SUBTOTAL 8" DI WATERLINE					815,463.11

GRAND TOTAL

\$1,137,303.93

NOTES:

TAXES INCLUDED: \$33,500.00 - Please deduct from proposal if tax exempt.

We can save significant money if we can place spoils somewhere close to the site - fill in ponds, stockpile for future roads, etc.

Quoted scopes of work include labor, equipment and material unless otherwise noted on bid item description. Any alteration or deviation from bid plans or specifications involving extra cost must be in writing and Jimmy Evans Company reserves the right to price accordingly. Jimmy Evans Company will carry General Liability and workers compensation as required according to project specifications. The above prices are subject to change if not accepted within 30 days of proposal submission date. Please allow a minimum of two weeks notice for scheduling. Tax on Material is included in pricing.

Inclusions:

1. ALL Surveying, Staking, Trench Safety and Testing for installed Utility Lines.
2. ALL Necessary Permits for Utility Scope of Work OTHER than ROW Permits. ROW Permits to be procured by Others.
3. Hauling Utility Spoils Offsite.
4. Tax on Materials.
5. Rock Trenching.

Exclusions:

1. Anything not listed in the bid items above.
2. Electric/Gas/Communication Work.
3. Any and all Fencing and Gates.
4. Landscaping/Irrigation work.
5. Bonds, Permits, Fees and Licenses.
6. Material and Soil Testing.
7. De-watering, if ground water is encountered.
8. Relocation or Demo of Existing Utility Lines by Others.
9. Hydro and Aero Excavation.
10. Temporary irrigation is excluded.
11. Flowable fill, base backfill, and gravel backfill beyond the bedding envelope are excluded. Trenches are backfilled with native material excavated from the ditch.
12. Due to extreme market volatility, pricing will need to be updated upon receipt of Approved For Construction Plans. A letter of intent/award is required to lock in material, hauling, and fuel pricing at this time.

Respectfully Submitted,

Quinn Glass
