DUNNA

A coastal jewel for Indulgence and Elegance.

BEACH CLUB DUNNA is set to redefine beachfront luxury by bringing a high-end leisure experience to DUNNA's residents and

The Westin guests, reactivating the hotel's breathtaking views and enhancing its exceptional service through new gourmet and amenities encounters.

Dunna Beach Club blends Mediterranean coastal heritage with Baja's untamed essence, inspired by the quiet, classic luxury of the 1970s. Drawing from the sun-washed Mediterranean—where cliffside villages, white stone, and deep-blue waters define an effortless way of life—the concept is reinterpreted through a Baja lens, with the ocean setting the rhythm of each day. The experience unfolds between sea and table: immersive ocean moments paired with refined, yet unpretentious gastronomy rooted in fresh seafood, seasonal ingredients, and Mediterranean simplicity. Created for a discerning circle who understand that true luxury is subtle, Dunna is not about excess—but about knowing. Knowing the value of time, taste, craftsmanship, and moments shaped by the ocean, meant to be savored without display.
