

**KENTFIELD** Soaring views abound from this hillside sanctuary in Kentfield. Completely private and perched among verdant treetops, this multi level, fully remodeled, contemporary home offers indoor-outdoor living in one of Marin's most sought after communities. Floor-to-ceiling, view-side windows and accordion doors open to expansive wrap around decks and terraces. A Zen garden surrounds the private fenced entry, as well as a level side yard featuring a sprawling tile terrace with outdoor fireplace, barbecue, al fresco dining area, lounge and an oasis-like swimming pool and spa. Light and airy interiors are ubiquitous. From the double height entry foyer with cascading staircase to the living room's vaulted ceiling to the light-filled kitchen's exposed beams and skylights, the atmosphere is ethereal. Situated at the southern end of the residence, the master suite features floor-to-ceiling corner windows with unobstructed views of Mount Tamalpais, direct access to a floating deck, and a lavish master bath and walk-in closet. The home's lower levels are a place of serene privacy, with three en suite bedrooms, a wine cellar, gym and home theater. Your panoramic hideaway awaits. Total four bedrooms, four full and one half baths... **\$4,850,000**
