The Berkeley – An Overview

The Berkeley is a 26-story luxury waterfront luxury condominium being developed by Australian Properties Group, led by Al Adelson, the same developer behind the iconic Bristol in West Palm Beach, in partnership with Sympatico Real Estate. This development will redefine luxury on the shores of Clear Lake in Downtown West Palm Beach. These residences will fill a current void in Downtown West Palm Beach's luxury market by offering very large 2-, 3-, and 4-bedroom units, all including innovative flex spaces designed to adapt to your family's lifestyle, with initial pricing ranging from \$1.8 million to \$7.5 million (exclusive of penthouse residences). Offering a unique advantage, this architectural landmark will feature both east and west facing balconies, providing each residence with uninterrupted views of Clear Lake and the western horizon, as well as picturesque sunset views of South Florida. "Poised at the entrance of Wall Street South" off I-95, the residences will be designed by the world-renowned architect Bernardo Fort-Brescia and his award-winning design firm Arquitectonica. Their accomplished touch will gracefully punctuate the skyline with sleek sophistication, immediately capturing the eye as one travels east off I-95 on Okeechobee Boulevard. This visual masterpiece will be the epitome of timeless elegance, situated on the western edge of Downtown West Palm Beach.

Catering to Diverse Lifestyles

Designed with discerning tastes in mind, The Berkeley will cater to the needs of both dynamic middle-upper class families and discerning upper-middle-class retirees. Additionally, it is the ideal destination for individuals seeking to benefit from the tax advantages of owning a second residence in the state of Florida. As professionals from all over the world flock to "Wall Street South" with the millions of retail and commercial square feet being developed, The Berkeley will provide a haven for those who appreciate the intersection of career opportunities and luxury living.

Amenities Beyond Compare

The Berkeley will feature two rooftop pools, offering breathtaking views of the cityscape. Outstanding amenities offered will include a dog run and grooming room for the furry members of your family, a spa for ultimate relaxation, and state-of-the-art workout facilities, to name a few. The first-floor lobby will host additional amenities, including a full-service boardroom and co-working spaces, providing a space for corporate meetings in person and virtually. The seventh-floor outdoor amenity deck will be dedicated for family activities, providing a safe and enjoyable space for children to play and families to gather. The rooftop amenity deck, designed for adults, will complement the family space, offering a sophisticated retreat with green spaces, resident lounges, and private room dining experiences.
