Vancouver Views

Your chance to own a house designed by famed Canadian architect Ron Thom comes with this 5,000-plus-square-foot home with a water feature and 183 feet of frontage on West Vancouver's Woodgreen Drive. Catch city, mountain and water views from the extensive outdoor living room.

House of the day

Homes we'd really love to have — whether we can afford them or not

Key details:

• 5,307 sq. ft.
