Located in the sought-after community of Cooke's Hope, this 4-bedroom, 2.5-bath townhome offers a comfortable layout and easy, low-maintenance living. The main level features the spacious primary suite, complete with a private bath that includes a soaking tub and recently-retiled and enclosed separate shower. It is a great setup for anyone who prefers first-floor living. The living, dining, and kitchen areas flow together nicely, creating an open feel while still maintaining distinct spaces. The office and primary suite with two closets mean ample space on the main floor. Upstairs, you will find three additional bedrooms, one of them also working as a great room, a large storage closet, and a landing with built-in library shelving that makes a perfect reading nook, study area, or spot to work from home. With a two-car garage, expansive closets, and a fenced backyard, it checks all the right boxes. Looking out over an unused field and beautiful treeline where you can watch the wildlife, the wall of windows and backyard offer those views with complete privacy, space to relax or entertain, and a solid enclosure to protect any pets and your garden. The roof, HVAC system, and dishwasher have all been replaced recently, so you would move into a comfortable home without having to worry about major projects ahead. As part of Cooke's Hope, residents enjoy: access to miles of walking trails through woods, around lakes, and even to a covered bridge on Peachblossom creek; gorgeously maintained landscaping; waterfront amenities with well-maintained boat docks and kayak racks; and a community hub to meet your neighbors complete with tennis courts, library, mailroom, and a fitness center. This home is a wonderful opportunity to enjoy life in one of the area's most desirable neighborhoods all just minutes from the shops and restaurants of historic downtown Easton.
