an evaluation or reduction of LBP/LBPH in the housing as a whole, you must provide available records and reports regarding other residential dwellings in that housing.

**C. Disclose** to the buyer or tenant:

- (1) the presence of any known LBP/LBPH in the unit; and
- (2) any additional information available concerning the LBP/LBPH, such as the basis for determining that LBP/LBPH exists, the location of the LBP/LBPH and the condition of the painted surfaces.

**D. Allow** the buyer time to conduct a risk assessment or inspection for the presence of LBP/LBPH. You must give the buyer a 10 day period unless you agree with the buyer, in writing, to another period of time (such as within the time allowed for property inspections) or unless the buyer indicates in writing that he or she waives the right to conduct the risk assessment or inspection. This inspection requirement does not apply to tenants.

**2. Sales Contract Requirements.** You must ensure that the sales contract has an attachment having the following elements:

**A.** The following Lead Warning Statement: "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspection in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

**B.** A statement by you disclosing the presence of known LBP/LBPH in the home and any additional information available concerning the LBP/LBPH, such as the basis for determining that it exists, its location and the condition of the painted surfaces; OR indicating that you have no knowledge of the presence of LBP/LBPH in the home.

**C.** A list of any records or reports described in 1.B.(2) that are available to you and that you have provided to the buyer; OR a statement that no such records or reports are available to you.

**D.** A statement by the buyer:

- (1) affirming receipt of the information in 2.B and C above;
- (2) affirming receipt of the lead hazard information pamphlet noted in 1.B.(1) above; and
- (3) that he or she has either had the opportunity to conduct the risk assessment or inspection required as noted in 1. D. above or waived the opportunity.

**E.** A statement by each real estate licensee/agent involved in the transaction that:

- (1) the licensee/agent has informed you of your legal obligations; and
- (2) the licensee/agent is aware of his or her duty to ensure compliance with the law.

**F.** Signatures of you, the licensees/agents and the buyers certifying to the accuracy of their statements to the best of their knowledge, and the dates of the signatures.

Seller ( SM ) ( M ) or Landlord (      ) (      ) acknowledge receipt of a copy of this page, which is Page 1 of 2 Pages.
