

TIBURON

Approached through a gated, extensive hedge-lined drive, this four-bedroom, three and one-half bath, 2,715± square foot home, built circa 1957, offers a rare opportunity in Tiburon's desirable Hill Haven neighborhood. Sweeping views extend from Angel Island, through the San Francisco city skyline, Golden Gate Bridge and Mount Tamalpais, offering the perfect viewscape for the future dream home. Mostly level, with sparkling view-side pool and sunny entertainment area with beautiful, established palms.
