Tucked away on approximately 3 private acres along Plaindealing Creek just off the Tred Avon River, this striking waterfront retreat offers the perfect blend of Mid-Century Modern style, open-concept living, and exceptional Eastern Shore lifestyle amenities. With approximately 5' MLW, a private dock with boat lift and floating dock, and sweeping water views from nearly every room, this property is designed for effortless waterfront living. The 3-bedroom residence features a desirable main-level primary suite with expansive creek views and direct access to the rear deck. The updated kitchen is a showpiece, centered around a massive U-shaped island with gas cooktop, abundant seating, and seamless flow into the light-filled living spaces. Hardwood flooring runs throughout most of the main level, while soaring ceilings and expansive windows create an airy, open feel that beautifully captures the surrounding waterfront scenery. Upstairs, two additional bedrooms share a full bath, accompanied by an open loft overlooking the foyer and living room -- could be used as an office space or sitting area. Outdoor spaces are equally impressive. A sprawling rear deck stretches across the back of the home with access from the primary suite, living room, and kitchen, creating effortless indoor-outdoor living. The in-ground pool, mature landscaping, attached 2-car garage, and detached garage/workshop/storage building complete this exceptional waterfront offering. A rare opportunity to enjoy privacy, boating, and timeless architectural style in one of Talbot County's most desirable waterfront settings.
