RESIDENCES

COLETTE

RESIDENCES

BUILT FOR THE FEW.
ADMIRED BY THE MANY.

Tucked between the pulse of South Brickell and the quiet grace of Coconut Grove, Colette introduces a new rhythm of urban living—measured, intimate, and refined. This boutique enclave of 38 residences features an interconnected design of five levels rising to rooftops that open to the Miami sky—a balanced composition of urban vitality and residential calm, historic character and contemporary sophistication.

CRAFTED FOR THOSE WHO KNOW.

Brought to life by Meta Development alongside visionary, award-winning partners, this residential landmark reflects decades of collective expertise. The team behind it has shaped iconic projects worldwide, uniting development, architecture, engineering, landscape, and sales under one vision. Guided by a shared pursuit of design excellence and innovation, the result is a building defined by elegance, craftsmanship, and purposeful functionality—crafted to transform daily living in a way unlike anything else in Miami.

RESIDENCES FEATURES

Colette is a boutique collection of distinction: 38 residences, including two penthouses, designed for privacy, generous proportions, and a seamless indoor-outdoor connection.

- Two- to four-bedroom residences range from 2,144 - 3,180 SF, featuring expansive layouts and private balconies that seamlessly extend the living spaces outdoors.

- At the crown of the building, two expansive penthouses—measuring 5,916 and 6,128 SF—each with a private rooftop pool, outdoor kitchen, and 1,200 SF terrace.
- Floor-to-ceiling, impact-resistant windows and sliding doors are designed to flood interiors with natural light.
- Residences feature gypsum ceilings up to 10’6” high, emphasizing openness and light within layouts shaped by contemporary architectural principles.
- Private terraces wrap each residence, flowing from living areas to primary bathrooms, set against a backdrop of refined landscaping.
- Four private elevators provide password-protected access directly into each home.
- A service elevator provides convenient secondary access to each residence.
- Residences feature MIELE appliances and a full-height 78-bottle wine cooler.
- Every laundry room comes equipped with a full-size washer and dryer, a utility sink and a built-in cabinetry for added functionality.
- Residences are pre-wired for smart-home technology, allowing effortless integration of lighting, climate control, window treatments, audio, and other home systems.
- Individually controlled central A/C with linear diffusers preserves a clean, continuous design.

RESIDENCE FINISHES

ESSENCE IN EVERY DETAIL

- Kitchens feature custom Italian millwork by CESAR, extending to bathrooms and laundry rooms, all finished with fingerprint-resistant surfaces.
- Kitchens and laundry areas feature KOHLER and BLANCO fixtures, uniting precision craftsmanship with enduring performance.
- Tailor-made mineral-based countertops from INALCO add both durability and refined aesthetics across kitchens, bathrooms, and laundry rooms.
- Bespoke Italian millwork by LEMA elevates the walk-in closets, combining exceptional craftsmanship with timeless elegance.
- Crafted by PORCELANOSA, the large-format, mineral-based flooring merges cutting-edge performance with elegant, sustainable design.
- Thoughtfully designed for modern living, residences feature integrated recessed lighting and refined bathroom sconces.
- Bathrooms are appointed with Graff matte-black fittings, Victoria & Albert freestanding bathtubs, and Duravit wall-hung toilets — a curated selection that embodies contemporary elegance and timeless quality.
