AN EFFORTLESS LIFESTYLE

Residents will have access to lifestyle amenities of unprecedented range and quality. Swim, spa, fitness, dining and children’s recreational spaces offer a wealth of opportunities for all ages to relax, train, socialize, entertain and play.

FEATURES AND AMENITIES

South Flagler House is located at the southeast gateway of a dynamic new cultural quarter that includes the important institutions of the Norton Museum of Art, its Gallery Park, the Ann Norton Sculpture Gardens, and Palm Beach Atlantic University.

South Flagler House features two limestone clade 28-story structures rising from a podium base lined with stepped gardens and residences.

The architecture will masterfully blend with the timeless character and elegance of Palm Beach, while

celebrating a prime waterfront location along Florida’s Gold Coast providing permanent, unobstructed views of the water.

The property will be an important new landmark unlike anything else in the market and one of the most significant high-rises ever built in West Palm Beach and South Florida.

South Flagler House will offer 102 beautifully designed residences, including one- to seven-bedroom homes, penthouses and guest suites.

Equal Housing Opportunity. There are various methods for calculating the square footage of a Unit and depending on the method of calculation, the quoted square footage of a Unit in advertising materials may vary from the square footage of a Unit as stated or described in the Prospectus and the Declaration. The dimensions of the Unit set forth on the previous page have been calculated from the exterior boundaries of the exterior walls to the centerline of shared walls, without reduction for common elements such as structural walls and other interior structural components of the building. As such, the area set forth on the previous page will be larger than the area calculated in the manner provided in the Declaration. For the area of the Unit calculated in accordance with the technical definition of the Unit, see Exhibit "3" to the Declaration. All depictions of appliances, fixtures, furnishings, counters, soffits, and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. All dimensions are approximate and may vary with actual construction. All floor plans are subject to change. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. Consult the Developer's Prospectus for information regarding what is offered with the Unit and for the calculation of the Unit square footage, dimensions, and floor area. This Condominium is being developed by Flagler Towers Project DEV LLC, ("Developer"). Any and all statements, disclosures and/or representations shall be deemed made by Developer and not by Hines or the Frisbie Group and any purchaser agrees to look solely to Developer (and not to Hines, the Frisbie Group and/or any of its or their affiliates) with respect to any and all matters relating to the marketing and/or development of the Condominium and with respect to the sales of units in the Condominium.

TIER TWO FLOORS 10-18

In the second tier of South Flagler House, the Lake Tower will feature a four-bedroom North residence and a five-bedroom South residence on each floor.

In the second tier of Park Tower there will be a three-bedroom North residence, three-bedroom South residence, and two-bedroom West residence on each floor.

