WELCOME TO 390 SEATON DRIVE, OAKVILLE

INVIDIATA PRESTIGE COLLECTION

An exceptional custom residence set on a commanding 150 x 75 ft lot in one of Southwest Oakville's most established and coveted neighbourhoods.

Offering 5 bedrooms across three beautifully finished levels, this home presents a rare and highly sought-after layout featuring two primary suites — one thoughtfully positioned on the main floor and a second grand retreat on the upper level. Designed for elevated living and effortless entertaining, every space reflects craftsmanship, scale, and timeless design.

The main level unfolds with refined principal rooms, including formal living and dining areas, a private home office, two powder rooms, and a fully appointed laundry suite. At the heart of the home, the chef's kitchen makes a striking statement with rich cabinetry, granite countertops, marble flooring, a substantial centre island with seating, built-in stainless steel double wall ovens, gas cooktop, beverage fridge, and seamless flow into the family room anchored by a gas fireplace and custom built-ins.

The main-floor primary suite offers privacy and comfort with its own ensuite bath and walk-in closet, ideal for multigenerational living or those seeking main-level convenience. Upstairs, the second primary retreat feels like a private sanctuary, complete with its own fireplace, spa-inspired ensuite, and generous dressing space. Two additional bedrooms share a spacious 5-piece Jack & Jill bathroom, creating an ideal family wing.

