

## TIBURON

*Site of the "Blue Jasmine" movie filming, this stunning, approximately 5,600 square foot, one-level bayfront does truly offer movieland's version of the perfect waterfront retreat. Palatial great room, high beamed-ceiling, gorgeous kitchen with huge granite-topped center isle and cozy family/eating area, and large waterfront master suite with huge closet and dressing area, and beautiful limestone his-&-her baths with center shower. Bayside guest suite with separate entrance and two additional bayfront bedrooms, all with the vast expanse of the San Francisco Bay. Recent landscape design with fenced lawn and the enormous water-side terrace adjoining the entire length of the residence. Beautifully executed designer upgrades, two-car garage with additional storage and end of cul-de-sac location. Four bedrooms, four full and two-half baths...*