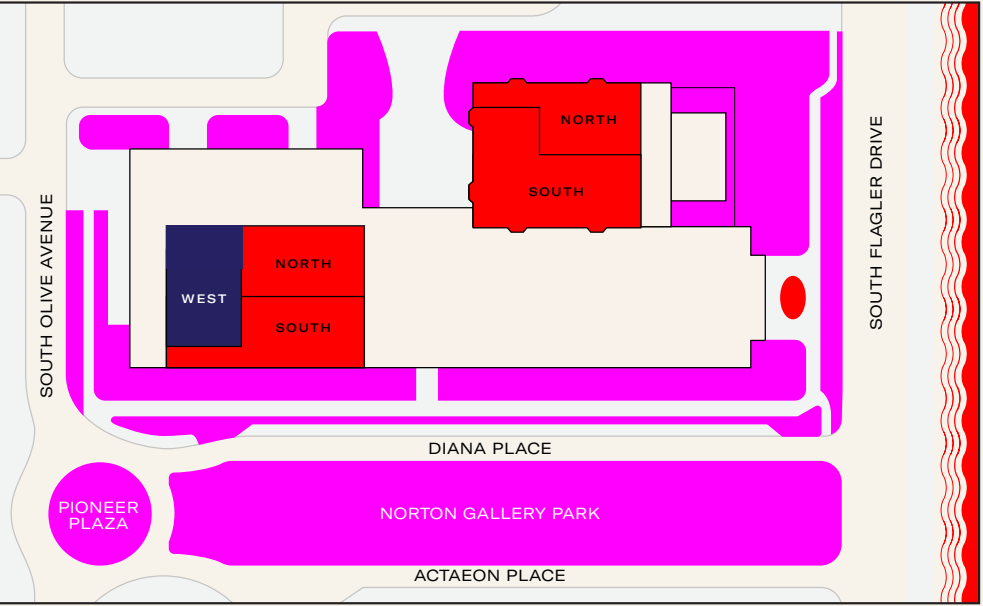

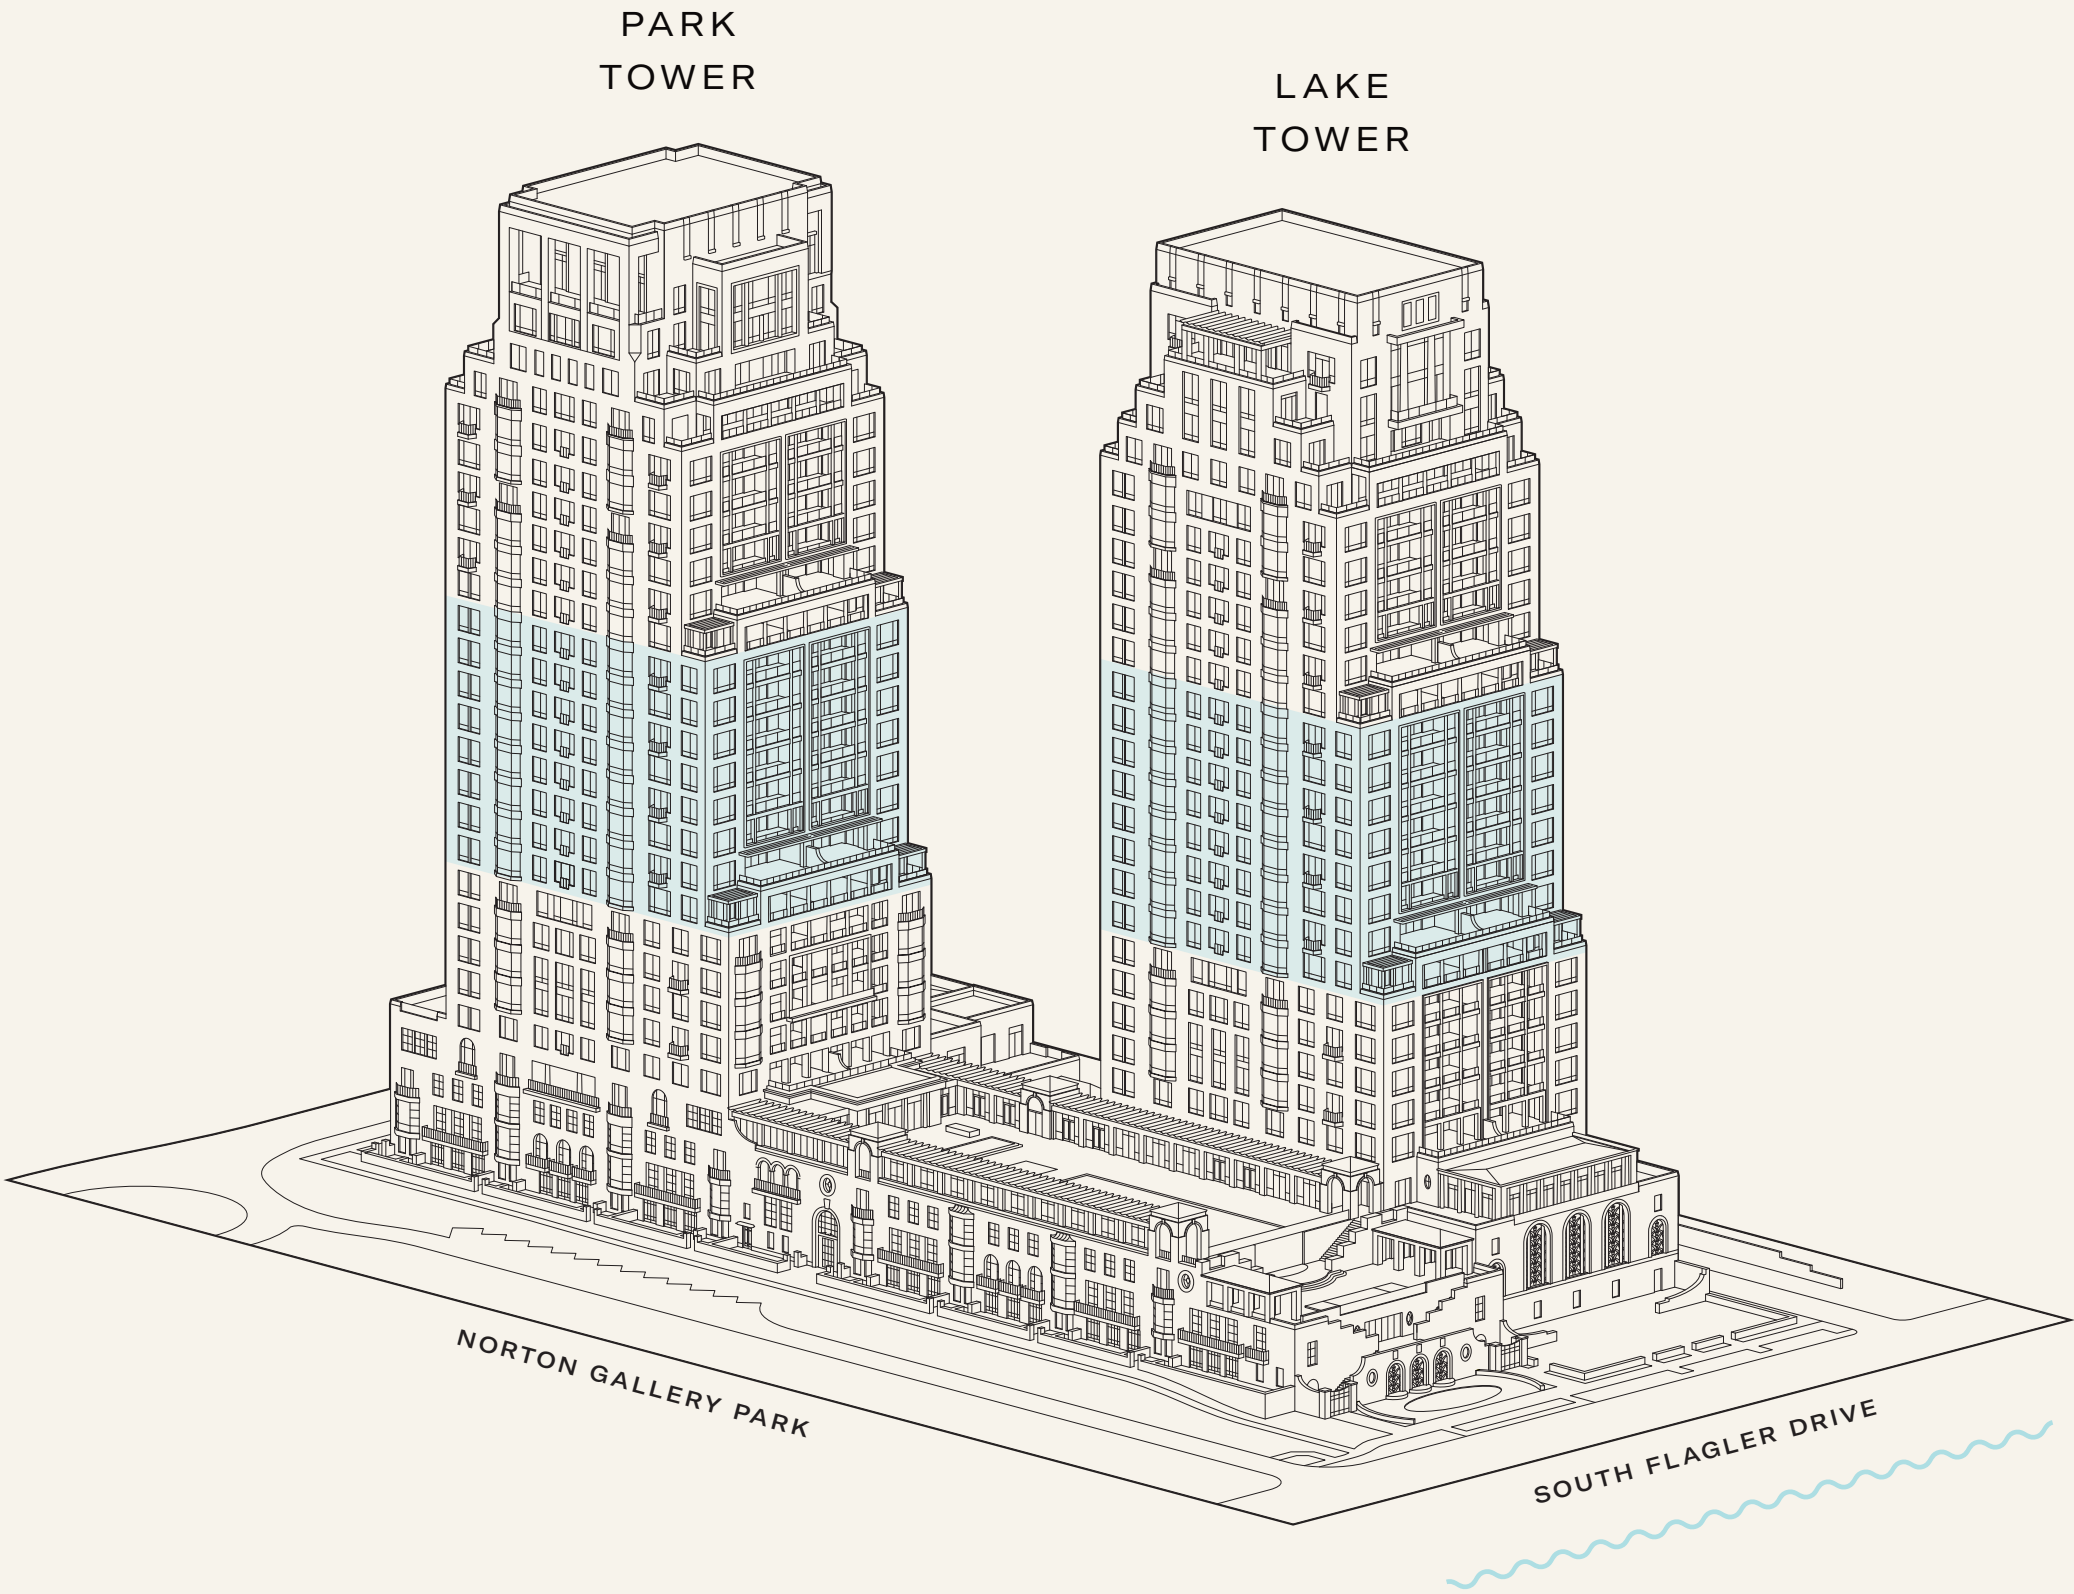

The five-bedroom South residences in the Lake Tower include secondary or “guest” bedrooms on the western facade that offer the unique flexibility of being an attached or detached “guest house” as their design includes a living room, morning kitchen and private entry foyer from the elevator core.

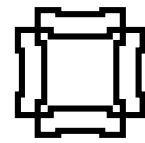

Floors 10 and 11 are rare setback levels that provide extra-large east facing loggias extending up to 23’ in depth.

The 10th floor loggia is fully covered and includes an uncovered corner loggia located off of the office while the 11th Floor loggia is covered to 12’ providing partial shading.

All East facing loggias will be approximately 31’ wide.

All West facing loggias will be approximately 30’ wide.

WE ARE PLEDGED TO THE LETTER AND SPIRIT OF THE U.S. POLICY FOR ACHIEVEMENT OF EQUAL HOUSING OPPORTUNITY THROUGHOUT THE NATION. WE ENCOURAGE AND SUPPORT AN AFFIRMATIVE ADVERTISING AND MARKETING PROGRAM IN WHICH THERE ARE NO BARRIERS TO OBTAINING HOUSING BECAUSE OF