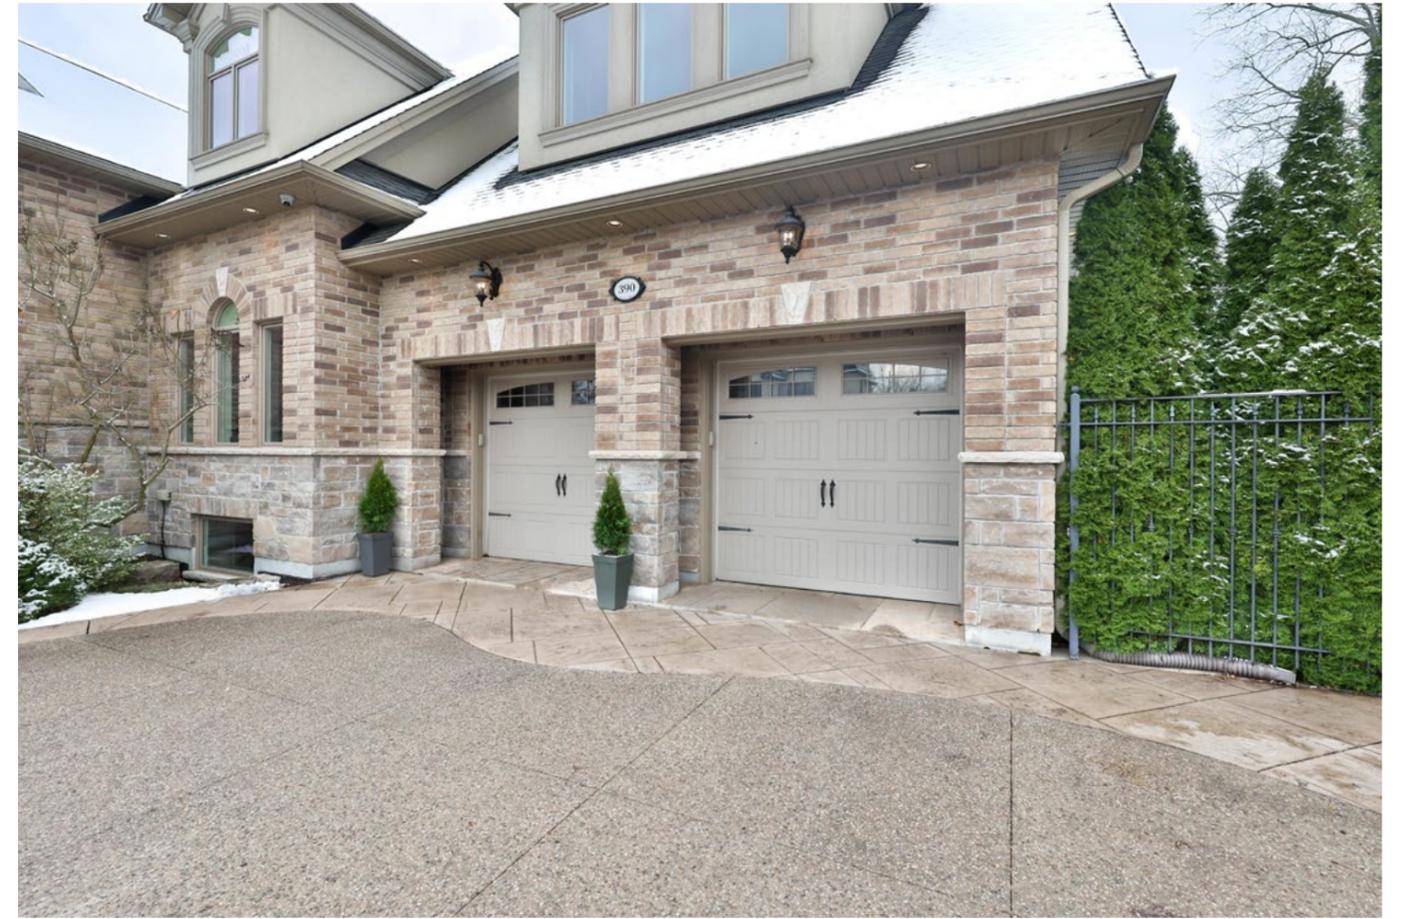

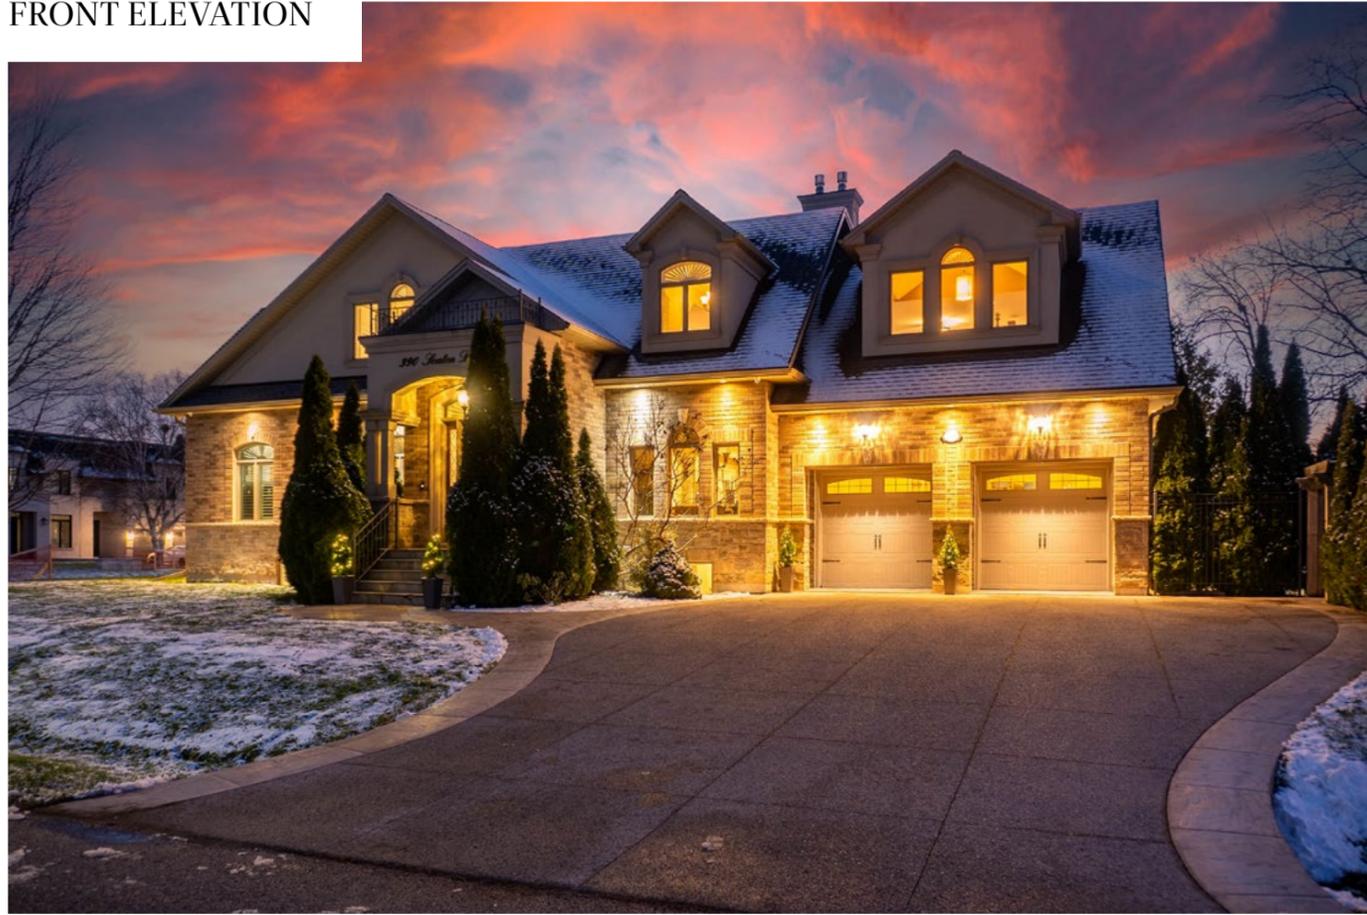

The fully finished lower level extends the home's lifestyle appeal with a large recreation lounge, wet bar, gym area, fifth bedroom, and full bathroom — perfect for guests, extended family, or refined entertaining.

