Irish Tides offers a quintessential Eastern Shore retreat with luxury and style. This beautifully crafted 4-bedroom, 5.5-bath main house provides captivating views of the Miles River from almost every room. The main level has been enhanced with a new HVAC system and ductwork, ensuring comfort and efficiency throughout. Exquisite crown moldings, hardwood floors, and custom built-ins add an inviting elegance. Enjoy formal living and dining areas, a chef's kitchen with an island, quartz countertops, and a scenic waterside dining nook for informal meals. The family room, with its soaring cathedral ceilings and gas fireplace, flows through a light-filled hallway with cozy seating, offering direct views of the river. The main-level primary suite features a cathedral ceiling, built-ins, and a private patio, while its spa-like en-suite includes abundant natural light, a jetted soaking tub, marble accents, and two generous walk-in closets. The home also features a newly encapsulated basement and crawlspace, ensuring a well-maintained environment year-round.

The professionally landscaped grounds set the stage for a well-equipped pool house complete with a guest bedroom, kitchenette, sitting area, and bathroom. The outdoor space also boasts an in-ground pool with a spacious patio, outdoor shower, and grill area. A private pier with a boat lift offers approximately 4' +/- MLW, a 300' +/- shoreline, and a private beach. For added convenience, the main house includes attic storage and a storage shed, while the 3-car detached garage features a bonus room—perfect for an office or rec room—with kitchenette. All of this is just a short drive from Easton's dining, shopping, and airport access.