RACE, COLOR, RELIGION, SEX, HANDICAP, FAMILIAL STATUS OR NATIONAL ORIGIN. There are various methods for calculating the square footage of a Unit and depending on the method of calculation, the quoted square footage of a Unit in advertising materials may vary from the square footage of a Unit as stated or described in the Prospectus and the Declaration. The dimensions of the Unit set forth on the previous page have been calculated from the exterior boundaries of the exterior walls to the centerline of shared walls, without reduction for common elements such as structural walls and other interior structural components of the building. As such, the area set forth on the previous page will be larger than the area calculated in the manner provided in the Declaration. For the area of the Unit calculated in accordance with the technical definition of the Unit, see Exhibit "3" to the Declaration. All depictions of appliances, fixtures, furnishings, counters, soffits, and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. All dimensions are approximate and may vary with actual construction. All floor plans are subject to change. Note that measurements of rooms set forth on this floor plan are generally taken at the greatest points of each given room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. Consult the Developer's Prospectus for Information regarding what is offered with the Unit and for the calculation of the Unit square footage, dimensions, and floor area. This Condominium is being developed by SFH Owner LLC ("Developer". Any and all statements, disclosures and/or representations shall be deemed made by Developer and not Related Companies and any purchaser agrees to look solely to Developer (and not to Related Companies and/or any of its affiliates or principals) with respect to any and all matters relating to the marketing and/or development of the Condominium and with respect to the sales of units in the Condominium.

ORAL REPRESENTATIONS CANNOT BE RELIED UPON AS CORRECTLY STATING THE REPRESENTATIONS OF THE DEVELOPER. FOR CORRECT REPRESENTATIONS, MAKE REFERENCE TO THIS BROCHURE AND TO THE DOCUMENTS REQUIRED BY SECTION 718.503, FLORIDA STATUTES, TO BE FURNISHED BY A DEVELOPER TO A BUYER OR LESSEE.