Outdoors, the private backyard oasis is framed by mature landscaping and designed for memorable gatherings, featuring an inground pool, pergola-covered lounge area, multiple hardscape entertaining zones, and a detached shed. A double garage with upgraded tiled flooring and a private driveway complete this distinguished offering.

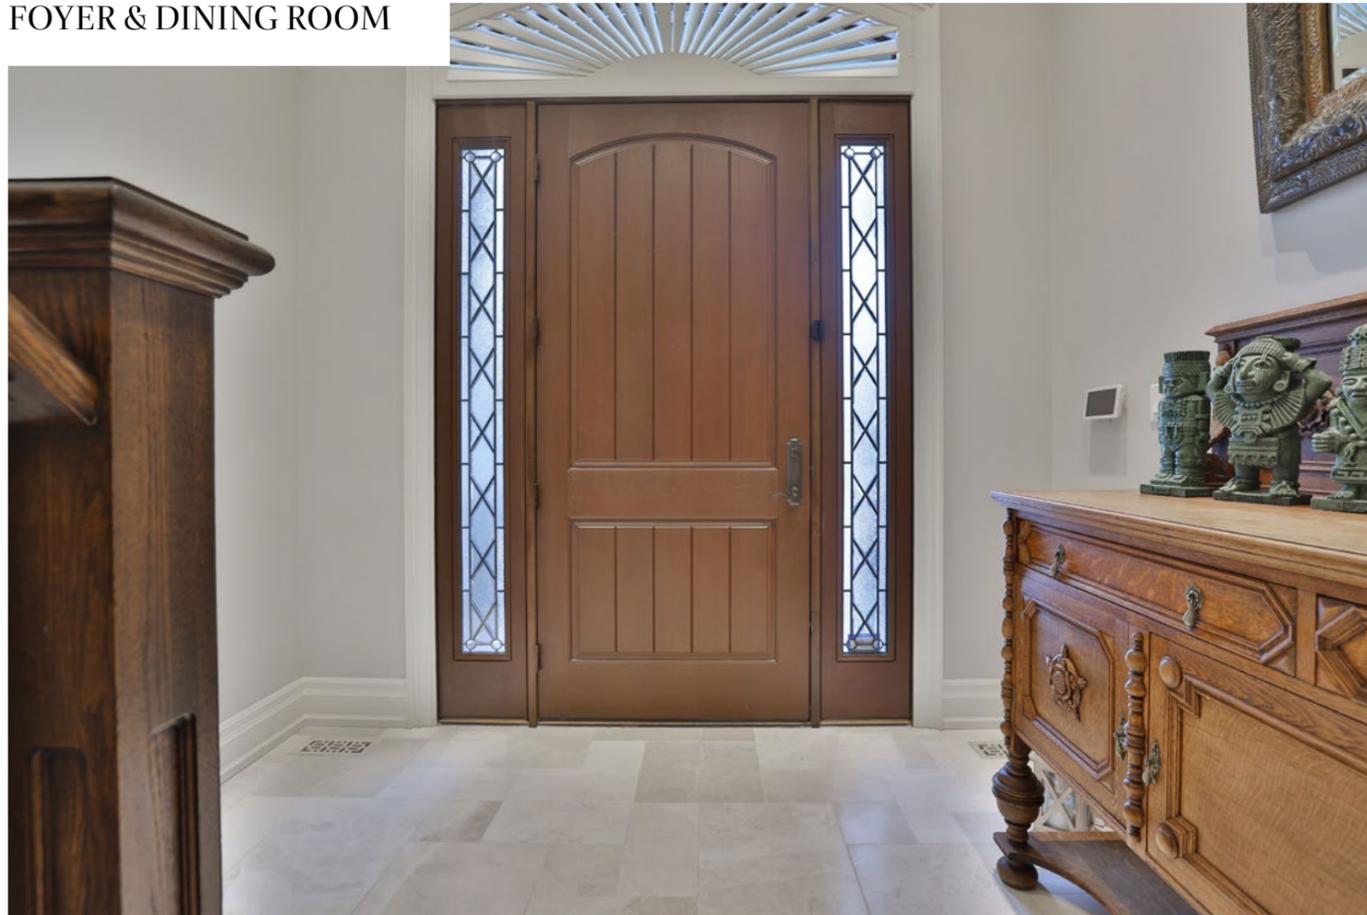

Five bedrooms. Two primary suites. Three finished levels. A rare estate-sized lot in Southwest Oakville.

390 Seaton Drive — an exceptional opportunity to own a home of scale, versatility, and enduring elegance.
